

# Q4 Highlights

Chinese delegation visiting Building Disputes Tribunal and NZDRC

## Visiting Delegations

In 2016 we have received visiting delegations from both the Vietnam Office of Home Affairs and the Anhui High People's Court of China at our offices. Not only has this provided us with insights as to the private dispute resolution practices of these two countries, but it also continues to positively build on our relationships within the wider Asia-Pacific region.

John talking about Construction Dispute & Conflict Resolution at BuildLaw Expo 2016

## Conferences and Expos

John was also invited to lecture on dispute resolution at AUT and to chair and speak at the Conferenz Building Law Conference.

In November he also presented in a workshop at the Auckland Build Expo 2016 on building and construction matters and the New Zealand Construction Contracts Act.
