The Parliament of New Zealand enacts as follows:

1 Title

This Act is the Farm Debt Mediation Act **(No 2) 2019**.

2 Commencement

- (1) ~~This Act comes into force on a date or dates set by Order in Council, and 1 or more orders may be made bringing different provisions into force on different dates.~~ 5
- (2) ~~Any provision of this Act that is not already in force 12 months after Royal assent comes into force then.~~
- (1) **Part 1 and subparts 1 and 2 of Part 3 come into force on 1 February 2020.** 10
- (2) **The rest of this Act comes into force on 1 July 2020.**

Part 1

Preliminary provisions

3 Purpose of Act

The purpose of this Act is to provide parties to farm debt with the opportunity to use mediation to reach an agreement on the present arrangements and future conduct of financial relations between them before an enforcement action is taken in relation to farm property. 5

4 Outline of Act

- (1) This Act requires parties to a farm debt to engage in mediation before the creditor can take an enforcement action in relation to farm property. 10

Example

A farmer borrows money from a bank to purchase additional land and stock. As part of that loan, the farmer gives a mortgage over the farm land to the bank.

The farmer stops repaying the loan.

The mortgage allows the bank to sell the farm land and use the sale money to repay the outstanding amount of the loan. 15

However, the bank must invite the farmer to mediate, and engage in that mediation process in good faith, before the bank can use that power of sale.

- (2) Under **Part 2**,—
- (a) a creditor cannot take an enforcement action in relation to farm property unless the creditor has an enforcement certificate (*see section 10*); and 20
- (b) an enforcement certificate will not be issued unless the creditor has participated in the mediation process in good faith (*see sections 32 and 36*). An enforcement certificate lasts for 3 years (*see section 40*). An enforcement certificate could also be issued if the farmer has declined to mediate (*see section 18*). 25
- (3) **Part 2** also allows a farmer to initiate mediation in relation to a farm debt, and allows a farmer to obtain a prohibition certificate if the relevant grounds are established (*see sections 33 and 37*). A prohibition certificate stops a creditor from taking an enforcement action for 6 months (*see sections 10 and 40*). 30
- (4) In addition, **Part 2** sets out requirements relating to—
- (a) how mediation requests are made and the mediation process. A guide to mediation requests and the mediation process is set out in **section 5**;
- (b) how mediation agreements may be entered into and when they may be enforced (*see subpart 3 of Part 2*); 35
- (c) the application for, and issue of, certificates (*see subpart 4 of Part 2*). If the parties do not enter into a mediation agreement, or if the farmer

cancels the agreement under **section 30**, the farmer or the creditor may have grounds for applying for a certificate (*see sections 32 and 33*).

- (5) The restriction on enforcement actions under **section 10** does not apply if the parties enter into a mediation agreement (*see section 11*). However, the terms of the mediation agreement are binding on the parties and can be enforced (*see section 29*). If a mediation agreement is more than 3 years old, the restriction on enforcement actions applies again (*see section 11*). 5
- (6) In addition, the restriction on enforcement actions does not apply if the farmer is subject to an insolvency proceeding or process, such as liquidation or bankruptcy (*see section 12*). 10
- (7) **Part 3** allows mediation organisations to be approved. Once approved, those mediation organisations can authorise a person to be a mediator. *See subpart 1 of Part 3*. Mediation must be carried out by an authorised mediator.
- (8) **Part 3** also contains a process for reviewing decisions to issue a certificate or to approve an organisation, and other miscellaneous matters. 15
- (8A) Guarantors of farm debt are also protected by the restriction on enforcement actions under **section 10** (*see section 57*).
- (9) This section and **section 5** are a guide only to the general scheme and effect of this Act.
- 5 Outline of mediation requests and mediation process** 20
- (1) A farmer or a creditor may request mediation using the procedure set out in **sections 14 to 17**.
- (1A) A request to mediate may be accepted or declined (*see section 16*). However, a creditor may only decline if they have a good reason to do so (*see section 16A*). Declining to mediate (which includes failing to reply to a request—*see section 18*) can result in a certificate being issued. 25
- (2) If the farmer and creditor agree to mediate, the mediation process begins. The parties have 60 working days to complete the mediation process. However, this period can be extended if both parties agree (*see section 23*).
- (3) The mediation process contains the following steps: 30
- (a) the parties appoint a mediator (*see section 19*):
- (b) the parties enter into a procedure agreement (*see section 20*). This agreement sets out the arrangements between the parties about how the mediation will be conducted. The agreement must include an agreement about the costs of mediation. However, the farmer cannot be required to pay more than \$2,000 towards the mediator’s costs (*see section 21*): 35
- (c) mediation is conducted using that procedure agreement (*see section 22*):
- (d) the mediator gives a report to the chief executive (*see section 25*). That report includes a summary of the mediation process. 40

- (4) The farmer and creditor must participate in each step of the mediation process in good faith (*see section 24*). Failure to participate in good faith can result in a certificate being issued.
- (5) The mediator may discuss the possibility of a multi-party mediation (for example, by inviting the farmer's other creditors to participate in the mediation). **Section 57A** applies if there is a multi-party mediation. 5

10

Part 2**Restrictions on enforcement of farm debt**

Subpart 1—Restrictions on enforcement of farm debt

9A Meaning of enforcement action

- (1) An **enforcement action**, in relation to a security interest in farm property,— 15
 - (a) means an action that is taken to enforce a security interest in farm property following a default; and
 - (b) includes—
 - (i) appointing a receiver of the farm property under a power contained in an instrument relating to the security interest; or 20
 - (ii) applying for an order for the appointment of a receiver of the farm property for the purpose of enforcing the security interest; or
 - (iii) serving a notice under section 119 or 128 of the Property Law Act 2007; or
 - (iv) entering into possession, or assuming control, of the farm property for the purpose of enforcing the security interest; or 25
 - (v) appointing a person to enter into possession or assume control of the farm property (whether as agent for the creditor or for the farmer) for the purpose of enforcing the security interest; or
 - (vi) exercising, as a creditor or as a receiver or person so appointed, a right, power, or remedy existing because of the security interest, whether arising under an instrument relating to the security interest, under a written or unwritten law, or otherwise. 30

Example

A hazelnut grower misses a payment that is due under a farm debt that is secured by a charge over the grower's vacuum harvester.

35

The creditor sends a letter reminding the grower to make the payment. That letter is not an enforcement action.

Payment is still not made. The creditor sends another letter, which includes a notice under section 128 of the Property Law Act 2007 for the purposes of accelerating the debt. That letter is an enforcement action.

- (2) An action of a creditor specified in **subsection (3)** is to be treated as if it were an enforcement action in relation to a security interest in farm property (and, accordingly, the restriction in **section 10** applies to those actions).
- (3) The actions are—
- (a) appointing an administrator of a farmer under section 239K of the Companies Act 1993; or
 - (b) applying for an order for the appointment of an administrator of a farmer under section 239L of the Companies Act 1993; or
 - (c) applying for an order for the appointment of a liquidator of a farmer under section 241 or 342 of the Companies Act 1993; or
 - (d) appointing a receiver of the whole, or substantially the whole, of the assets and undertaking of a farmer; or
 - (e) applying for a farmer to be adjudicated bankrupt under section 13 of the Insolvency Act 2006; or
 - (f) another action that is similar to any of those set out in **paragraphs (a) to (e)**.
- (4) *See also section 57* (which provides that enforcement actions in relation to a security interest in any property of a guarantor, or actions of a kind set out in **subsection (3)** taken in relation to the guarantor, are treated as actions in relation to a security interest in farm property).

10 When creditor cannot take enforcement action

- (1) A creditor must not take an enforcement action in relation to a security interest in farm property unless an enforcement certificate is in force in respect of the relevant farm debt.
- (2) A creditor must not take an enforcement action in relation to a security interest in farm property if there is a prohibition certificate in force in respect of the relevant farm debt.
- (3) This section does not affect an enforcement action in relation to property that is not farm property (*but see section 57*, which extends the restriction in this section to enforcement actions in relation to non-farm property owned by a guarantor).
- (4) *See subpart 4* for when a certificate may be issued.
- (5) *See also section 54* (which provides that certain applications for administrative review act as a stay on enforcement action).

- (6) *See also section 57* (which provides that enforcement actions in relation to security interests granted by guarantors are also subject to this provision).

Compare: Farm Debt Mediation Act 1994 ss 5(3)(c), 8(1) (New South Wales)

11 Restriction does not apply if parties enter into mediation agreement

Section 10 does not apply if the parties have, at any time in the 3 years before the enforcement action, entered into a mediation agreement under this Act in relation to the farm debt. 5

Example 1

At the end of a mediation process, the parties enter into a mediation agreement. In the agreement, the creditor agrees that the farmer can do various things before the creditor will take an enforcement action. 10

Despite this, the creditor takes an enforcement action without waiting for the farmer to do those things.

Because there is a mediation agreement, the restriction in **section 10** does not apply. This means that the enforcement action is not void. 15

However, the mediation agreement is binding (see **section 29**) and the farmer can enforce that agreement against the creditor.

Example 2

A dairy farmer defaults 3 years after a mediation agreement is entered into. The creditor wants to take an enforcement action. 20

Because the mediation agreement was entered into more than 3 years before the enforcement action, the restriction in **section 10** applies. If the creditor wants to take an enforcement action in respect of the default, the creditor must first obtain an enforcement certificate.

12 Restriction does not apply if farmer is subject to insolvency proceeding or process 25

- (1) **Section 10** does not apply if the farmer under the relevant farm debt is subject to an insolvency proceeding or process.

- (2) The end of an insolvency proceeding or process does not affect an enforcement action (the **action**), and the action may continue and be completed as if **sub-section (1)** still applied, if— 30

(a) the action was commenced or is in progress while the farmer is subject to an insolvency proceeding or process; or

(b) the action is linked to another enforcement action, and that other enforcement action was commenced or was in progress while the farmer was subject to an insolvency proceeding or process. 35

Example

While an avocado grower is in bankruptcy, a creditor serves notice under section 128 of the Property Law Act 2007. That notice does not become void when the

grower is discharged from bankruptcy, and the creditor may continue to exercise its power to sell the mortgaged goods.

13 Enforcement action in contravention is void

- (1) An enforcement action taken in contravention of **section 10** is void.
- (2) However, nothing in **subsection (1)** affects— 5
 - (a) section 184 of the Property Law Act 2007 (which provides protection to a person who purchases mortgaged property from a mortgagee or receiver); and
 - (b) section 124 of the Personal Property Securities Act 1999 (which provides, in the case of transfer of collateral sold by a secured party, for a purchaser to acquire good title to goods); and 10
 - (c) section 51 of the Land Transfer Act 2017 (which provides, in the case of a transfer of an estate or interest in land, for title by registration except as provided for by that section); and
 - (d) the provisions of any other enactment or law that protects a purchaser who purchases property from or through a creditor in good faith, or any person claiming through such a purchaser. 15

Subpart 2—Mediation process

Mediation requests 20

14 Farmer may request mediation at any time

- (1) A farmer who owes a farm debt to a creditor may request mediation in accordance with this Act in relation to the farm debt at any time.
- (2) However, a farmer may not request mediation under **subsection (1)** if there is an enforcement certificate in force in respect of the farm debt. 25
- (3) The request must—
 - (a) be given to the creditor in writing; and
 - (b) comply with any published requirements (*see* **section 60**).

Compare: Farm Debt Mediation Act 1994 s 18B (New South Wales)

15 Creditor may request mediation at any time after default 30

- (1) A creditor who is owed a farm debt by a farmer may request mediation in accordance with this Act at any time after a farmer is in default of that farm debt.
- (2) However, a creditor may not request mediation under **subsection (1)** if there is a prohibition certificate in force in respect of the farm debt. 35
- (3) The request must—

- (a) be given to the farmer in writing; and
- (b) comply with any published requirements (*see section 60*).

Compare: Farm Debt Mediation Act 1994 s 18A (New South Wales)

16 Reply to mediation request

- (1) A party must reply to a mediation request within 20 working days after receiving the request. 5
- (2) The reply must—
 - (a) be in writing; and
 - (b) state whether the party agrees to mediate; and
 - (c) comply with any published requirements (*see section 60*). 10
- (2A) A creditor who declines to mediate must also state the reason for declining in their reply (*see also section 16A*).
- (3) *See section 18* (which provides that failure to reply to the mediation request is treated as a reply declining mediation).

Compare: Farm Debt Mediation Act 1994 ss 18A(3), (4), 18B(4), (5) (New South Wales) 15

16A Creditor must have good reason to decline to mediate

- (1) A creditor must agree to mediate unless there is a good reason for them to decline.
- (2) For the purposes of **sections 32(b) and 33(b)** (which provide for certificate applications on good faith grounds), the following may be treated as evidence that a creditor did not participate in the mediation process in good faith: 20
 - (a) declining an earlier mediation request without good reason; or
 - (b) failing to state a reason for declining an earlier mediation request.

17 Extension of time for farmer's reply

- (1) The chief executive may, on application by a farmer made within 5 working days after receiving a request under **section 15**, extend the time within which a reply must be given under **section 16(1)** if the chief executive considers an extension is reasonably required in the circumstances. 25
- (2) An application must be made in the way required by the chief executive.
- (3) An extension must be no longer than 10 additional working days. 30
- (4) The chief executive—
 - (a) must make a decision on whether to grant an extension as soon as is reasonably practicable after receiving an application; and
 - (b) must give written notice of the decision to the farmer and the other party as soon as practicable after making the decision. 35

18 When mediation is declined

- (1) A party **declines to mediate** if—
- (a) they fail to respond to a mediation request within the period specified in **section 16(1)** (as extended by **section 17**, if applicable); or
 - (b) they indicate in writing to the party who made the mediation request that they do not want to proceed with mediation; or
 - (c) they indicate in any other manner that they do not want to proceed with mediation.
- (2) *See* **subpart 4** (which provides that declining to mediate may result in a certificate being issued).
- Compare: Farm Debt Mediation Act 1994 ss 18A, 18B (New South Wales)

*Mediation process***19 Appointment of mediator**

- (1) If the reply under **section 16(2)** contains an agreement to mediate, a mediator must be appointed as follows—
- (a) the farmer must nominate a panel of 3 authorised mediators; and
 - (b) the creditor must accept 1 of those mediators.
- (2) A failure to comply with the provisions of this section within a reasonable time may be treated as evidence that a party has not participated in the mediation process in good faith (*see* **section 24**).
- Compare: Farm Debt Mediation Act 1994 s 18C (New South Wales)

20 Procedure agreement

- (1) Once a mediator is appointed, the parties and the mediator must enter into an agreement relating to the procedure for the mediation.
- (2) The procedure agreement must include an agreement as to how the costs and related expenses of the mediation will be shared (*but see* **section 21**).
- (3) The procedure agreement may include 1 or more of the following matters:
- (a) who has authority to represent and bind the parties:
 - (b) who may attend the mediation, including any guarantors, interested parties, legal counsel, and experts:
 - (c) requirements as to confidentiality and privilege in respect of the mediator, the parties, and any other persons attending the mediation, including who may be informed about any confidential matter:
 - (d) whether the mediator may engage an expert assessor for a stated or any other purpose:
 - (e) how the procedure agreement may be varied or terminated:

- (f) any other matter that the mediator and the parties agree is appropriate to best meet the needs and interests of the parties, having regard to the nature of the issues between the parties.
- (4) A procedure agreement is binding on the parties in accordance with its provisions. 5
- (5) The following may be treated as evidence that a party has not participated in the mediation process in good faith (*see section 24*):
- (a) a failure to enter into a procedure agreement within a reasonable time:
- (b) a failure to comply with the provisions of a procedure agreement without a good reason. 10

21 Costs of mediation

- (1) A farmer must not be required to pay more than \$2,000 towards the costs and related expenses of the mediator.
- (2) A creditor must meet its own costs and expenses in relation to the mediation process. 15
- (3) If a procedure agreement contravenes **subsection (1)**, or is silent as to costs, the parties must be treated as having agreed that the farmer will pay \$2,000 towards the costs and related expenses of the mediator and that the creditor will pay the balance of those costs and related expenses.
- (4) *See also section 56* (which provides that a provision of an agreement that overrides this section is unenforceable) and **section 57A** (which provides for cost sharing in the case of a multi-party mediation). 20

Example

A viticulturist has a loan agreement with a creditor and incurs farm debt under that agreement. The viticulturist defaults on payments, and the creditor initiates mediation under this Act. 25

The loan agreement contains a clause that says the creditor can recover its costs of enforcement of the agreement by adding those costs to the balance of the debt owed by the viticulturist. The parties do not agree on anything specific regarding mediation costs in the procedure agreement they enter into. 30

Both the viticulturist and the creditor spend some time preparing for the mediation, and engage expert assistance as part of that preparation.

The parties agree on a mediator. The mediator's costs and expenses for the mediation, including for time spent preparing for the mediation and actively mediating, come to a total of \$5,500 exclusive of GST. 35

The costs of the mediator and the mediation process are dealt with as follows:

- The viticulturist must pay \$2,000 towards the mediator's costs.
- The creditor must pay the balance of the mediator's costs (\$3,500 plus the amount of the GST).

- The creditor cannot add the balance of the mediator's costs to the debt owed by the viticulturist or recover those costs from the viticulturist in any other way.
- The creditor cannot add the costs of its preparation for the mediation (including any costs of expert assistance) to the debt owed by the viticulturist or recover those costs from the viticulturist in any other way. 5
- The parties are free to come to an agreement that assists the viticulturist in paying for the costs of their preparation for the mediation (including the viticulturist's costs of expert assistance).

22 Conduct of mediation 10

- (1) A mediator—
- (a) may, having regard to the purpose of this Act and the needs of the parties, follow any procedures (whether structured or unstructured) or do any things that the mediator considers appropriate to resolve the issues between the parties promptly and effectively; and 15
 - (b) may receive any information, statement, admission, document, or other material, in any way or form the mediator thinks fit, whether or not it would be admissible in judicial proceedings.
- (1A) A mediator must discuss the advantages and disadvantages of a multi-party mediation with the creditor and farmer if the mediator considers it appropriate (having regard to the purpose of this Act and the needs of the parties). 20
- (2) The provisions of the procedure agreement prevail over **subsection (1)**.
- (3) A mediator does not have power to determine any matter, even if the mediator is required to do so by the parties. 25
- Compare: 2006 No 84 s 81

23 Duration of mediation process

- (1) The parties must proceed to mediation as soon as is reasonably practicable after a procedure agreement is entered into.
- (2) The mediation process may not continue beyond the date that is 60 working days after the date of a mediation request, except with agreement of the parties. 30

24 Parties must mediate in good faith

- (1) The parties must participate in the mediation process in good faith.
- (2) Declining to reduce or forgive a debt or to vary the terms of a debt does not, by itself, demonstrate that the creditor did not participate in the mediation process in good faith. 35
- (3) *See **subpart 4*** in relation to when good faith is relevant to a certificate being issued.

Compare: Farm Debt Mediation Act 1994 s 14(5) (New South Wales)

25 Mediation report

- (1) At the end of the mediation, the mediator must give a report to the chief executive.
- (2) The report must include—
- (a) a summary of the mediation process; and 5
 - (aa) the names of the parties to the farm debt; and
 - (ab) the address for service nominated by each party to the farm debt (*see section 59*); and
 - (c) any other information specified in published requirements (*see section 60*). 10
- (3) The chief executive may require a mediator to give any further information that the chief executive considers reasonably necessary.
- (3A) The mediator must give the parties to the mediation a copy of the mediation report.
- (4) The contents of a mediation report may be used as evidence that a party has not participated in the mediation process in good faith (*see section 24*). 15
- Compare: Farm Debt Mediation Act 1994 s 18O (New South Wales)

*Confidentiality***26 Matters covered in mediation are confidential**

- (1) The mediation agreement and any other matters shared, discussed, agreed, admitted, or determined in, or in the course of, mediation are confidential and— 20
- (a) must not be disclosed by the parties, the mediator, or persons attending the mediation; and
 - (b) are not admissible in a court, tribunal, or other forum or before a person acting judicially. 25
- (2) The provisions of the procedure agreement prevail over **subsection (1)**.
- (3) However, **subsection (1)** does not restrict disclosure—
- (a) by a mediator, to the extent that disclosure is necessary for a mediation report (*see section 25*); or 30
 - (b) by a farmer or a creditor, to the extent that disclosure is necessary for an application for a certificate or in an application for administrative review of a decision whether or not to issue a certificate (*see sections 34, 48, and 50*); or
 - (c) where disclosure is authorised by the High Court; or 35
 - (d) where disclosure is otherwise required by law.

- (4) Despite **subsection (1)**, a mediation agreement is admissible for the purpose of enforcing that agreement (*see* **section 29**).

Subpart 3—Mediation agreement

27 Mediation agreement

- (1) Any agreement reached between the parties in the course of a mediation must be recorded in a mediation agreement. 5
- (2) Failure to reach agreement or to enter into a mediation agreement does not, by itself, demonstrate that the parties have not participated in the mediation process in good faith (*see* **section 24**).

Compare: Farm Debt Mediation Act 1994 s 18K (New South Wales) 10

28 Preparation of and entry into mediation agreement

- (1) The mediator must prepare a draft mediation agreement setting out the main points of agreement between the parties.
- (2) A draft mediation agreement must comply with any published requirements (*see* **section 60**). 15
- (3) The parties may enter into a mediation agreement by signing it.
- (4) A mediation agreement can be varied or replaced in the same manner as it is entered into.
- (5) A defect in form or a technical irregularity does not invalidate a mediation agreement. 20

Compare: Farm Debt Mediation Act 1994 s 18J (New South Wales)

29 Enforcement of mediation agreement

- (1) A mediation agreement is binding on the parties who enter into it.
- (2) However, a mediation agreement is not enforceable by a creditor unless the time during which the farmer may cancel the agreement under **section 30** has expired and the farmer has not given notice of cancellation within that time. 25
- (3) *See also* **section 11** (which provides that the restriction in **section 10** does not apply if the parties have entered into a mediation agreement under this Act).

Compare: 1986 No 121 s 36N 30

30 Right to cancel mediation agreement

- (1) A farmer may cancel a mediation agreement by giving written notice of the cancellation to the creditor (or the creditor's legal representative) within 10 working days after the date on which the mediation agreement is signed by the parties. 35
- (2) This section does not limit a person's right to cancel a mediation agreement under any other enactment or law.

- (3) *See* **section 57A** for cancellation notices in the case of a multi-party mediation.

Compare: 1986 No 121 s 36M; 2003 No 52 s 27

31 Effect of cancellation

- (1) If a mediation agreement is cancelled under **section 30**, the agreement is treated as if it had never been entered into. 5

- (2) Cancellation of a mediation agreement under **section 30** does not, by itself, demonstrate that the creditor did not participate in the mediation process in good faith.

Compare: Farm Debt Mediation Act 1994 s 18M (New South Wales)

	(c) in the case of a prohibition certificate, is in force for 6 months.	
(2)	<i>But see section 54</i> (which provides that certain applications for administrative review act as a stay on enforcement action).	
	Compare: Farm Debt Mediation Act 1994 s 15 (New South Wales)	
41	Effect of expiry of enforcement certificate	20
	The expiry of an enforcement certificate does not affect an enforcement action (the action), and the action may continue and be completed as if the enforcement certificate were still in force, if—	
	(a) the action was commenced or is in progress before the expiry of the enforcement certificate; or	25
	(b) the action is linked to another enforcement action, and that other enforcement action was commenced or was in progress before the expiry of the enforcement certificate.

- (2) The qualification requirements under **subsection (1)(d)** may include matters that disqualify a person from being authorised as a mediator.

51 Conduct of administrative review

- (1) The chief executive must review the legal basis of, and any assessment or other matters relevant to, the decision under review.
- (2) The chief executive must determine the review on the papers, unless the chief executive considers it is not appropriate to do so. 20
- (3) The chief executive must consider—
 - (a) the application; and
 - (b) any written submissions made by the applicant or by the other party; and
 - (c) any further information provided by the applicant under **section 49(3)**; and 25
 - (d) any other information that the chief executive considers relevant.
- (4) The individual who made the reviewable decision under a delegation by the chief executive must not review the decision.

- (1) The chief executive must determine an application within 20 working days after the day on which the application is received.
- (2) The chief executive must determine an application by—
 - (a) confirming the decision under review; or
 - (b) withdrawing the decision under review and, if appropriate, substituting a new decision in its place. 35

- (3) The chief executive may extend the period specified in **subsection (1)** for determining an application for as long as is reasonably necessary if, in the chief executive's opinion, the circumstances of the case do not allow a determination to be made within the specified period.
Compare: 2018 No 4 Schedule 7 cl 4 5
- 53 Notice of determination**
- (1) The chief executive must, as soon as practicable after determining an application, give written notice of the determination to the applicant and, in the case of an application by a creditor or a farmer, to the other party to the farm debt.

- (b) enclose a copy of any certificate that is issued as a result of the determination.

- (b) a decision to refuse a prohibition certificate.
- (2) Despite **sections 10 and 40**, a creditor must not take enforcement action until notice of the determination is given under **section 53**. 20
Compare: Farm Debt Mediation Act 1994 s 18Q (New South Wales)
- 55 Appeals on question of law**
- There is a right of appeal to the High Court, on a question of law only, against any determination under **section 52**.
- Subpart 3—Miscellaneous 25
- 56 No contracting out**
- (1) The provisions of this Act have effect despite any provision to the contrary in any agreement.
- (2) A provision of an agreement that has the effect of overriding a provision of this Act (whether directly or indirectly) is unenforceable. 30
- (3) Nothing in **subsection (1) or (2)** applies in respect of a provision that imposes a stricter duty on the creditor than would be imposed under this Act.
- (4) In this section, **agreement** includes any contract, guarantee, arrangement, or understanding. 35
Compare: 1986 No 121 s 5C

57 Restriction applies to guarantors

- (2) A debt incurred by a guarantor under a farm debt guarantee is to be treated as forming part of the farm debt.
- (3) An action is to be treated as if it were an enforcement action in relation to a security interest in farm property if the action— 5
- (a) is of a kind set out in **section 9A(1)**; and
 - (b) is taken in relation to any property owned by a guarantor (whether or not that property is farm property); and
 - (c) is taken in connection with a guarantor's obligations as a guarantor under a farm debt guarantee. 10
- (4) An action is to be treated as if it were an enforcement action in relation to a security interest in farm property if the action—
- (a) is of a kind set out in **section 9A(3)**; and
 - (b) is taken in relation to a guarantor (rather than a farmer); and
 - (c) is taken in connection with a guarantor's obligations as a guarantor under a farm debt guarantee. 15
- (5) Accordingly, the restriction in **section 10** applies to—
- (a) any enforcement action (within the meaning of **section 9A**) in relation to a security interest granted by the guarantor in connection with the farm debt: 20
 - (b) actions of a kind set out in **section 9A(1)** taken against non-farm property owned by a guarantor, as well as farm property:
 - (c) actions of a kind set out in **section 9A(3)** (~~appoint an administrator~~ appointing an administrator of a guarantor, etc) taken in relation to a guarantor. 25
- (6) In this section, **farm debt guarantee** means—
- (a) a guarantee given in connection with a farm debt; or
 - (b) an existing guarantee that applies in connection with a farm debt.

Example

A creditor lends money to a company. The company is engaged in the growing of hops and owns the farming business and its associated assets. It is the borrower under the loan, and the loan is a farm debt. 30

However, the company does not own the land that the farm is located on. Instead, the farm land is owned by the 2 directors of the company and a third person who, together, hold that farm land as trustees of a family trust. The family trust also owns a residential property nearby. 35

As part of the loan arrangements, the trustees give the creditor an unlimited guarantee (guaranteeing the payment of the debts that the company owes to the creditor). This guarantee is given in connection with the farm debt of the company.

The trustees give the creditor a mortgage over the farm land and the residential property. This mortgage is a security interest.

Because the guarantee was given in connection with a farm debt, the debt that the trustees owe to the bank (if the guarantee is called upon) is treated as part of the farm debt that the farmer incurred. This means that the restriction in **section 10** applies to any enforcement action by the creditor, including (for example) the exercise of the mortgagee's power to sell the farm land or residential property.

The creditor must enter into mediation with the company (the farmer) and obtain an enforcement certificate before it can take an enforcement action in relation to the mortgage given by the family trust. If the company and the creditor agree, the trustees could attend the mediation or be added as a party.

Compare: 2003 No 52 s 119(1)

57A Multi-party mediation

- (1) This section applies if there is a multi-party mediation.
- (2) Each party to the mediation must enter into the procedure agreement under **section 20**. 15
- (3) Each reference to the farmer in **section 21(1) and (3)** is to be treated as if it were a reference to the farmer together with any other party to the mediation who is not a creditor (and, accordingly, the amount is the maximum amount that a farmer and any non-creditor party can collectively be required to pay). 20
- (4) A mediation agreement is binding on the parties who enter into it (*see section 29(1)*).
- (5) Any party to the mediation agreement, other than a creditor, may exercise the right of cancellation under **section 30**.
- (6) The notice of cancellation under **section 30** must be given to all the parties who entered into the agreement. 25
- (7) If a mediation agreement is cancelled, the agreement is treated as if it had never been entered into by any of the parties (*see section 31*).
- (8) The notices under **sections 35, 38, 50, and 53** must be given to all parties to the mediation who are parties to the farm debt that the application relates to. 30

57B Appointment of receiver allowed by court order in event of urgency

- (1) This section applies if—
 - (a) the creditor has reasonable grounds to believe that there is an event of urgency; and
 - (b) but for **section 10**, a creditor would have a power to appoint a receiver or a right to apply for an order for the appointment of a receiver of farm property. 35
- (2) A creditor may apply to the High Court for an order allowing the creditor to appoint a receiver despite the restriction in **section 10**.
- (3) The court may make an order if it is satisfied that— 40

-
- (a) there is an event of urgency; and
- (b) the appointment of a receiver is necessary or desirable—
- (i) to safeguard the interests of the creditor; or
- (ii) in the case of an application in respect of an event of urgency described in **subsection (7)(c)**, to safeguard the welfare of the animals. 5
- (4) The court may make an order on whatever terms and conditions the court thinks fit.
- (5) In imposing any terms and conditions, the court must balance—
- (a) the need to allow the receiver to eliminate or minimise the effects of the event of urgency; and 10
- (b) the need to preserve, to the extent possible, the parties' opportunity to use mediation for the purpose set out in **section 3**.
- (6) The terms and conditions may, without limitation,—
- (a) specify whether, and if so how and when, mediation must occur under this Act: 15
- (b) modify or suspend, in whole or in part,—
- (i) the receiver's powers under the Receiverships Act 1993 or any other enactment or instrument (for example, by restricting the receiver from taking any enforcement action): 20
- (ii) the terms and conditions of any instrument relating to the creditor's security interest:
- (c) specify the duration of the appointment (for example, by specifying that the receiver must cease to act as such from a specified date or in the event of specified circumstances occurring): 25
- (d) provide for how the receivership may be terminated and the effect of that termination.
- (7) In this section, an **event of urgency** means 1 or more of the following:
- (a) the whole or part of any farm property subject to the creditor's security interest has been or will be destroyed, endangered, removed, or sold contrary to the terms of the farm debt or the security interest: 30
- (b) the whole or part of any farm property subject to the creditor's security interest has been or will be damaged contrary to the terms of the farm debt or the security interest, resulting in a substantial decline in the value of the property: 35
- (c) an animal that is subject to the creditor's security interest has been suffering or will suffer unreasonable or unnecessary pain or distress.

59 Notices

The chief executive may give notice under this Act—

- (a) by sending it to the recipient's last known place of residence, place of business, or registered address; or
