Māori Purposes Bill

Government Bill

As reported from the Māori Affairs Committee

Commentary

Recommendation

The Māori Affairs Committee has examined the Māori Purposes Bill and recommends that it be passed. We recommend all amendments unanimously.

Introduction

The Māori Purposes Bill is an omnibus bill that would amend four Acts related to Māori development: the Maori Community Development Act 1962, the Maori Purposes Act 1959, the Maori Trust Boards Act 1955, and Te Ture Whenua Maori Act 1993. The proposed amendments are considered minor and non-controversial. They are intended to provide Māori entities with more autonomy, and make administrative compliance easier.

Legislative scrutiny

As part of our consideration of the bill, we have examined its consistency with principles of legislative quality. We have no issues regarding the legislation's design to bring to the attention of the House.

Proposed amendments

Our proposed amendments are minor and technical. We do not consider that the submissions we considered call for any amendments to the bill.

Consistency with current legislation

Schedule 3 of the bill would amend the Rotoaira Trout Fishing Regulations 1979. Shortly before this bill was introduced to the House, these regulations were amended by the Legislation Act (Sub-delegated Secondary Legislation) Regulations 2021. To ensure the bill is consistent with current legislation, we recommend amending Sched-

ule 3 to take into account changes made by the Legislation Act (Sub-delegated Secondary Legislation) Regulations 2021.

Correcting capitalisation

Part 2, clause 15(4) would amend the Maori Purposes Act 1959 to provide for the definition of “Taupo district”. We recommend amending clause 15(4) to read “Taupo District”.

Appendix

Committee process

The Māori Purposes Bill was referred to the committee on 25 November 2021. The closing date for submissions on the bill was 26 January 2022. We received and considered five submissions from interested groups and individuals. We heard oral evidence from two submitters at hearings held via videoconference.

We received advice on the bill from Te Puni Kōkiri. The Office of the Clerk provided advice on the bill's legislative quality. The Parliamentary Counsel Office assisted with legal drafting.
