E ai ki tērā nā Te Komiti Whiriwhiri Take Māori i pūrongo

#### Ngā Kōrero

#### Tūtohutanga

Kua tirohia e Te Komiti Whiriwhiri Take Māori Te Pire Whakatikatika Kāwanatanga ā-Rohe (Rētitanga o te Whenua Māori). Kīhai te komiti i whakaae ki te tūtohu kia whakamanatia. Heoi ka tūtohu tahi mātou katoa kia whakamana Te Whare i ngā menemana e takoto ana i raro nei mēnā ka whakatauria kia kōkiri te pire.

### Te rētitanga o ngā poraka whenua whirīhoura Māori huhua hei poraka kotahi

Ka whakaurua e te Rārangi 11 i whakaurua rā tētahi wāhanga hou ki te Pire, te 20A, kia āhei ai te mahi i ngā poraka huhua o te whenua Māori hei poraka kotahi. Ka wātea

E whakapono ana mātou ka whakataurite tēnei āhuatanga i te hātepe pai e tau ai ngā āwangawanga i whakapuakina e ētahi kaitāpae e hiahia ana kia whakahaua ngā whakatauranga.

## Te aukati i te hokonga o te whenua Māori i hurihia hei whenua arowhānui i raro i te Māori Affairs Amendment Act 1967

Ka whakarerekē te rārangi 37 o te pire i whakaurua rā i te wāhanga 78 o te Ture hei aukati i te Kōti ā-Rohe kei whakamanatia te hokonga, te rīhitanga rānei o te whenua i whakarērea, māna e ea ana ōna whakaaro ehara tērā i te whenua whirīhoura Māori i hurihia hei whenua arowhānui i raro i te Māori Affairs Amendment Act 1967. Waihoki ina e puritia tonutia ana te whenua e aua kaipupuri anō rā (e ō rātou uri rānei), ā, e whiwhi painga tonu ana rātou.

E hiahia ana mātou ki te whakapakari i te ritenga nei ki te tūraru kei hokona pokerehūtia te whenua Māori. Ka marohi mātou kia paiherea te mana takiwā, te rapu nei i te whakaaetanga o te kōti ki te hoko, ki te rīhi rānei i te whenua i whakarērea, ki te whakaatu ehara taua whenua i te whenua whirīhoura Māori i mua atu, te whakamāramatia i runga nei. Ka tūtohu mātou kia whakaurua te rārangi hou 36A hei menemana i te wāhanga 77 o te Ture. Ka whakahau tā mātou menemana i tētahi mana takiwā ki te hoatu taunakitanga ki te Kōti ā-Rohe ehara te whenua i whakarērea i te momo whenua e whakamāramatia ana i roto i te wāhanga hou 62A(1) e marohitia nei.

#### Te mana o te tumuaki ki te whakakore rēti

Ka whakauru te rārangi 39 o te pire i ngā wāhanga hou ki te Ture, te 90A me te 90D. Ka whakaritea e aua wāhanga hou te pūatatanga ā-pūtea, ā, ka hoatu ki te tumuaki o tētahi mana takiwā, ki tōna māngai rānei, te mana ki te whakakore i ngā rēti kāore e taea te kapo.

Ka tūtohu mātou kia menemanatia te wāhanga hou e marohitia ana, te 90A(1), kia kī me (kaua ko te 'ka taea') whakakore ngā rēti mēnā ki ngā whakaaro o te tumuaki e kore e taea "tōkeketia" te kapo. Ka mārama kehokeho te tohutohu ki te tumuaki ki te whakatūturu ka whakamahia tōna mana mehemea he pēnei ōna whakaaro. He mea whakahoahoa te tōkeketanga mō te whakawānga o te āheinga ki te kapo i ngā rēti kia mārama ai me kaua e noho te whakakorenga hei mahi tōtika mēnā e korekore rawa e taea ngā rēti te kapo.

Ka tūtohu hoki mātou kia whakaurua te rārangi hou 90A(2) kia wātea ai te kaiwhakautu rēti ki te tono kia whakaarohia e te tumuaki tētahi whakakorenga rēti i raro i te wāhanga (1). Ka herea te tumuaki ki te whakamōhio ā-tuhi i te kaiwhakautu rēti ki tana whakatau i roto i ngā rā e 30. E mōhio ana mātou ka āhei te tuku ki te Kaitiaki Mana Tangata i ngā amuamu e pā ana ki ngā whakatau, he ōkawa nō te hātepe tono.<sup>1</sup>

#### Ngā takiwā rēti wehewehe i runga whenua Māori

Ka hoatu te rārangi 46 (e whakauru ana i ngā wāhanga 98A ki te 98F) i te wāhi ki ngā takiwā rēti wehewehe i runga whenua whirīhoura Māori, te rētitia nei hei kotahi i te wā nei. Ko te pūtake o te ritenga ko te whakamana i ngā kainoho o ngā kāinga ki te whai wāhi ki te hōtaka whakahoki rēti, ā, ko te whakamārama i te whakahaerenga rēti. He uaua ngā hātepe i te wā nei, mēnā he huhua ngā kāinga i runga i te poraka kotahi.

#### Te whakawehenga o ngā takiwā rēti wehewehe

I raro i te wāhanga 98A hou, ka āhei te mana takiwā ki te whakatau he takiwā rēti wehewehe tētahi poraka whenua Māori inā ka tonoa, mehemea he nōhanga te whenua e whakamahia wehetia ana i ētahi atu whenua o te poraka rēti.

Ka tūtohu mātou kia whakaurua te wāhanga hou (4A), ka herea te mana takiwā ki te whakamōhio i te/ngā kaiwhakautu rēti ki tētahi tono ki te hanga i tētahi takiwā rēti wehewehe. Ka whakatūturu tā mātou menemana ka whakamōhiotia ngā kaipupuri ki tētahi tono mō tētahi takiwā rēti wehewehe i runga i tētahi whenua Māori, ina karekau ōna hanganga whakahaere ōkawa, ā, whakahaeretia tahitia ai te whenua e ngā kaipupuri katoa. Ka whakamahia tēnei mēnā kāore te whenua i te whakahaeretia e tētahi poutiaki, mēnā kāore te whenua i te puritia e tētahi kaporeihana e whai hanganga whakahaere kē rānei.

<sup>&</sup>lt;sup>1</sup> Tirohia ngā wāhanga 13 ki te 26 o te Ombudsmen Act 1975.

E mātau ana mātou tērā pea ka pōhēhētia he hoatu tikanga noho rānei, he hoatu pānga ki te whenua te hanganga o tētahi takiwā rēti wehewehe. Ka tūtohu mātou kia whakaurua te wāhanga hou (6) kia mārama kehokeho ai e kore e hangā he tikanga noho, he pānga ki te whenua rānei i runga i te hanganga o tētahi takiwā rēti wehewehe.

#### Te whakawehenga o ngā rēti i waenga i ngā takiwā rēti wehewehe

Tērā te wāhanga hou 98B, ka tūtohu mātou kia menemanatia te kōwae (d) hei whakamārama iho me tairite te wāwāhanga o tētahi utu i raro i te wāhanga 15(1)(b) o te Ture i waenga i tēnā me tēnā o ngā takiwā rēti wehewehe. He tapeketanga tēnei, ā, ka pā ki ngā takiwā rēti wehewehe katoa, ki tētahi takiwā rēti e toe ana hoki. Me hāngai te wāwāhanga pēnei ki tā te mana takiwā whakamārama o tētahi poraka e whakamahia wehetia ana, e nōhia wehetia ana rānei. Waihoki ka kore e hua ake ētahi atu utu i runga i tēnei āhuatanga.

## Te whakakorenga o ngā rēti mō ngā whenua whirīhoura Māori e whakawhanaketia ana

Ka whakauru te rārangi 48 i te rārangi 114A hou e hanga ana i tētahi hātepe ā-ture whakakore rēti mō ngā whenua Māori e whakawhanaketia ana. Ka mea te rārangi 1 e marohitia nei, ko te pūtake o taua ritenga he tautoko i te nōhanga, te whanaketanga, me te whakamahinga o ngā whenua Māori hei painga mō ngā kaipupuri.

Ka tūtohu mātou kia menemanatia te wāhanga hou 114A(3) kia rīwhitia ngā kupu "whakakorea ngā rēti" ki te "whanaketanga". Ka tūhono rawa ngā kupu i whakaurua i te whakakore rēti ki ngā painga e whakaarohia ana. Mā tā mātou menemana e tahuri ai te aro o te whakakorenga ki ngā painga whānui o te whanaketanga.

Ka tūtohu hoki mātou kia whakaurua hei kōwae hou (e) ngā painga mō ngā kaipupuri e ahu mai ana i ngā mahi tautoko i te nōhanga, te whanaketanga, me te whakamahinga o ngā whenua Māori.

Hei whakakapi ake, ka tūtohu mātou kia whakamāramatia ki roto i te wāhanga hou 114A(4)(c) ko ngā paearu e whakaaetia ai te whakakorenga rēti. Ka hāngai pea ngā paearu ki te tīmatanga o te whanaketanga, te otinga o te whanaketanga, ki tētahi atu wāhanga o te whanaketanga rānei. Mā konei e whai mana ai te mana takiwā ki te whakaae ki tētahi whakakorenga rēti mai anō i te tīmatanga o tētahi whanaketanga o te whenua. Me te aha, ka māia ngā kaipupuri ki te kōkiri i te whakamaheretanga, i te whakaritenga pūtea hoki mō ngā whanaketanga, i runga i te mōhio ka whakakorea ngā rēti i te tīmatanga o te whenua.

# Ehara te rēhitatanga ki te Hōtaka Tauhoko Puhanga i te whakamahinga o te whenua

Ka tūtohu mātou kia menemanatia te rārangi 50(6) o te pire hei whakatūturu ehara te rēhitatanga o te whenua Māori ki te Hōtaka Tauhoko Puhanga (ETS) i te whakamahinga o taua whenua. Ka āta whakamāramatia tēnei hanga i roto i te pire, ka tūturu ai ka kore e whakapāhunutia te rēhitatanga o taua tū whenua. Pakari noa te ngahere, ka

kore e tika ki te whakautu tonu i ngā rēti, he mutu nō te whiwhinga pūtea mai i ngā tukunga waro.

Ka mōhio hoki mātou he nui rawa ngā whenua Māori e taupāngia ana, ā, mēnā ehara i te whenua Māori ka noho pea hei wāhanga o ngā whenua e tiakina ana e Te Papa Atawhai e kore nei e taea te rēti.

#### Te pūtea me ngā kaupapa here pūtea

Ka tūtohu mātou kia menemanatia te rārangi 52 hei whakamārama ake e hāngai ana ngā mātāpono e whakatakotoria ana i Te Ture Whenua Māori 1993 ki te kaupapa here mō te moni whiwhi me te pūtea; ki te kaupapa here o ngā tukunga mō te whanaketanga, o ngā tukunga pūtea rānei; tae atu ki ngā whakakorenga rēti me ngā kaupapa here hikinga katoa hoki.

#### Ngā whakaaro o te Pāti Nāhinara o Aotearoa

I whakaurua te pire nei ki Te Whare i te Taite te 27 o Huitanguru, 2020. I muri tata mai i te whakaurunga, ka noho rāhui te motu i runga i te pānga mai o te Mate Urutā Karauna, ka hīkina ngā huihuinga o Te Whare, me te aha ka wātea ngā komiti ki te huihui ā-whitiata noa iho. Nā runga i ēnei take, ā, ahakoa te hikinga o te rā pūrongo mā te kotahi marama, e whakapono ana a Nāhinara kāore i rawaka te hātepe nei kia tika ai te whakaaroaro i ngā kai ō roto o te pire.

E pupuri ana a Nāhinara ki tāna, arā me tuhi anō Te Ture Whenua Māori 1993 katoa kia ū tika ai te takune ā-kaupapa here o te pire nei. He wāwāhi nō te pire nei, i ōna tuhinga kupu onāianei, i ngā whakatureture Whenua Māori o te wā nei.

E āwangawanga ana a Nāhinara kei whakarite te pire i tētahi ritenga whakakore rēti e kaha ake ana te tautoko i tētahi hunga, tēnā i tētahi hunga. Ahakoa te tautoko a Nāhinara i te takune o te pire, arā te hurihanga o te whenua Māori huakore hei whenua whaihua, e noho tonu ana te pupuritanga o te whenua Māori e ngā kaipupuri tokomaha hei take nui, e kore pea e rongoātia e tētahi ritenga whakakore rēti.

E māharahara ana a Nāhinara kāore i āta whakaarohia e te Kāwanatanga ngā pānga o te pire nei ki ngā kaipupuri whenua, nāna nei te whenua i whakatapu mō tōna uara ātaiao, mō ōna wai rere hoki. Ko te hua pea o te hanganga e whakatūria ana e te pire e tuhia pēneitia ana, ko te whenua huakore, kāore hoki ngā rēti e whakakorea. Me te aha ka hē kē atu ngā tautohetohe i waenga i ngā kaipupuri whenua me ō rātou kaunihera.

Waihoki, ka huri tuarā te pire ki ngā kaunihera nāna nei i whakauru ngā hātepe whakawhāiti rēti, me te āheinga hoki ki te whakakore i ngā rēti hītori, i ngā nama hoki. Me te aha ka hāmenetia ngā kaunihera kua oti kē i a rātou aua pūnaha te whakatū.

Hei whakakapi ake, e āmaimai ana a Nāhinara i ngā mana herekore e whakaurua ana e te pire nei. Mā reira ngā Tumuaki o ngā Kaunihera e wātea ai ki te whakakore i ngā rēti hītori, i ngā nama hoki, me te kore noa ō ētahi pūnaha haepapa hei pūrongo i ngā hātepe, i ngā tukanga e hiahiatia ana hei whakamahi i aua mana.

Government Bill

As reported from the Māori Affairs Committee

#### **Commentary**

#### Recommendation

The Māori Affairs Committee has examined the Local Government (Rating of Whenua Māori) Amendment Bill. The committee is unable to agree to recommend that it be passed. However, we recommend unanimously that the House adopt the amendments set out below if it decides that the bill should proceed.

#### Introduction

The Local Government (Rating of Whenua Māori) Amendment Bill seeks to broadly support owners of Māori freehold land to engage with, use, develop and live on their land. It also modernises some aspects of the Local Government (Rating) Act 2002 that are inconsistent with today's expectations of Māori–Crown relationships.

As well as amending the Local Government (Rating) Act, the bill would make minor amendments to other legislation, including the Local Government Act 2002, Te Ture Whenua Maori Act 1993, and the Rates Rebate Act 1973.

#### **Proposed amendments**

This commentary covers the main amendments we recommend to the bill as introduced. We do not discuss minor or technical amendments.

#### Rating multiple blocks of Māori freehold land as one

As introduced, clause 11 would insert new section 20A into the Local Government (Rating) Act, to enable two or more blocks of Māori land to be rated as one. A person using multiple blocks of land as a single economic unit may make an application to have them treated as one for the purposes of a rates assessment. The application must

be accepted by the local authority if it is satisfied that they have originated from the same block.

#### Clarifying the origin of Māori land blocks

We recommend amending new section 20A(2)(b) to clarify that "same block" means the first Māori land block that was held in an instrument of title and that the local authority only needs to be satisfied that the land in question is derived from that same original block.

#### Establishing when a local authority may be satisfied

We recommend inserting new section 20A(2A) to provide a default presumption that a common block name in the legal description of a group of titles is sufficient evidence for a local authority to be satisfied of a block's origin. Our amendment would make explicit the bill's intention that conclusive evidence is not required for this provision to be applied.

As introduced, new section 20A(3) provides that, if a local authority is not satisfied of the origin of the blocks, it may seek a determination from the Registrar of the Māori Land Court. We recommend replacing this section to add that not only may it seek a determination from the Court, but it must do so if asked by the applicant. We believe this balances an efficient process against concerns raised by some submitters to require determinations.

# Preventing the sale of Māori land that was converted to general land under the Māori Affairs Amendment Act 1967

Clause 37 of the bill as introduced would amend section 78 of the Act to prevent the District Court from authorising the sale or lease of abandoned land unless it is satisfied that the land is not land that was once Māori freehold land that was converted to general land under the Māori Affairs Amendment Act 1967 and that is still beneficially owned by the same owners (or their descendants).

We wish to strengthen the provision against the risk of inadvertent sale of Māori land. We propose doing so by placing an obligation on the local authority, when seeking court approval to sell or lease abandoned land, to demonstrate that the land was not once Māori freehold land of the type described above. We recommend inserting new clause 36A to amend section 77 of the Act. Our change would require a local authority to provide evidence to the District Court that the abandoned land is not of the type described in proposed new section 62A(1).

#### Power of chief executive to write off rates

Clause 39 would insert new sections 90A to 90D into the Act. These new sections would provide for financial transparency and empower the chief executive of a local authority, or their delegate, to write off rates that cannot be recovered.

We recommend amending new section 90A(1) to require that rates must (as opposed to "may") be written off if a chief executive is of the opinion that they cannot

"reasonably" be recovered. This would make a clear directive to chief executives to ensure that their power is to be exercised if they are of that opinion. The addition of reasonability to the test of whether rates are recoverable is designed to make it clear that a write-off should not be seen as appropriate only when rates are practically impossible to recover.

We also recommend inserting new section 90A(2) to enable a ratepayer to make an application requesting the chief executive to consider a rates write-off under subsection (1). The chief executive would be required to notify the ratepayer of their decision in writing within 30 days. We note that providing for a formal application process would enable complaints about decisions to be referred to the Ombudsman.<sup>2</sup>

#### Separate rating areas on Māori land

Clause 46 (inserting new sections 98A to 98F) provides for separate rating areas on Māori freehold land that is currently rated as a whole. The purpose of the provision is to enable occupants of homes to access the rates rebate scheme and to generally simplify the administration of rates. These processes are currently complex when several homes exist on the same block.

#### Setting separate rating areas

Under new section 98A a local authority, if requested, would be able to determine part of a block of Māori land to be a separate rating area if it comprises a dwelling and is used separately from the other land in the rating unit.

We recommend inserting new subsection (4A) to require the local authority to notify the ratepayer(s) of a request to create a separate rating area. Our recommendation would ensure that owners are notified of a request for a separate rating area on Māori land for which there is no formal governance structure and all owners collectively manage the property. This would only be applicable if the land is not administered by a trust or owned by an incorporation which would already have governance structures.

We acknowledge that creating a separate rating area could be interpreted as providing an occupancy right or interest in the land. We recommend inserting new subsection (6) to make it explicitly clear that creating a separate rating area under this section would not also create a right of occupancy or interest in the land.

#### Dividing rates across the separate rating areas

In regards to new section 98B, we recommend that paragraph (d) be amended to clarify that any charge set under section 15(1)(b) of the Act be apportioned equally. This would be in total and across each separate rating area, and any residual rating area. Apportionment would need to be consistent with the local authority's definition of a

<sup>&</sup>lt;sup>2</sup> See sections 13 to 26 of the Ombudsmen Act 1975.

separately used or inhabited part of a rating unit and could not result in the application of additional charges.

#### Remission of rates for Māori freehold land under development

Clause 48 would insert new section 114A to establish a statutory process for remitting rates on Māori land that is under development. Proposed subsection (1) states that the purpose of this provision is to facilitate the occupation, development, and utilisation of the land for the benefit of its owners.

We recommend amending new section 114A(3) to replace the words "remitting the rates" with "the development". As introduced, the wording closely links the remission of rates to the expected benefits. Our change would refocus the purpose of the remission on the overall benefits of the development.

We also recommend that benefits to owners from facilitating the occupation, development, and utilisation of Māori land be inserted as new paragraph (e).

Finally, we recommend that the conditions under which a rates remission could be granted be clarified in new section 114A(4)(c). The conditions could relate to the commencement of the development, or the completion of the development or any stage of the development. This would enable a local authority to approve a remission from when a development commenced. In turn, this would provide owners with the confidence to proceed with planning and financing developments, confident that a rates remission would occur when development commenced.

#### Registration in the Emissions Trading Scheme is not a use of land

We recommend amending clause 50(6) of the bill to ensure that registration of Māori land in the Emissions Trading Scheme (ETS) does not constitute a use of that land. Making this explicit in the bill would ensure that registration of such land is not discouraged. Once a forest reaches full maturity it would be inequitable to continue to pay rates as the income from carbon credits under the ETS would have ended.

We also note that a considerable amount of Māori land is inaccessible and would likely form part of the Crown's non-rateable conservation estate if it were not Māori land

#### Funding and financial policies

We recommend amending clause 52 to clarify that the principles set out in Te Ture Whenua Māori Act 1993 are relevant to the revenue and financing policy, the development contributions or financial contributions policy, and all rates remissions and postponement policies.

#### **New Zealand National Party view**

This bill was introduced to the House on Thursday, 27 February 2020. Soon after its introduction, the House adjourned owing to the COVID-19 lockdown, meaning committees were only able to meet via videoconference. Owing to these factors, and

despite a one month extension to the report-back date, National believes this process has been insufficient in adequately considering the contents of the bill.

National remains convinced that the policy intent of this bill would be best served through a comprehensive re-write of Te Ture Whenua Maori Act 1993. This is because, as drafted, the bill fragments existing Whenua Māori legislation.

National is worried that the bill would establish a rates remission regime favouring one group over another. While National is supportive of the bill's intent of turning unproductive Māori land into productive land, the multi-ownership nature of Māori land remains an issue in itself that a rates remission regime may not remedy.

National is concerned that the Government has not given enough thought to the ramifications this bill will have on landowners who have set land aside for environmental value and waterways. As drafted, the regime established in the bill could lead to this land becoming unproductive without rates remissions, exacerbating disputes between landowners and their respective councils.

Further, the bill ignores those councils that have already introduced respective rates reduction processes with the ability to write off historic rates and arrears. This effectively penalises councils who already have these systems in place.

Finally, National has concerns over the discretionary powers introduced by the bill. These would allow council chief executives to write off historic rates and arrears without any built-in accountability mechanisms to report on the processes and procedures required to exercise those powers.
