- (1) Where the rights and obligations of a transferor under a contract of service between the transferor and an employee of the transferor are transferred to a transferee under section 4 or section 5, except as otherwise specified in the agreement, proposal, or Order in Council,—
- (a) the employee shall, with effect from the commencement of the transfer date, become an employee of the transferee; and the contract of service shall, from the commencement of that date, apply as a contract between the employee and the transferee; and
 - (b) the contract of service shall be deemed to have been unbroken and the employee's period of service with the transferor, and every other period of service of the employee that is recognised by the transferor as continuous service, shall be deemed to have been a period of service with the transferee; and
 - (c) the employee shall be employed by the transferee with effect from the commencement of the transfer date in the same or substantially the same capacity as the capacity in which the employee is employed immediately before the transfer date; and
 - (d) the employee shall not be entitled to receive any payment or other benefit (including a benefit under any superannuation scheme) by reason of—
 - (i) the transfer; or
 - (ii) the employee ceasing to be an employee of the transferor; or
 - (iii) any change in the capacity in which the employee is employed, so long as the new capacity is substantially the same as the previous capacity.

 - (a) the entitlement of that employee to receive or to retain any payment or other benefit from the transferor or from any other person by reason of so ceasing shall be determined in accordance with a scale fixed by the Minister; and

 - (a) undue hardship to the employee would otherwise result; or

Schedule 1

Provisions relating to transfer of assets and liabilities

ss 9, 22(4)

1 Assets relating to land may be transferred separately

Assets that have been fixed to, or placed under or over, any land may be transferred to a transferee under this Act notwithstanding that no interest in the land is also transferred to the transferee under this Act, and in any such case—

- (a) the assets and the land shall be regarded as separate assets each capable of separate ownership; and
- (b) the assets shall, for the purposes of this Act and of every other enactment or rule of law, be treated as personal property, and not as land or an interest in land, notwithstanding that they are so affixed to, or under or over, land.

2 Transfer of assets where certain terms and conditions prescribed by statute

(1) Where—

- (a) rights or obligations to provide goods or services to third parties are transferred to a transferee under this Act; and
- (b) those goods or services have previously been provided by a transferor on terms and conditions wholly or partly prescribed by any Act; and
- (c) the Governor-General has by Order in Council declared that this subclause shall apply in respect of those goods or services,—

the goods or services shall, to the extent that those terms and conditions are not already contained in contracts between the transferor and third parties, from the date of transfer be deemed to be provided pursuant to contracts between the transferee and the third parties (whether or not the Act is repealed).

- (2) Each such contract shall be deemed to include such of the terms and conditions contained in that Act (with all necessary modifications) as are specified in the Order in Council.
- (3) Where any land that is subject to any lease, licence, permit, or right, created on terms and conditions wholly or partly set out in any Act has been or is to be transferred to a transferee under this Act, the Governor-General may, by Order in Council, declare that such of the provisions of that Act as are specified in the order shall continue to apply in relation to the land and such licence, lease, permit, or right.
- (4) Where an Order in Council is made under subclause (3), the provisions of the Act referred to in the order shall, with all necessary modifications, continue to apply in relation to the land and the terms or conditions of the lease, licence, permit, or right subject to any agreement to—

- (a) amend or revoke any such term or condition; or
- (b) revoke any such term or condition, and substitute another term or condition for it—

made between the owner for the time being of the land and the holder for the time being of the lease, licence, permit, or right.

- (5) An order under this clause is secondary legislation (*see* Part 3 of the Legislation Act 2019 for publication requirements).

Schedule 1 clause 2(5): inserted, on 28 October 2021, by section 3 of the Secondary Legislation Act 2021 (2021 No 7).

3 Modification of provisions of Public Works Act 1981

- (1) In this clause, **public work land** means any land or interest in land owned by a transferee that—
 - (a) on 10 May 1993 was subject to sections 40 to 42 of the Public Works Act 1981; and
 - (b) has on 1 or more occasions been transferred by or under this Act.
- (2) Sections 40 to 42 of the Public Works Act 1981 do not apply to any public work land so long as the land—
 - (a) is held by a transferee (regardless of whether or not those purposes are the purposes for which the land was acquired under the Public Works Act 1981 or under any corresponding former Act)—
 - (i) for the purposes of the transferee; or
 - (ii) to enable the transferee to prepare for the disposal of the land; or
 - (iii) to enable the transferee to determine whether to transfer or hold the land for any purpose referred to in this subclause; or
 - (b) is transferred under this Act to enable another transferee to hold the land for any of the purposes specified in paragraph (a); or
 - (c) is held under a lease or licence granted by a transferee to any person other than a transferee for health-related purposes or, with the consent of the Minister, for any other purpose.
- (3) If any public work land is not held or transferred in accordance with subclause (2), sections 40 and 41 of the Public Works Act 1981 apply as if the land were owned by the Crown. However, the proceeds of any sale of the land must

nevertheless be applied for the purposes of the transferee that, immediately before the sale, owned the land.

- (4) When subclause (3) applies to any public work land, the transferee that owns the land may, subject to subclause (5), sell or otherwise dispose of the land to any person on any terms or conditions it thinks fit if,—
- (a) within 40 working days following an offer made, under section 40(2) of the Public Works Act 1981 (or such further period as the transferee allows), the parties have neither agreed on a price for the land nor agreed that the price be determined by the Land Valuation Tribunal; or
 - (b) an offer under section 40 of that Act in respect of the land is not required.
- (5) A transferee and a person who is entitled, or may become entitled, to receive an offer under section 40(2) of the Public Works Act 1981 in respect of any public work land may agree that the sale of the land is to be subject to any terms and conditions, including, for example, a term or condition entitling the transferee to lease the land.
- (6) An agreement under subclause (5), in relation to any public work land with a person who is entitled, or may become entitled, to receive an offer under section 40(2) of the Public Works Act 1981 in respect of that land, extinguishes the person's entitlement or prospective entitlement under that section in respect of the land.

Schedule 1 clause 3: substituted, on 1 January 2001, by section 12 of the Health Sector (Transfers) Amendment Act 2000 (2000 No 92).

4 Obligation to lodge caveat

- (1) Where land or an interest in land is transferred to a transferee under this Act or by another transferee, the transferee shall, for the purpose of protecting the rights of persons to have that land or interest offered to them under section 40(2) of the Public Works Act 1981, lodge an appropriate caveat under the Land Transfer Act 2017, and this clause shall be sufficient authority for the lodging of such a caveat.
- (2) For the purposes of this clause, the rights of persons to have land or an interest in land offered to them under section 40(2) of the Public Works Act 1981 shall be deemed to be interests in land for the purposes of section 138 of the Land Transfer Act 2017.
- (3) In stating, in a caveat lodged under subclause (1), the interest claimed by the caveator, it shall be sufficient to refer to sections 40 to 42 of the Public Works Act 1981 and to this clause.

8 Uses deemed to be permitted activity

If any land is transferred to a transferee under this Act, the use of that land which is established at the date of the transfer is deemed to be a permitted activity under the Resource Management Act 1991 until the next completion of the review of the district plan or appropriate part of the district plan, and after that review the status of that use is to be as provided from time to time in or under the district plan.
