### **65AC Alcohol interlock sentence**

- (1) If this section applies, the court must order an alcohol interlock sentence.
- (2) An alcohol interlock sentence—
  - (a) disqualifies the person from holding or obtaining a driver licence for the period required by section 65AE; and
  - (b) authorises the person to apply for an alcohol interlock licence at the end of that period; and
  - (c) disqualifies the person from holding or obtaining any licence except an alcohol interlock licence; and

- (d) authorises the person, after complying with the alcohol interlock licence requirements, to apply to replace the alcohol interlock licence with a zero alcohol licence.
- (3) Subsection (1) applies unless for special reasons relating to the qualifying offence the court thinks fit to order otherwise and, if so,—
  - (a) section 94 may apply (and a reference to disqualification in section 94 must be treated as if it referred to an alcohol interlock sentence); but
  - (b) an alcohol interlock sentence may not otherwise be substituted by a community-based sentence.

Section 65AC: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

#### **65AD Injury or death**

If a qualifying offence resulted in injury or death, the court must disqualify the person from holding or obtaining a driver licence for the period of disqualification that is appropriate under the provision relating to the qualifying offence.

Section 65AD: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

- (c) any period when the person is in prison (because of the qualifying offence or otherwise); and
- (d) any period when the person is disqualified from holding or obtaining a driver licence, including—
  - (i) under section 65AD; or
  - (ii) under section 65AH(3); or
  - (iii) because of an existing disqualification (except a disqualification under section 65(2) or (4): *see* section 65(3A) and (4A)).

Section 65AE: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

#### **65AF Alcohol interlock sentence disqualifies person from driving except under alcohol interlock licence**

Section 65AF: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

### **65AG Alcohol interlock licence requirements**

- (1) An alcohol interlock licence replaces any licence held by a person.
- (2) An alcohol interlock licence requires a person holding it to drive only a motor vehicle or vehicles to which an alcohol interlock device is fitted.
- (3) A person may apply under section 100A to replace an alcohol interlock licence with a zero alcohol licence if—
  - (a) every motor vehicle the person has driven for 12 months (or more) had an alcohol interlock device fitted and operating; and
  - (b) in relation to a person who is required to attend an assessment centre under section 65 (or any other section), the person has attended and been assessed as being a fit person to hold a driver licence; and
  - (c) during the previous 6 months, the person—
    - (i) has not attempted to drive while the person's breath contained a proportion of alcohol above the level to which the device is set; and
    - (ii) has not committed a qualifying offence or an offence against section 55A; and
    - (iii) has complied with any relevant regulations made under this Act.
- (4) The 6-month period referred to in subsection (3)(c) may be reduced to 3 months if the person has been assessed at an assessment centre (whether the attendance was voluntary or ordered by a court) as a fit person to hold a driver licence.

Section 65AG: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

### **65AH When court may take alcohol interlock sentence into account**

*Fines, imprisonment, assessments, or community-based sentences*

- (1) A court must order any fine, imprisonment, assessment, or community-based sentence that is appropriate for a qualifying offence or a concurrent offence regardless of the requirement to impose an alcohol interlock sentence.
- (2) However, the court may take into account the cost of an alcohol interlock sentence and may discount the amount of any fine.

*Disqualifications*

- (3) For a concurrent offence,—
  - Injury or death*
  - (a) that resulted in injury or death, the court must disqualify the person from holding or obtaining a driver licence for the period of disqualification that is appropriate under the provision relating to the concurrent offence:

*No injury or death*

- (b) that did not result in injury or death, the court may, taking into account the alcohol interlock sentence that must be ordered for the qualifying offence under section 65AC, choose not to order any disqualification that might otherwise apply to the concurrent offence.

Section 65AH: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

**65AI Exceptions: persons who are not to be given alcohol interlock sentence**

If this section applies because an exception described in section 65AB(2) applies to the person, a court must—

- (a) disqualify the person from holding or obtaining a driver licence for the period that is appropriate under the provision relating to the qualifying offence; and
- (b) order any fine, imprisonment, assessment, or community-based sentence that is appropriate for the qualifying offence; and
- (c) if a disqualification is ordered, authorise the person to apply for a zero alcohol licence at the end of the period of disqualification.

Section 65AI: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

**65AJ Effect of subsequent qualifying offences on alcohol interlock sentence**

- (1) This section applies to a person with an alcohol interlock sentence who is convicted of a subsequent qualifying offence.
- (2) The court must replace the alcohol interlock sentence with a new alcohol interlock sentence under section 65AC unless—
  - (a) section 65AC(3) applies to the subsequent qualifying offence; or
  - (b) an exception described in section 65AB(2) now applies to the person (in which case, section 65AI applies).
- (3) Sections 65AC to 65AI apply to the new alcohol interlock sentence as if a reference to a qualifying offence in those sections were a reference to the subsequent qualifying offence.

Section 65AJ: inserted, on 1 July 2018, by section 26 of the Land Transport Amendment Act 2017 (2017 No 34).

**65AK Effect of other subsequent offences on alcohol interlock licence**

- (1) This section applies to a person with an existing alcohol interlock licence—
  - (a) who is convicted of a subsequent offence that is not a qualifying offence; and
  - (b) who is disqualified under this Act or under section 124 of the Sentencing Act 2002 from holding or obtaining a driver licence for that subsequent offence.

- (2) In order to continue the existing alcohol interlock licence, the court must authorise the person to apply for a new alcohol interlock licence at the end of the disqualification referred to in subsection (1)(b).
- (3) Sections 65AG, 65AJ, and this section continue to apply to the new alcohol interlock licence as if it were the previous alcohol interlock licence and the previous alcohol interlock licence had not been interrupted by the disqualification.
- (4) When the person applies under section 100A(1) in relation to the new alcohol interlock licence, the Director must accept any compliance with the requirements of section 65AG in relation to the person's previous alcohol interlock licence as compliance with the requirements of section 65AG in relation to the person's new alcohol interlock licence.

### *Enforcement procedures for offences involving intoxication*

## **68 Who must undergo breath screening test**

- (1) An enforcement officer may require any of the following persons to undergo a breath screening test without delay:
- (a) a driver of, or a person attempting to drive, a motor vehicle on a road;
  - (b) a person whom the officer has good cause to suspect has recently committed an offence against this Act that involves the driving of a motor vehicle;
  - (c) if an accident has occurred involving a motor vehicle,—
    - (i) the driver of the vehicle at the time of the accident; or
    - (ii) if the enforcement officer is unable to ascertain who the driver of the motor vehicle was at the time of the accident, a person whom the officer has good cause to suspect was in the motor vehicle at the time of the accident.

- (2) An enforcement officer may not require a person who is in a hospital or medical centre as a result of an accident involving a motor vehicle to undergo a breath screening test.
- (3) A person who has undergone a breath screening test under this section must remain at the place where the person underwent the test until after the result of the test is ascertained, and an enforcement officer may arrest the person without warrant if the person refuses or fails to remain at that place.
- (4) If an enforcement officer is entitled to require a person to undergo a breath screening test, the officer may also require that person to undergo a test using a passive breath-testing device, which test is one where the officer holds a passive breath-testing device near the person's mouth for the purpose of ascertaining whether or not there is any alcohol in the person's breath.
- (5) The use or non-use of a passive breath-testing device does not of itself affect the validity of a breath screening test.
- (6) An enforcement officer may require a person to undergo a breath screening test whether or not a person has already undergone an oral fluid test under any of sections 71A to 71C and regardless of the result (or failure to produce a result) of any such oral fluid test or tests.

Compare: 1962 No 135 s 58A

Section 68(2): amended, on 7 November 2018, by section 9 of the Land Transport Amendment Act 2016 (2016 No 77).

## **69 Who must undergo evidential breath test**

- (1) An enforcement officer may require a person to accompany an enforcement officer to a place where it is likely that the person can undergo an evidential breath test or a blood test (or both) when required to do so by the officer, if,—
  - (a) in the case of a person who holds an alcohol interlock licence or a zero alcohol licence, the person has undergone a breath screening test under section 68 and it appears to the officer that the breath of the person who underwent the test contains alcohol; or
  - (aa) in the case of a person who is apparently younger than 20, the person has undergone a breath screening test under section 68 and it appears to the officer that the breath of the person who underwent the test contains alcohol; or
  - (ab) in the case of any other person, the person has undergone a breath screening test under section 68 and it appears to the officer that the proportion of alcohol in the breath of the person who underwent the test exceeds 250 micrograms of alcohol per litre of breath; or
  - (b) *[Repealed]*

- (c) the person fails or refuses to undergo a breath screening test without delay after having been required to do so by the officer under section 68; or
  - (d) the person could be required to undergo a breath screening test without delay under section 68 but cannot be tested because either a breath screening device is not readily available or for any reason a breath screening test cannot then be carried out, and there is good cause to suspect that the person has consumed drink.
- (2) If it is not practicable for a person to undergo an evidential breath test at a place to which the person has accompanied an enforcement officer under subsection (1), an enforcement officer may require the person to accompany the officer to any other place where it is likely that the person can undergo an evidential breath test or a blood test (or both).
- (3) For the avoidance of doubt, it is declared that an enforcement officer may require a person to accompany the officer to a place under subsection (1) if—
- (a) it is likely that the person can undergo an evidential breath test at that place, whether or not it is likely that the person can undergo a blood test at that place; or
  - (b) it is likely that the person can undergo a blood test at that place, whether or not it is likely that the person can undergo an evidential breath test at that place.
- (4) If a person—
- (a) has accompanied an enforcement officer to a place under this section; or
  - (b) has been arrested under subsection (6) and taken to or detained at a place,—
- an enforcement officer may require the person to undergo without delay at that place an evidential breath test (whether or not the person has already undergone a breath screening test).
- (4A) An enforcement officer who requires a person to undergo an evidential breath test under subsection (4) must, without delay, advise the person—
- (a) that if the person fails or refuses to undergo the evidential breath test, the person will be required to permit the taking of a blood specimen under section 72(1)(a); and
  - (b) that if the result of a blood test indicates the presence of alcohol in the person's blood the person may be issued with an infringement offence notice or charged with an offence, depending on the proportion of alcohol; and
  - (c) of the infringement fee payable for a breach of section 56(2B); and

- (d) that the person may be liable to pay a blood test fee and associated medical costs, whether or not the result of the blood test establishes that the person has committed an offence against this Act.
- (5) A person must—
- (a) accompany the officer to a place when required to do so under this section:
  - (b) if the person has accompanied an enforcement officer to a place under this section, remain at that place until the person is required either to undergo an evidential breath test or a blood test under this Act, or to accompany an enforcement officer to another place under this section:
  - (c) if the person has undergone an evidential breath test under this section, remain at the place where the person underwent the test until after the result of the test is ascertained.
- (6) An enforcement officer may arrest without warrant a person who contravenes subsection (5).
- (7) An enforcement officer may not require a person who is in a hospital or medical centre as a result of an accident involving a motor vehicle to undergo an evidential breath test.

  - (b) the person is apparently younger than 20; or
  - (c) the person holds an alcohol interlock licence or a zero alcohol licence.

**72 Who must give blood specimen at places other than hospital or medical centre**

- (1) A person must permit a health practitioner or medical officer to take a blood specimen from the person when required to do so by an enforcement officer if—
- (a) the person fails or refuses to undergo without delay an evidential breath test after having been required to do so by an enforcement officer under section 69; or

    - (i) it appears to the officer that the test is positive; and
    - (ii) within 10 minutes of being advised by an enforcement officer of the matters specified in section 77(3)(a) (which sets out the conditions of the admissibility of the test), the person advises the officer that the person wishes to undergo a blood test; or
  - (c) an evidential breath testing device is not readily available at the place to which the person has accompanied an enforcement officer under section 69 (whether or not at the time the requirement was made it was likely that the person could undergo an evidential breath test at that place) or to which the person has been taken under arrest (as the case may be), or for any reason an evidential breath test cannot then be carried out at that place; or
  - (d) the officer has arrested the person under section 120(1) and has good cause to suspect that the person has committed an offence against any of sections 56 to 62, and either—
    - (i) a health practitioner has examined the person and believes that the person may be under the influence of drink or a drug, or both; or

- (ii) the person has refused to be examined by a health practitioner for the purposes of this paragraph; or
  - (e) the person fails or refuses to undergo without delay an oral fluid test after having been required to do so by an enforcement officer under any of sections 71A to 71C; or

- (1AA) Subsection (1)(b) does not apply in the case of a person (other than a person who is apparently younger than 20 or who holds an alcohol interlock licence or a zero alcohol licence) if the result of the evidential breath test under section 69(4) indicates that the proportion of alcohol in the person's breath exceeds 250 micrograms of alcohol per litre of breath but does not exceed 400 micrograms of alcohol per litre of breath.
- (1A) Subsection (1)(h) only applies if an enforcement officer has good cause to suspect that the person has consumed a drug or drugs.
- (1B) Subsection (1)(h) applies regardless of whether the person has failed any breath screening tests under section 68, evidential breath tests under section 69, or oral fluid tests under any of sections 71A to 71C and regardless of the outcome of any such tests.
- (1C) An enforcement officer may exercise the powers in subsections (1) and (2) in addition to any breath screening tests under section 68, evidential breath tests under section 69, or oral fluid tests under any of sections 71A to 71C.
- (1D) An enforcement officer who advises a person of the matters specified in section 77(3)(a) (which sets out the conditions of the admissibility of an evidential breath test) must also, without delay, advise the person that if the person elects to have a blood test the person may be liable to pay a blood test fee and associated medical costs, whether or not the result of that blood test establishes that the person has committed an offence against this Act.

- (1E) An enforcement officer who requires a person to permit the taking of a blood specimen under subsection (1)(c) or (d) must advise the person that the person may be liable to pay a blood test fee and associated medical costs, whether or not the result of the blood test establishes that the person has committed an offence against this Act.
- (1F) An enforcement officer who requires a person to permit the taking of a blood specimen under subsection (1)(e), (f), (g), or (h) must advise the person, without delay, that the person may be liable to pay a blood test fee and associated medical costs if the result of the blood test establishes that the person has committed an offence against section 57A(1), 57B(1), or 57C(1) or an infringement offence against section 57A(2), 57B(2), or 57C(2).
- (2) A person who has been required by an enforcement officer under subsection (1) to permit the taking of a blood specimen must, without delay after being requested to do so by a health practitioner or medical officer, permit that practitioner or medical officer to take a blood specimen from that person.
- (3) If it is not practicable for a blood specimen to be taken from a person by a health practitioner or medical officer at a place where the person has been required under this section to permit the taking of a blood specimen, the person must accompany an enforcement officer to any other place where it is likely that a blood specimen can be taken from the person by a health practitioner or medical officer if the officer requires the person to do so.
- (4) If a blood specimen taken under this section is insufficient for the purposes of the relevant blood specimen collecting procedure,—
- (a) the person from whom the specimen was taken must permit a health practitioner or medical officer to take a further blood specimen immediately after being requested to do so by the health practitioner or medical officer; and
  - (b) a further blood specimen so taken is to be treated as part of the original blood specimen taken from the person.
- (5) An enforcement officer may arrest a person without warrant if the person—
- (a) fails or refuses to accompany an enforcement officer to a place when required to do so under this section; or

- (4) If the specimen originally taken is insufficient for the purposes of the relevant blood specimen collecting procedure, the health practitioner who is in immediate charge of the examination, care, or treatment of the person may take or

- (1) In proceedings for an offence against this Act it is to be presumed, in the absence of proof to the contrary, that,—
  - (a) if a certificate referred to in section 75 names a person having the same name, address, and occupation as the defendant as the person from whom the specimen of blood was taken, the specimen was taken from the defendant:
  - (b) every approved analyst who signed a certificate referred to in section 75(5) was duly authorised to sign it:
  - (c) if the container in which a blood specimen (or part of a blood specimen) was placed was received by a health practitioner or medical officer in a sealed blood specimen collecting kit, the container contained a substance (whether or not a combination or mixture of 2 or more substances) and that substance was a preservative and anti-coagulant.
- (2) On the request of a person from whom a blood specimen has been taken under section 72 or section 73, or of the person's solicitor or counsel, copies of any certificates referred to in subsection (1) that relate to that blood specimen must be supplied by the prosecutor to the person making the request.

## **77 Presumptions relating to alcohol-testing**

- (1) For the purposes of proceedings for an offence against this Act arising out of the circumstances in respect of which an evidential breath test was undergone by the defendant, it is to be conclusively presumed that the proportion of alcohol in the defendant's breath at the time of the alleged offence was the same as the proportion of alcohol in the defendant's breath indicated by the test.
- (2) For the purposes of proceedings for an offence against this Act arising out of the circumstances in respect of which a blood specimen was taken from the defendant under section 72 or section 73, it is to be conclusively presumed that the proportion of alcohol in the defendant's blood at the time of the alleged offence was the same as the proportion of alcohol in the blood specimen taken from the defendant.

- (3) Except as provided in subsections (3B) and (4), the result of a positive evidential breath test is not admissible in evidence in proceedings for an offence against any of sections 56 to 62 if—
- (a) the person who underwent the test is not advised by an enforcement officer, without delay after the result of the test is ascertained,—
    - (i) that the test was positive; and
    - (ii) of the consequences specified in subsection (3A), so far as applicable, if he or she does not request a blood test within 10 minutes; or
  - (b) the person who underwent the test—
    - (i) advises an enforcement officer, within 10 minutes of being advised of the matters specified in paragraph (a), that the person wishes to undergo a blood test; and
    - (ii) complies with section 72(2).
- (3A) The consequences referred to in subsection (3)(a)(ii) are—
- (a) that the positive test could of itself be conclusive evidence to lead to that person's conviction for an offence against this Act if—
    - (i) the test indicates that the proportion of alcohol in the person's breath exceeds 400 micrograms of alcohol per litre of breath; or
    - (ii) the person is younger than 20 and the proportion of alcohol in the person's breath exceeds 150 micrograms of alcohol per litre of breath; or
    - (iii) the person holds an alcohol interlock licence or a zero alcohol licence:
  - (b) that the positive test could of itself be conclusive evidence that the person has committed an infringement offence against this Act if the person is younger than 20 and the test indicates that the person's breath contains alcohol but the proportion of alcohol does not exceed 150 micrograms of alcohol per litre of breath.
- (3B) Subsection (3) does not apply if the result of a positive evidential breath test indicates that the proportion of alcohol in a person's breath (other than a person who is apparently younger than 20 or who holds an alcohol interlock licence or a zero alcohol licence) exceeds 250 micrograms of alcohol per litre of breath, but does not exceed 400 micrograms of alcohol per litre of breath.
- (4) Subsection (3)(a) does not apply if the person who underwent the test fails or refuses to remain at the place where the person underwent the test until the person can be advised of the result of the test.
- (5) *[Repealed]*
- (6) If it is proved in proceedings for an offence against section 60 that the defendant failed or refused to comply with section 13 without reasonable cause, that

failure or refusal may be treated as supporting any evidence given on behalf of the prosecution, or as rebutting any evidence given on behalf of the defendant, concerning the defendant's condition at the time of the alleged offence.

### **77A Presumptions relating to drug testing**

- (1) For the purposes of proceedings for an offence against this Act arising out of the circumstances in respect of which a blood specimen was taken from the defendant under section 72 or 73, it is to be conclusively presumed that the proportion of a qualifying drug in the defendant's blood at the time of the alleged offence was the same as the proportion of the qualifying drug in the blood specimen taken from the defendant.
- (2) For the purposes of proceedings for an infringement offence against section 57A(3), 57B(3), 57C(3), or 57C(4), it is to be presumed in the absence of proof to the contrary that a person's oral fluid contains a qualifying drug if the results of the first oral fluid test and second oral fluid test undergone by the person indicate use of the drug.
- (3) However, except as provided in subsection (4), the positive results of a first oral fluid test and a second oral fluid test are not admissible in evidence in proceedings for an infringement offence against section 57A(3), 57B(3), 57C(3), or 57C(4) if—
  - (a) the person who underwent the tests is not advised by an enforcement officer, without delay after the result of the second oral fluid test is ascertained,—
    - (i) that the second oral fluid test was positive; and
    - (ii) that the person will be presumed to have committed an infringement offence against this Act if the person does not request a blood test within 10 minutes; or
  - (b) the person who underwent the test—
    - (i) advises an enforcement officer, within 10 minutes of being advised of the matters specified in paragraph (a), that the person wishes to undergo a blood test; and
    - (ii) complies with section 72(2).

- (4) Subsection (3)(a) does not apply if the person who underwent the test fails or refuses to remain at the place where the person underwent the test until the person can be advised of the result of the test.
- (5) The result of an oral fluid test is not admissible in evidence in proceedings for any offence against this Act other than an offence under section 57A(3), 57B(3), 57C(3), or 57C(4).
- (6) If it is proved in proceedings for an offence against section 60 that the defendant failed or refused to comply with section 13 without reasonable cause, that failure or refusal may be treated as supporting any evidence given on behalf of the prosecution, or as rebutting any evidence given on behalf of the defendant, concerning the defendant's condition at the time of the alleged offence.

Section 77A: inserted, on 11 March 2023, by section 25 of the Land Transport (Drug Driving) Amendment Act 2022 (2022 No 5).

## **78 Presumptions as to age of driver**

If a certificate referred to in section 143 is produced in proceedings for an offence against this Part involving a person who is apparently younger than 20, it is to be presumed, in the absence of proof to the contrary, that the date stated in the certificate as being the date of birth of the person to whom the certificate relates is accurate.

Compare: 1962 No 135 s 58G(5)

- (a) in the case of a certificate referred to in that subsection (5), the person who made the analysis or the approved analyst who gave the certificate ought to appear as a witness at the hearing; or

## **85 When disqualification starts**

- (1) If an order is made by a court under any Act disqualifying a person from holding or obtaining a driver licence, the period of disqualification starts on the day the order is made unless the court otherwise directs or that Act otherwise provides.
- (2) The person disqualified does not commit the offence of driving while disqualified contrary to section 32(1)(a) merely because, on the day of the making of the order, he or she drove a motor vehicle on a road on that day before the making of the order.
- (3) In the case of a person who is at the time of the order already disqualified from holding or obtaining a driver licence, the period of disqualification ordered starts when the order or the last of the orders to which the person is already subject ceases to have effect.

Compare: 1962 No 135 s 36

## **86 Term of disqualification if person already disqualified**

- (1) If—
  - (a) a person is convicted of an offence that renders the person liable to be disqualified from holding or obtaining a driver licence; and
  - (b) at the time of the commission of the offence, the person was already disqualified or was the holder of a limited licence issued under section 105 (or the corresponding provisions of a former enactment),—

A defendant who is obliged to pay a traffic fine is liable to the imposition of a driver licence stop order if—

- (b) the defendant's obligation to pay the fine is neither discharged, by payment in full or remission in full, nor resolved.

Section 91C: inserted, on 1 November 2013, by section 7 of the Land Transport Amendment Act 2011 (2011 No 31).

**91D Warning notice to be served on defendant**

- (1) If a defendant is liable to the imposition of a driver licence stop order, the chief executive of the Ministry of Justice must arrange for a warning notice to be served on the defendant.
- (2) The notice must—
- (a) explain why the defendant is liable to the imposition of a driver licence stop order and provide details of the unpaid traffic fine to which the liability relates; and

- (b) if the defendant's liability is related to the cancellation or revocation of a payment arrangement, deduction notice, or an attachment order, give the reason for the cancellation or revocation; and
  - (c) state that a driver licence stop order will not be imposed if, before the close of the 14th day after service of the notice, the unpaid traffic fine is paid in full, or remitted in full, or the defendant's obligation to pay the fine is resolved.
- (3) No driver licence stop order imposed on a person is invalid merely because a notice under subsection (1) was not received by that person or was received by that person after the driver licence stop order was imposed on the person.

Section 91D: inserted, on 1 November 2013, by section 7 of the Land Transport Amendment Act 2011 (2011 No 31).

### **91E Imposition of driver licence stop order**

- (1) If, following the expiry of the period of 14 days after service of the notice sent to a defendant under section 91D, the defendant continues to be liable to a driver licence stop order because of the traffic fine described in that notice, the chief executive of the Ministry of Justice may impose a driver licence stop order on the defendant and issue it for service.
- (2) The chief executive of the Ministry of Justice may, on 1 or more occasions, reissue a driver licence stop order that has previously been issued or reissued for service but that is not yet in effect.
- (2A) An enforcement officer may also impose an order and issue it for service in the circumstances described in subsection (1) (whether or not the person has received the order from the chief executive of the Ministry of Justice).
- (3) An order imposed under subsection (1) or (2A) must be in a form approved by the chief executive of the Ministry of Justice and must state—
- (a) the name of the defendant; and
  - (b) that the notice of details of the traffic fine in respect of which the order is imposed and the amount owing on that fine will be served on the defendant either at the same time as the order is served or as soon as practicable after the order is served; and
  - (c) that the order will stay in effect until the defendant's obligation to pay the traffic fine is discharged by payment in full or remission in full, or until it is resolved; and
  - (d) that, immediately after the order takes effect, any driver licence held by the defendant, including any limited licence issued under section 105, is suspended until the driver licence stop order is cancelled in accordance with section 91G or terminated in accordance with section 91H; and
  - (e) that if the order is served personally by an employee or agent of the Ministry of Justice or by an enforcement officer (including at the roadside),

- the defendant must surrender any driver licence held by the defendant to that employee, agent, or enforcement officer; and
- (f) that if the order is served, but is not served personally, the defendant must post or deliver any driver licence held by the defendant to an employee or agent of the Ministry of Justice at an office of that Ministry or at the District Court; and
  - (g) if the defendant does not hold a current driver licence when the order takes effect, that—
    - (i) the defendant is disqualified from holding or obtaining a driver licence (including any limited licence) until the driver licence stop order is cancelled in accordance with section 91G or terminated in accordance with section 91H; and
    - (ii) if the defendant is authorised to obtain a limited licence, the limited licence may not be issued by the Director until the driver licence stop order is so cancelled or terminated.
- (4) When the order is issued for service, the defendant becomes liable to pay a single fee for the order, and that single fee—
- (a) is deemed to be imposed when the order is first issued, regardless of the number of times that the same order may subsequently be reissued; and
  - (b) is not affected by the number of fines in respect of which the order is issued, so that if, for example, the order is issued for 2 fines, the fee is 1 fee and not 2 fees; and
  - (c) is, for enforcement purposes, deemed to be a fine.
- (5) The amount of the fee deemed to be imposed by subsection (4) is the same as that prescribed by regulations, made under the Summary Proceedings Act 1957, in respect of enforcement action taken under that Act to enforce a fine.

- (2) Despite any provision of this Act that requires a court (in the absence of special reasons relating to the offence) to order a person convicted of an offence to be disqualified from holding or obtaining a driver licence, the court may instead make an order referred to in subsection (3) if this section applies.
- (3) If the court sentencing an offender determines under this section not to make an order of disqualification,—

  - (c) in determining the appropriate sentence to be imposed on the offender in respect of the offence, the court must take into account the gravity of the offence and the fact that the offender would otherwise have been liable to disqualification from holding or obtaining a driver licence.

- (3A) For the purposes of subsection (3)(a), the court may impose a sentence of supervision or intensive supervision as a community-based sentence if—
- (a) that sentence is appropriate; and
  - (b) a suitable programme is available; and
  - (c) the offender attends a suitable programme.
- (4) This section does not apply if—
- (a) section 63 or section 65 applies; or
  - (aa) an alcohol interlock sentence has been ordered under section 65AC(1);

## **98A Commissioner may prohibit sale or disposal of certain motor vehicles**

- (1) This section applies if—
  - (a) a person is charged with an offence under this Act or any other enactment that would, if the person is convicted of the offence, permit or require a court to order—
    - (i) the confiscation of the person’s motor vehicle under the Sentencing Act 2002; or
    - (ii) the forfeiture of the vehicle under section 142AAB of that Act; and
  - (b) the Commissioner believes, on reasonable grounds in the circumstances, that the court would, if the person is convicted of the offence, order that confiscation or forfeiture.
- (2) If this section applies, the Commissioner may prohibit the sale or disposal of the motor vehicle by giving notice in the prescribed form to—
  - (a) the person who is charged; and
  - (b) the registered person of the motor vehicle (if a person other than the person who is charged).
- (3) A person notified under subsection (2) may not sell, or dispose of,—
  - (a) the motor vehicle specified in the notice;
  - (b) any parts of the motor vehicle specified in the notice.
- (4) The Commissioner—
  - (a) must cancel the notice given under subsection (2) if the person charged—
    - (i) does not own, or does not have a legal or equitable interest in, the motor vehicle specified in the notice; or
    - (ii) is not convicted of an offence that would permit or require a court to order the confiscation of the person’s motor vehicle under the Sentencing Act 2002; or

- (iii) is convicted of such an offence but a court does not order the confiscation of the person's motor vehicle under the Sentencing Act 2002; or
- (b) may cancel the notice given under subsection (2) if—
  - (i) the motor vehicle specified in the notice was stolen or converted at the time the person charged used it in a way that gave rise to the charge; or
  - (ii) the registered person for the motor vehicle specified in the notice took all reasonable steps to prevent the person charged from using the vehicle in a way that gave rise to the charge; or
  - (iii) the Commissioner is satisfied that prohibiting the sale of the motor vehicle specified in the notice would entail undue hardship to the person charged, registered person for the motor vehicle, or any other person.

Part 7A: inserted, on 2 January 2020, by section 4 of the Land Transport (Wheel Clamping) Amendment Act 2019 (2019 No 70).

### **98C Interpretation**

In this Part,—

**immobilising device** means a wheel clamp or other device that is intended to immobilise a motor vehicle or restrict or impede its movement

**operator** means a person who has control over an immobilising device

**parking place** means a place on a road on which a person is able to park their motor vehicle

**prescribed amount** means the amount prescribed in regulations made under section 167(1)(md), but if no regulations are made, the prescribed amount is \$100 (inclusive of GST).

Section 98C: inserted, on 2 January 2020, by section 4 of the Land Transport (Wheel Clamping) Amendment Act 2019 (2019 No 70).

### **98D Immobilising devices applied to parked motor vehicles**

- (1) This section applies if an operator applies an immobilising device to a motor vehicle parked in a parking place, unless—
  - (a) the parking place is on a road under the control of an enforcement authority who may issue infringement notices for parking offences under this Act; or
  - (b) the operator's actions are authorised by or under an enactment.
- (2) The operator—
  - (a) must not require the person in charge of the motor vehicle to pay a fee (relating to the removal of the immobilising device or any other matter) that exceeds the prescribed amount; and
  - (b) may require the fee to be paid before the immobilising device is removed; and
  - (c) must, when requested by the person in charge of the motor vehicle, remove, or arrange for the removal of, the immobilising device—
    - (i) as soon as is reasonably practicable after the fee is paid; or
    - (ii) if there is no fee, at the direction of the person in charge of the motor vehicle.
- (3) The operator must be reasonably available to respond to a request by the person in charge of the motor vehicle relating to the removal of the immobilising device.
- (4) A person who contravenes subsection (2)(a) or (c) commits an offence and is liable on conviction to a fine not exceeding \$3,000, in the case of an individual, or \$15,000, in the case of a body corporate.
- (5) If the operator fails to comply with subsection (2)(c) or fails to comply with subsection (3) after the person in charge of the motor vehicle has made reasonable efforts to contact the operator, the person in charge of the motor vehicle—
  - (a) may remove or arrange for the removal of the immobilising device from the motor vehicle; and

- (b) is not under any civil or criminal liability for the removal if it causes as little damage to the immobilising device as is reasonably possible.
- (6) This section does not of itself authorise an operator to apply an immobilising device to a motor vehicle parked in a parking place.

Section 98D: inserted, on 2 January 2020, by section 4 of the Land Transport (Wheel Clamping) Amendment Act 2019 (2019 No 70).

### **98E Enforcement of section 98D and related matters**

- (1) For the purpose of enforcing section 98D, and without limiting section 113, an enforcement officer may remain in a parking place to—
- (a) direct an operator to remove an immobilising device from a motor vehicle within a specified time; and
- (b) remove an immobilising device from a motor vehicle or arrange for its removal.
- (2) A person may enter and remain in a parking place for the purpose of removing an immobilising device from a motor vehicle if an enforcement officer or the person in charge of the motor vehicle has arranged in accordance with this section or section 98D for the person to remove the device.
- (3) In considering whether an operator has complied with section 98D(3) and without limiting the generality of that section, regard must be had to any criteria prescribed in regulations.
- (4) To avoid doubt, section 98D(4) does not prevent a matter from being brought before the Disputes Tribunal established under section 4 of the Disputes Tribunal Act 1988 for the exercise of that tribunal's jurisdiction under that Act.
- (5) In any proceedings before a Disputes Tribunal where an operator claims an amount in respect of a dispute to which section 98D applies, no more than the prescribed amount may be claimed.
- (6) Nothing in subsection (5) affects proceedings before a Disputes Tribunal relating to any damage caused to an immobilising device as a result of its removal from a motor vehicle.

Section 98E: inserted, on 2 January 2020, by section 4 of the Land Transport (Wheel Clamping) Amendment Act 2019 (2019 No 70).

    - (x) section 62(1) or (1B); and
  - (c) has not been convicted in the previous 2 years or concurrently of an offence against section 171 of the Crimes Act 1961 (manslaughter) in which the manslaughter was the result of driving a motor vehicle; and
  - (d) has not been convicted of offences against section 32(1)(a) or (b) or (c) in the last 6 months.
- (1A) For the purposes of subsection (1)(b), (c), and (d), the date on which a person has been convicted is the date on which a conviction has been entered against that person.
- (2) On an application under subsection (1), the court may, having regard to the character of the applicant and the applicant's conduct since the order was made, the nature of the offence, and any other circumstances of the case, either—
- (a) reduce the disqualification as from such date as may be specified in the order or refuse the application; or
  - (b) treat the application as an application for an order under section 105 (for the grant of a limited licence) and make an order accordingly under that section.
- (3) In having regard under subsection (2) to the conduct of the applicant subsequent to an order disqualifying the applicant from holding or obtaining a driver licence, the court must have regard to—

- (a) whether or not the opportunity to attend a programme approved under section 99A was reasonably available to the applicant; and
  - (b) whether or not the applicant attended that approved programme; and
  - (c) any report of a person conducting such an approved programme on the conduct of the applicant, and on the applicant's awareness of the responsibilities of drivers and suitability to hold or obtain a driver licence; and
  - (d) any report which relates to the medical condition of the applicant and which is from a health practitioner attached to an assessment centre attended by the person other than under an order made under section 65.
- (4) If an application under this section is refused,—
- (a) the court may accept a further application in respect of the same order if satisfied that the application is supported by relevant evidence that was not available when the previous application was heard; but
  - (b) otherwise, a further application in respect of the same order may not be considered until at least 3 months after the date of that refusal.
- (5) If the disqualification was ordered by the District Court, every application under this section concerning that disqualification must be made to a District Court Judge.
- (6) If a court makes an order under this section and the person to whom it applies is, before the end of the period for which the original order of disqualification was made, convicted of an offence for which the applicant is liable for disqualification, the court must, whether or not it imposes a penalty for that offence, order that the applicant be disqualified from holding or obtaining a driver licence for the balance of the disqualification period specified in the original order.
- (7) No application or order under this section may be made by or apply to a person who is subject to an alcohol interlock sentence or to an order made under section 65 disqualifying the person from holding or obtaining a driver licence.

- (2) The court may make an order under this section if satisfied that—
  - (a) the disqualification or suspension has resulted or will result in—
    - (i) extreme hardship to the applicant (whether in relation to employment or otherwise); or

  - (a) must specify—
    - (i) the purpose for which the limited licence is issued; and
    - (ii) the particular vehicle or the type of vehicle which may be driven; and

**125 Stopping, inspection, and weighing of heavy vehicles and certain transport service vehicles**

- (1) An enforcement officer may at any time exercise all or any of the following powers in respect of a heavy motor vehicle or transport service vehicle (other than a light rental service vehicle) on a road:
  - (a) inspect the load on the vehicle:
  - (b) measure, or require to be measured, the weight of the vehicle or the weight on any of its axles:
  - (c) direct the driver or person in charge of the vehicle to drive the vehicle to a site and on to a weighing device specified by the enforcement officer for the purpose of enforcing the provisions of this Act or the Road User Charges Act 2012 or any other enactment, even though the driver may not otherwise be permitted to drive the vehicle to that site.
- (2) The power conferred by subsection (1)(c) is also exercisable in respect of a vehicle an enforcement officer believes to be a heavy motor vehicle or transport service vehicle (other than a light rental service vehicle).
- (3) Except where the driver has failed to stop when directed under subsection (4), nothing in subsection (1) authorises an enforcement officer to direct the driver or person in charge, in order to drive the vehicle to a site or weighing device, to travel a distance that would increase the total length of the journey by—
  - (a) more than 5 km; or
  - (b) more than 10 km, if the site where the vehicle has been brought to a stop is unsuitable for weighing the vehicle because—
    - (i) doing so may pose a safety risk to other road users or to the enforcement officer; or
    - (ii) the site is not level enough for accurate weighing.
- (4) The driver of a heavy motor vehicle or goods service vehicle must, whenever directed by a sign specifying that that particular vehicle or vehicles of that vehicle's class must stop or by an enforcement officer, stop the vehicle and keep it stopped so that an enforcement officer may determine whether or not to take any action under subsection (1) or to complete the exercise of any other power conferred on an enforcement officer by this Act.

## 126 Off-loading of overloaded vehicle

- (1) An enforcement officer must direct the driver of a heavy motor vehicle or transport service vehicle on a road to keep the vehicle stopped or remove it to a place of safety approved by the officer and remain stopped there, if—
  - (a) the mass of a heavy motor vehicle or transport service vehicle on a road is measured by, or at the direction of, an enforcement officer; and
  - (b) the gross mass of the vehicle, or the mass on a wheel, axle, or group of axles of the motor vehicle, exceeds by at least 10% or by 2 000 kg (whichever is the lesser)—
    - (i) a prescribed mass restriction applicable to that motor vehicle; or
    - (ii) a mass or loading restriction specified in the vehicle's certificate of loading.
- (2) The vehicle must remain at the place to which it is directed under subsection (1) until either—
  - (a) part of the load is removed or the load rearranged so as to reduce the gross mass and the mass on every wheel, every axle, and every group of axles of the motor vehicle to not more than—
    - (i) the maximum prescribed mass applicable to that motor vehicle; and
    - (ii) a mass or loading restriction specified in the vehicle's certificate of loading; or
  - (b) a permit in writing is issued under this Act to permit the motor vehicle to proceed along a road with its load.
- (3) If a motor vehicle stopped under subsection (1) is a passenger service vehicle, and a suitable alternative vehicle is available within a reasonable time, the passengers must be transferred to that alternative vehicle; but, if a suitable alternative vehicle is not available within a reasonable time, the passenger service vehicle must be permitted to proceed at a low speed, under the escort of an enforcement officer, to a safe location that is suitable for handling the passengers and has adequate communications facilities.
- (4) If—
  - (a) the mass of a heavy motor vehicle approaching a bridge for which a mass restriction has been prescribed is measured by or at the direction of an enforcement officer; and
  - (b) the gross mass of the motor vehicle, or the mass on any wheel, axle, or group of axles of the motor vehicle, exceeds by at least 10% or by 2 000 kg (whichever is the lesser) any mass restriction for that bridge,—the enforcement officer must, by direction given to the driver or person in charge of the motor vehicle, direct that the motor vehicle may not be driven on to the bridge until the load or part of the load is removed so as to reduce the

gross mass and the mass on every wheel, every axle, and every group of axles to not more than the maximum prescribed for that bridge, or until a permit in writing has been issued under this Act permitting that motor vehicle to proceed on to that bridge with its load.

(5) Subsection (4) overrides subsection (3).

#### **146 Evidence of testing and accuracy of speed-measuring devices, etc**

- (1) In proceedings for a speeding offence against any bylaws or enactment, any other offence against this Act, or an offence against the Road User Charges Act 2012 (or any regulations made under that Act), the production of a certificate (or a document purporting to be a copy of the certificate) purporting to be signed by a constable or Police employee who is not a constable authorised for the purpose by the Commissioner or by a person authorised for the purpose by the Agency, as to the testing and accuracy of any equipment or device to which this section applies that is referred to in the certificate, is, in the absence of proof to the contrary, sufficient proof that the equipment or device referred to was tested on the date specified in the certificate and was accurate on the date of the alleged offence.
- (2) Every document purporting to be a copy of a certificate issued under this section is, in the absence of proof to the contrary, to be presumed to be a true copy.
- (3) Every certificate issued under this section is, in the absence of proof to the contrary, to be presumed to have been signed by a person duly authorised to sign it; and it is not necessary for any such certificate to show on its face that the person signing it was so authorised.
- (4) This section applies to distance-measuring devices, speed-measuring devices, approved vehicle surveillance equipment, and tuning forks used to check such devices or equipment.
- (5) The fact that any equipment or device to which this section applies was tested before or after the date of the alleged offence does not of itself affect the validity of any certificate given under this section in relation to the testing of that equipment or device. However, any testing must not be more than 12 months before the date of the alleged offence.
- (6) In any proceedings where a certificate has been produced under this section, the court may, on application made not less than 14 days before the hearing of the charge concerned, and if satisfied that there is good cause to do so, set aside the certificate and require the accuracy of the equipment or device to be established by evidence other than the certificate.

### 146A Average speed treated as actual speed

- (1) In proceedings against a person for a speeding offence, the average speed of the relevant vehicle between 2 detection points on a road calculated by a point-to-point average speed system must, in the absence of proof to the contrary, be treated as being the speed at which the vehicle was actually travelling between those 2 detection points.
- (2) The average speed of a vehicle between 2 detection points on a road is to be calculated using the following formula (and expressed in kilometres per hour rounded down to the next whole number):

$$(d \times 3.6) \div t$$

where—

- d is the surveyed distance (expressed in metres and rounded down to the next whole number)
- t is the period (expressed in seconds) between the time when the vehicle passes the first detection point and the time when it passes the second detection point.

- (3) In this section and sections 146B to 146D, unless the context otherwise requires,—

**data**, in relation to a speeding offence detected by a point-to-point average speed system, means any form of data (including electronic images or a sequence of electronic images) about any 1 or more of the following:

- (a) the time of any event recorded (including the time a vehicle passed a detection point):
- (b) the position of a vehicle on a road at any given time:
- (c) the direction in which a vehicle is moving:
- (d) the characters on a vehicle's registration plate:
- (e) the average speed of a vehicle between 2 detection points:
- (f) any speed limit or speed limits between 2 detection points:
- (g) any self-test, diagnostic, or other data about how the system is operating

**element**, of a point-to-point average speed system, means any 1 or more of the following:

- (a) the 2 items of approved vehicle surveillance equipment at the detection points:

- (b) the location of the 2 detection points:
- (c) the surveyed distance between those 2 detection points:
- (d) if only 1 speed limit applies between those 2 detection points, that speed limit:
- (e) if more than 1 speed limit applies between those 2 detection points,—
  - (i) those speed limits; and
  - (ii) when those speed limits apply; and
  - (iii) the intermediate surveyed distance for each speed limit; and
  - (iv) the weighted average speed limit between those 2 detection points, as calculated under section 146B

**intermediate surveyed distance**, in a case where 2 or more speed limits apply between 2 detection points, means the distance along the length of road where each speed limit applies—

- (a) measured by a cadastral surveyor licensed under the Cadastral Survey Act 2002 in accordance with the method determined and published by the Director after consulting with the Surveyor-General appointed under that Act; and
- (b) published by the Director under section 146D

**surveyed distance** means the distance between 2 detection points to which 1 or more speed limits apply—

- (a) measured by a cadastral surveyor licensed under the Cadastral Survey Act 2002 in accordance with the method determined and published by the Director after consulting the Surveyor-General appointed under that Act; and
- (b) published by the Director under section 146D.

Section 146A: inserted, on 1 March 2024, by section 30 of the Land Transport (Road Safety) Amendment Act 2023 (2023 No 62).

### **146B Weighted average speed limit between 2 detection points**

- (1) This section applies if more than 1 speed limit applies between 2 detection points on a length of road along which the average speed of a vehicle is to be calculated for the purposes of section 146A.
- (2) The speed limit for the purpose of that calculation is the average weighted speed limit calculated under subsection (3).
- (3) The average weighted speed limit for a length of road between 2 detection points is to be calculated using the following formula (and expressed in kilometres per hour rounded up to the next whole number):

$$d_1 \div ((d_1 \div s_1) + (d_2 \div s_2) + \dots (d_n \div s_n))$$

where—

$d_t$  is the surveyed distance (expressed in metres and rounded down to the next whole number)

$d_1, d_2 \dots d_n$  are the intermediate surveyed distances (expressed in metres and rounded down to the next whole number) over which the speed limits between the 2 detection points apply

$s_1, s_2 \dots s_n$  are the speed limits that apply between the 2 detection points.

Section 146B: inserted, on 1 March 2024, by section 30 of the Land Transport (Road Safety) Amendment Act 2023 (2023 No 62).

### **146C Evidence relating to average speed**

- (1) This section applies to proceedings for a speeding offence in which the average speed of the vehicle under section 146A is relied on.
- (2) In those proceedings, the production of data relating to the alleged speeding offence and purporting to be generated by a point-to-point average speed system is, in the absence of proof to the contrary, sufficient evidence of the accuracy of that data.
- (3) In those proceedings, the production of a notice published under section 146D describing an element of a point-to-point average speed system is, in the absence of proof to the contrary, sufficient evidence of that element.
- (4) In cases to which section 146B applies, the weighted average speed limit calculated under that section must be treated as a speed limit in provisions in or under this Act that impose different penalties for speeding offences depending on the degree to which a speed limit is exceeded, and those provisions apply accordingly.
- (5) This section does not limit or affect any other evidence of the speed of a motor vehicle in proceedings for a speeding offence.

Section 146C: inserted, on 1 March 2024, by section 30 of the Land Transport (Road Safety) Amendment Act 2023 (2023 No 62).

### **146D Publication of matters relating to point-to-point average speed system**

- (1) The Director must publish—
  - (a) the elements of a point-to-point average speed system; and
  - (b) the method by which surveyed distances and intermediate surveyed distances are to be measured for the purpose of the operation of any point-to-point average speed system.
- (2) The Director must publish those matters by notice—
  - (a) in the *Gazette*; and
  - (b) on an Internet site maintained by the Agency.

Section 146D: inserted, on 1 March 2024, by section 30 of the Land Transport (Road Safety) Amendment Act 2023 (2023 No 62).

**146E Traffic control devices informing drivers of system**

- (1) If the Agency installs a point-to-point average speed system on a road, it must ensure that, while the system is being operated, 1 or more traffic control devices are in place that inform drivers passing the first detection point of the presence of the system.
- (2) In proceedings for a speeding offence in which the average speed of the vehicle under section 146A is relied on, a certificate purporting to be signed by a constable, a Police employee who is not a constable, or an employee of the Agency, that states that 1 or more traffic control devices were in place on a date no more than 1 year before the date of the alleged offence, is, in the absence of proof to the contrary, sufficient evidence that the device or devices were in place as stated.

Section 146E: inserted, on 1 March 2024, by section 30 of the Land Transport (Road Safety) Amendment Act 2023 (2023 No 62).

**147 Evidence of accuracy of weighing devices and sites**

- (1) In proceedings for an offence against this Act or an offence against the Road User Charges Act 2012 (or any regulations made under that Act), the production of a certificate (or a document purporting to be a copy of a certificate) purporting to be signed by a constable or Police employee who is not a constable authorised by the Commissioner in that behalf (either generally or in a particular case) to the effect described in subsection (2) is, in the absence of evidence to the contrary, sufficient evidence that the device or site to which the certificate relates has been tested and was accurate on the date of the alleged offence.
- (2) A certificate referred to in subsection (1) may be to the effect that,—
  - (a) on a specified date, being a date not more than 12 months earlier than the date of the alleged offence, a weighing device referred to in the certificate was tested and found to be accurate by—
    - (i) an Inspector of Weights and Measures; or
    - (ii) an accredited person (within the meaning of the Weights and Measures Act 1987); or
    - (iii) an employee of a laboratory for the time being approved for the purpose by the Science Minister, by notice in the *Gazette*; or
    - (iv) any other person who is approved for the purpose by the Minister, by notice in the *Gazette*; or
  - (b) on a specified date, being a date not more than 5 years earlier than the date of the alleged offence, a site referred to in the certificate was tested or surveyed, and found to be accurate, by—
    - (i) an employee of the Agency; or
    - (ii) a constable or Police employee who is not a constable; or

- (iii) an employee or contractor of a laboratory for the time being approved for the purpose by the Science Minister, by notice in the *Gazette*.
- (3) *[Repealed]*
- (4) A certificate issued under subsection (1) sufficiently identifies the weighing device to which it refers if (in the case of a portable wheel weigher) it contains the serial number of the wheel weigher or if (in the case of a weighbridge or site) it refers to the location of the weighbridge or site.
- (5) Every document purporting to be a copy of a certificate issued under this section is, in the absence of evidence to the contrary, to be presumed to be a true copy.
- (6) Every certificate issued under this section is, in the absence of evidence to the contrary, to be presumed to have been signed by a person duly authorised to sign it; and it is not necessary for any such certificate to show on its face that the person signing it was so authorised.
- (7) In proceedings for an offence against this Act or an offence against the Road User Charges Act 2012 (or any regulations made under that Act), evidence that—
- (a) a weighing device bore the stamp of a mark of verification under the Weights and Measures Act 1987 indicating that the weighing device had been so stamped; or
- (b) at the time of the alleged offence, there was in force in respect of a weighing device a certificate of accuracy issued under the Weights and Measures Act 1987—
- is, in the absence of evidence to the contrary, sufficient evidence that the weighing device was accurate on the date of the alleged offence.
- (8) In this section, **site** does not include weigh-in-motion technology.

#### **147A Certification of accuracy of alternative weighing technology**

- (1) Alternative weighing technology may be certified as having been tested and found to be accurate if, on a specified date, it was tested and found to be accurate by—
  - (a) an Inspector of Weights and Measures; or
  - (b) an accredited person (within the meaning of the Weights and Measures Act 1987); or

- (3) For the purposes of this section, **alternative weighing technology** means technology that—
  - (a) is capable of measuring the mass of a vehicle or the mass on each axle of a vehicle; and
  - (b) is not described in section 147(4).
- (4) If alternative weighing technology has been certified under subsection (1) on a date not more than 12 months earlier than the date of the use of the technology, the technology—
  - (a) may be used to assess whether to investigate a possible offence against this Act or an offence against the Road User Charges Act 2012 (or any regulations made under those Acts); or
  - (b) may be used to assess whether such an offence has been committed.

Section 147A: inserted, on 11 August 2017, by section 56 of the Land Transport Amendment Act 2017 (2017 No 34).

#### **148 Presumptions relating to axle weights and dangerous goods**

- (1) This section applies in proceedings for an offence against section 43(1) (which relates to overloading offences) where the gross weight of the motor vehicle or the weight on an axle or group of axles or the total number of axles of

the motor vehicle is measured at some place other than the place where the overloading offence is alleged to have been committed.

- (2) If subsection (1) applies, it is to be presumed, in the absence of evidence to the contrary, that the gross weight of the motor vehicle or (as the case may be) the weight on that axle or group of axles or the total number of axles, at the time when and the place where the offence is alleged to have been committed, was the same as the gross weight or (as the case may be) the weight on that axle or group of axles or the total number of axles, as ascertained at the time when and the place where that weight was measured.
- (3) In any proceedings for an offence against this Act concerning the carriage of dangerous goods, it is to be presumed, in the absence of evidence to the contrary, that,—
  - (a) if any marks, labels, or placards on the vehicle or rail vehicle or the load indicated the presence of dangerous goods or other material or food or food containers, then such dangerous goods or other material or food or food containers were present on the vehicle or rail vehicle or in the load, and were—
    - (i) of the nature indicated by the mark, label, or placard; and
    - (ii) of the quantity (if any) indicated by the mark, label, or placard:
  - (b) if the vehicle or rail vehicle or load on the vehicle or rail vehicle contained any dangerous goods or other material, or food or food containers, for which documentation was carried by the driver or inside or on the vehicle or rail vehicle, then such dangerous goods or other material, or food or food containers, were of the nature indicated and were of the quantity (if any) specified in that documentation.
- (4) With respect to subsection (3), the definition of load in section 2(1) must be read as if the references to a vehicle or vehicles in that definition were references to a rail vehicle or rail vehicles, as the case may be.

- (1) A statement made to an enforcement officer, or to a person authorised for that purpose by the Agency or the Director, to the effect described in subsection (2) may be given in evidence by that officer or person and is admissible in evidence in proceedings for an offence against this Act as evidence of the matters referred to in the statement.

- (2) A statement referred to in subsection (1) must be to the effect that the statement—
- (a) was made by the driver of—
    - (i) a vehicle that is or ought to be used in a transport service (other than a rental service); or
    - (ii) a heavy motor vehicle; and
  - (b) was made to an enforcement officer or to a person authorised for that purpose by the Agency or the Director; and
