- (5) Notwithstanding the foregoing provisions of this section, the court, if it thinks fit, instead of vesting land in the beneficial owners, may make an order in terms of section 438 of the Maori Affairs Act 1953 vesting the land in a trustee or trustees (including, if the court thinks fit, a Maori Trust Board under the Maori Trust Boards Act 1955) upon the trusts declared in a separate order pursuant to that section.

- (2) Any exchange order made for the purpose of this Act shall have effect in all respects as if it were an exchange order made to give effect to an exchange under Part 17 of the Maori Affairs Act 1953, and the provisions of that Part shall apply to any such exchange order.

- (1) The Governor-General may from time to time, by Order in Council, constitute the beneficial owners of any 1 or more parcels of reserved land, a Maori incorporation under Part 4 of the Maori Affairs Amendment Act 1967, from a date to be specified in the order. Every such Order in Council shall specify the objects for which the incorporation is constituted and shall take effect according to its tenor as if an order of incorporation under section 29 of that Act had been made in respect of the land by the court, and, except as otherwise provided in this section, all the provisions of Part 4 of that Act (including section 28 of that Act which empowers the court, on application, to redefine the objects of an incorporation or add new objects) shall, with all necessary modifications, apply accordingly.
- (2) On application by the Māori Trustee at any time after the constitution of a Maori incorporation pursuant to subsection (1), the court shall fix a time and place for the holding of a general meeting of shareholders to determine the number of members to comprise the committee of management and to nominate a committee accordingly. The court shall direct the Registrar to summon the meeting and shall specify the way in which notice is to be given and shall appoint a chairman. Unless the court fixes some other quorum, the quorum for the meeting shall be determined in accordance with section 63(9) of the Maori Affairs Amendment Act 1967 and the provisions of the Maori Incorporations Regulations 1969 relating to general meetings of shareholders shall, with all necessary modifications, apply accordingly.
- (3) The chairman of the meeting held pursuant to subsection (2) shall report the results of the meeting to the court and shall apply to the court to fix the number of members of the committee of management and appoint members accordingly.
- (4) Notwithstanding the provisions of Part 4 of the Maori Affairs Amendment Act 1967, the fee simple of the land specified in any Order in Council made under subsection (1) shall not by reason of that order or the constitution of the incorporation pass to the incorporation, but the incorporation shall be entitled to have

that land transferred to it in accordance with subsection (6). All land so transferred shall, on the registration of the transfer, cease to be reserved land within the meaning of this Act.

- (5) Where the beneficial owners of any reserved land are constituted under this section as a Maori incorporation, the Māori Trustee shall, until that land is transferred by him to the corporation pursuant to subsection (6), continue to hold it and to receive and deal with all money payable to him in respect of it, but shall do so as trustee and agent of the incorporation as so constituted. The Māori Trustee may continue to charge fees, expenses, and commission in respect of his administration of the land and money.
- (6) The Māori Trustee, at the request of the committee of management of any Maori incorporation constituted pursuant to this section, shall transfer to the incorporation all the incorporation land, subject to all leases, licences, charges, and other encumbrances, and shall pay to the incorporation any money held by him and arising from the incorporation land, whether the money is held in gross as it has been received or is on behalf of an individual beneficial owner to whom it has been allocated. The Māori Trustee shall at the same time hand over to the incorporation all records held by him relating to the land and to any dealings therewith, and all necessary records relating to the money paid over by him to the incorporation.
- (7) All land transferred to a Maori incorporation pursuant to this section and all land subsequently vested in the incorporation by whatever means shall, whatever its status immediately before the transfer or vesting, be, in the hands of the incorporation, Maori freehold land as if a declaration to that effect had been made by the court under section 31(3) of the Maori Affairs Amendment Act 1967.
- (8) The Registrar of the Maori Land Court shall in respect of each incorporation constituted pursuant to this section make the necessary entries in the register of Maori incorporations kept by him pursuant to section 64 of the Maori Affairs Amendment Act 1967.
- (9) The provisions of section 14(4) shall apply to any current leases over land transferred to a Maori incorporation pursuant to this section.
- (10) Every memorandum of transfer from the Māori Trustee to a Maori incorporation constituted pursuant to this section shall be and be deemed to be a transfer from a trustee to the beneficiaries personally entitled in possession under the trusts administered by him, and no such transfer shall be subject to confirmation by the Maori Land Court.

- for the period from the beginning of the compensation period to the first existing review date, the current rent:
  - for the period from one existing review date until the next existing review date, the prescribed rent rate multiplied by the estimated unimproved value, as at the existing review date at the beginning of the period, divided by 12:

- 5 For the purpose of calculating the compensation payable in accordance with this schedule, the estimated market rent that would be payable to the lessor for each month in the compensation period must be determined as follows:
- (a) in respect of each month in the period from the beginning of the compensation period until the seventh anniversary of the commencement of the compensation period, the estimated market rent is the estimated unimproved value, as at the commencement of the compensation period, multiplied by the market rent rate and divided by 12:

- (c) in respect of each month in the period beginning on the last subsequent rent review date and ending with the close of the compensation period, the estimated market rent is the estimated unimproved value, as at the last subsequent rent review date, multiplied by the market rent rate and divided by 12:
- (d) where the first existing review date or any next existing review date is not the first day of a month, the review date for the purpose of the monthly calculations is deemed to be the first day of the month immedi-

ately following any such first existing review date or next existing review date.

where

DR is the discount rate; and

Clause 9 represents the value of the cashflow calculations in clause 9 for each month of the compensation period; and

- 15 Calculate the aggregate of the calculations made under clause 13 or clause 14 (as appropriate) according to the following formula:

$$\sum_{i=0}^n \frac{(\text{Clause 13 or 14})_i}{\left(1 + \frac{DR}{100}\right)^i}$$

i represents the applicable month in the compensation period from month 0 to month 599; and

n represents the number of months in the compensation period; and

$\left(1 + \frac{DR}{100}\right)^i$  represents the applicable discount factor for each month of the compensation period.

- 16 The compensation payable to the lessee is—
- (a) the amount that is the result of the calculation under clause 15; plus
