8 Failure to comply with requisition	2
9 Certified copies of Register to be evidence	2

The Parliament of New Zealand enacts as follows:

- 1 Title**
- (1) This Act is the Radiocommunications Amendment Act (No 2) 2005.
 - (2) In this Act, the Radiocommunications Act 1989 is called “the principal Act”.

2 Commencement

This Act comes into force on the day after the date on which it receives the Royal assent.

3 Interpretation

Section 2(1) of the principal Act is amended by inserting in the definition of co-channel emissions, after the words “means emissions”, the words “(other than unwanted emissions)”.

4 Section 7 repealed

Section 7 of the principal Act is repealed.

5 Section 8 repealed

Section 8 of the principal Act is repealed.

6 Section 14 repealed

Section 14 of the principal Act is repealed.

7 Registration procedure

Section 17 of the principal Act is amended by repealing paragraphs (c) to (e), and substituting the following paragraphs:

“(c) retain a record of the instrument in the Registrar’s office; and

“(d) forward the certificate issued under paragraph (b) to the person who presented the instrument for registration”.

8 Failure to comply with requisition

Section 19 of the principal Act is amended by omitting the words “forwarded by letter, telegram, facsimile transmission, or telex”, and substituting the words “given by post, delivery, or electronic transmission (for example, by fax or email)”.

9 Certified copies of Register to be evidence

Section 30(2) of the principal Act is amended by omitting the words “, and sealed with the Registrar’s seal,”.
