Preamble

- (1) The St Peter's (Wellington) Endowment Fund Trust Board (the **Trust Board**) was established by a declaration of trust dated 8 August 1922 (the **trust deed**):
- (2) Relatively soon after the trust deed was signed, the St Peter's Parish Endowment Fund Act 1927 (the **1927 Act**) was passed, the effect of which was to make amendments to 2 of the clauses in the trust deed. The most up-to-date version of the trust deed is, therefore, one that incorporates amendments made by primary legislation:
- (3) The Trust Board is incorporated under the Charitable Trusts Act 1957 (having been incorporated on 16 October 1939 under equivalent legislation in force at that time):

- (4) The Trust Board is also subject to the Anglican Church Trusts Act 1981:
- (5) The Trust Board has invested a significant amount of the funds that are held for the charitable purposes of the Trust Board to benefit the parish of St Peter's in Wellington:
- (6) The Trust Board is, however, limited in its ability to distribute income from investing the funds effectively for the intended charitable purposes because the trust deed restricts the size of distributions to the amount of income earned in the preceding year. The Trust Board wishes to amend the trust deed to resolve this:
- (7) The trust deed would also benefit from a number of other amendments. In particular, the Trust Board wishes to amend the trust deed to—
 - (a) specify that loans can be made to the parish; and
 - (b) update and modernise the governance and administration arrangements of the Trust Board; and
 - (c) specify the legal liability of the members of the Trust Board:
- (8) The Trust Board is unable to advance amendments relating to the making of distributions because section 2 of the 1927 Act amends the distribution provisions of the trust deed:
- (9) The ability of the Trust Board to make an amendment by way of the Anglican Church Trusts Act 1981 and/or the Charitable Trusts Act 1957 in relation to the legal liability of members of the Trust Board is not clear. The introduction of limitations of liability and of an indemnity provision affect the capital of the funds held by the Trust Board. Accordingly, the Trust Board considers that there is a significant risk that such an amendment cannot be made otherwise than by a private Bill:
- (10) The Trust Board considers that legislation is preferable, primarily because all the amendments can be made by way of a single enactment. A two-stage process (consisting of a private Bill followed by High Court proceedings) would involve considerable delay:
- (11) The purpose of this Act, therefore, is to—
 - (a) amend the trust deed in the manner described above; and
 - (b) ensure that any future amendments to the trust deed that may be required will be able to be made under the provisions of the Anglican Church Trusts Act 1981, and, where applicable, the Charitable Trusts Act 1957:
- (12) The changes to the trust deed made by the 1927 Act were limited in scope. As a result of this, along with the passage of time that has elapsed, it is more appropriate to progress a new private Bill (rather than to amend the 1927 Act):
- (13) The changes to the trust deed made in this Act make obsolete the changes that were made by the 1927 Act. Accordingly, this Act also repeals the 1927 Act:

The Parliament of New Zealand therefore enacts as follows:

1 Title

This Act is the St Peter's Parish Endowment Fund Trust Act 2023.

This Act comes into force on the day after the date on which it receives the Royal assent.

- (2) Each member of the Trust Board must be fully indemnified by and out of the fund (whether from capital or income)—
- (a) for any loss or liability that they incur in the carrying out or omission of any function, duty, power, or discretion of the Trust Board; and
 - (b) in respect of any outlay or expenses incurred by them in the management and administration of the Trust Board.
- (3) However, subsection (2) does not apply if the loss or liability is attributable to a breach of trust arising from that member's dishonesty, wilful misconduct, or gross negligence.

8 Clauses 4 and 5 of trust deed revoked

Revoke clauses 4 and 5 of the trust deed.

9 Application of other Acts

- (1) Any future amendments to the trust deed may be made in accordance with the Anglican Church Trusts Act 1981 and, where applicable, the Charitable Trusts Act 1957.
- (2) Despite the variation of the trust deed and the mode of administration of the Trust Board by this Act, Part 3 of the Charitable Trusts Act 1957 and Part 3 of the Anglican Church Trusts Act 1981 apply to the Trust Board as if—
 - (a) the purposes for which the property held by the Trust Board is held were charitable purposes within the meaning of the Charitable Trusts Act 1957; and
 - (b) the Trust Board were trustees within the meaning of Part 3 of the Charitable Trusts Act 1957; and
 - (c) those variations had been effected under Part 3 of the Anglican Church Trusts Act 1981.
- (3) The Trust Board may only be wound up in accordance with the Charitable Trusts Act 1957.
