- (b) All rents and profits in respect of the said land in the hands of the Public Trustee at the date of the gazetting of the said notice, and all rents and profits that thereafter accrue, shall be paid into the Public Account to a special account to be called the **North Island Experimental Dairy School Account**; and the Colonial Treasurer may from time to time, without any further appropriation by Parliament, pay therefrom any expenses incurred by or under the authority of the Minister for Agriculture in the establishment, support, and maintenance of the said experimental dairy school.
