165 Meaning of affected claimant

In section 166, **affected claimant** means a person to whom the following circumstances apply:

- (a) the person brought a claim under section 9 in respect of the construction or alteration of a dwellinghouse for which—
- (i) 1 or more code compliance certificates were issued for the relevant building work; and
- (ii) the certificate or certificates were issued before 1 January 2012; and
- (b) the claim was brought within the period of 10 years immediately before the day on which the code compliance certificate was issued (or, if more than 1 certificate was issued, the day on which the final certificate was issued); and
- (c) the chief executive or the chair decided, within the period starting on 1 April 2007 and ending on 10 June 2014, that the claim was not an eligible claim; and
- (d) the sole reason for the chief executive’s or the chair’s decision was that the claim failed to satisfy the criteria in, as the case may be, section 14(a), 15(c), 16(a), 17(a), or 18(c); and
- (e) in reaching that decision, the chief executive or the chair treated the date on which the dwellinghouse was constructed or altered as a date earlier

than the date on which the code compliance certificate for the relevant building work was issued (or, if more than 1 certificate was issued, the date on which the final certificate was issued); and

- (f) on the commencement of this section, the person still owned the dwellinghouse.

166 Affected claimants deemed to have eligible claims

- (1) An affected claimant is deemed to have an eligible claim under this Act in respect of the dwellinghouse concerned, and the provisions of this Act and the 2011 *Gazette* notice (as amended by the Weathertight Homes Resolution Services Amendment Act 2016) apply accordingly, subject to the rest of this section.
- (2) A claim must be treated as eligible on and from the date on which the claim would have been an eligible claim if the chief executive or the chair had originally decided the claim in the person's favour.
- (3) Clause 1G of the 2011 *Gazette* notice does not apply to an affected claimant.
- (4) A claim must be treated as satisfying the requirements of clause 1H(i) and (ii) and I(i) and (ii) of the 2011 *Gazette* notice.
- (5) To avoid doubt, this section does not automatically confer on an affected claimant the status of a qualifying claimant.
