Part 1 Preliminary

3 Wellington Water Region

- (1) For the purposes of this Act, there is hereby constituted a water region, to be known as the Wellington Water Region, which shall be deemed to be a water region within the meaning of the Water and Soil Conservation Act 1967.
- (2) The region shall comprise those areas of land described in Schedule 1.

- (2) The provisions of sections 27, 28, and 28A of the Municipal Corporations Act 1954 and Schedule 3 of that Act shall, so far as they are applicable and with the necessary modifications, apply in respect of the area excluded from the Manawatu Catchment District by subsection (1) as if both the Manawatu Catchment Board and the Wellington Regional Water Board were corporations of a borough.

5 Wellington Regional Water Board

- (1) There is hereby constituted a Regional Water Board to be known as the Wellington Regional Water Board.
- (2) The Board shall be a body corporate with perpetual succession and a common seal, and may purchase or otherwise acquire, take on lease, hold, dispose of, and alienate real and personal property, and sue and be sued, and do and suffer all such acts and things as bodies corporate may lawfully do and suffer.
- (3) The Board is hereby declared to be a Regional Water Board within the meaning of the Water and Soil Conservation Act 1967 and, subject to the express provisions of this Act, the provisions of that Act shall extend and apply to the Board and the region.
- (4) The Board is also hereby declared to be a local authority within the meaning of the Public Works Act 1928 and the Local Authorities Loans Act 1956, and, subject to the express provisions of this Act, the provisions of those Acts shall extend and apply to the Board.

6 Members of Board

- (1) The Board shall consist of—
- (a) 4 persons to be appointed by the Wellington City Council:
 - (b) 2 persons to be appointed by the Lower Hutt City Council:
 - (c) 7 persons to be appointed by the following local authorities, each of which shall appoint 1 person:

 - (ii) the Upper Hutt City Council:
 - (iii) the Petone Borough Council:
 - (iv) the Tawa Borough Council:
 - (v) the Eastbourne Borough Council:
 - (vi) the Hutt County Council:
 - (vii) the Horowhenua County Council.
- (2) No person shall be appointed to the Board unless he is a member of the constituent authority which intends to appoint him.

committees of the Board, and to exercise and perform the powers and functions of that representative. Any such appointment may in a like manner be revoked at any time. No person shall be appointed as a deputy of a member of the Board unless he is a member of the same constituent authority as the member of the Board for whom he is acting as deputy.

- (4) In addition to the power contained in subsection (3), if, by reason of sickness or other unavoidable cause, any member is unable to attend a meeting of the Board, the Mayor or Chairman, as the case may be, of the constituent authority which that member represents may, by writing under his hand, appoint a qualified person to attend that meeting as the deputy of such representative and there to exercise and perform the powers and functions of that representative.
- (5) The creation, abolition, merger, union, or other alteration of any local district shall not in itself have any operation so as to affect the then existing membership of the Board.

- (8) If by any Order in Council under subsection (6) a reduction is made in the number of members of the Board which a constituent authority is entitled to appoint, a sufficient number of those members shall retire from office on the day appointed in that behalf by the Order in Council, so that the number of members appointed by that constituent authority may conform to the Order in Council. The members so to retire from office shall, in default of agreement among all the members appointed by that constituent authority, be determined by lot in such manner as the Board directs.
- (9) If the population of any local district, or of any part of a local district which is within the region, increases by natural growth, as certified by the Government Statistician after the census taken in 1976 and after each successive quinquennial census, the Governor-General may by Order in Council increase the number of members to be appointed to the Board by the constituent authority of the local district or part thereof so that the number of members which that constituent authority may appoint represents 1 for every 40 000 people or part thereof residing in the local district or part of the local district.

- (2) If on the return of such summons it appears to the court, on affidavit or oral evidence on oath, that such person is incapable under this Act of holding the said office, the court may adjudge such person to be ousted of the same, and such person shall be ousted of office accordingly.
