Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 January 2022, amend the Climate Change (Synthetic Greenhouse Gas Levies) Regulations 2013 (the **principal regulations**). The amendments replace certain Tariff items given in the second column of Schedule 2 of the principal regulations to reflect technical updates made to the Working Tariff Document prepared by the New Zealand Customs Service that take effect on the same date. Rates of levy and classes of leviable goods are unaffected.
