Regulation 4(1) inserts a definition of permit into the principal regulations, the effect of which is to make clear that the principal regulations apply only to permits for minerals other than petroleum.

The other amendments replace references in the principal regulations to the Minerals Programme for Minerals (Excluding Petroleum) 2007 with references to the Minerals Programme for Minerals (Excluding Petroleum) 2008.

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 14 May 2009.
