    - (iii) received at a velvet packing house; or
    - (iv) if subparagraphs (i) to (iii) do not apply, sold for export or for processing or consumption in New Zealand.
- (2) However, a levy is not payable under subclause (1)(b) on velvet if a levy has already been paid or is already payable in relation to the velvet.
- (3) The notice setting the levy may—
  - (a) set the levy at a single rate or at different rates in relation to different types of deer; and
  - (b) specify circumstances in which the levy is not payable.
- (4) The levy is payable to DINZ.
- (5) All amounts of levy paid to DINZ form part of its funds in accordance with these regulations.
- (6) Before 1 October in any year DINZ may fix, by notice in the *Gazette*, the rates of levy (including the basis of their calculation) that are to be paid in the next succeeding financial year.
- (7) However, except with the written consent of the Minister, DINZ must not increase the rate of levy by more than 20% of the rate last fixed.

- (8) If the rates of levy are not fixed under subclause (6) by 1 October, the rates for the next succeeding year are the same as those last fixed, whether under this regulation or by regulation 20 (as the case may be).

### **19 Penalty for late payment**

- (1) If any levy (or goods and services tax payable on the levy) has not been paid by the latest date for payment, then DINZ may charge an additional amount not exceeding the specified percentage of the levy not paid at that date.
- (2) In subclause (1), **specified percentage** means a percentage that—
- (a) has been notified by DINZ in the *Gazette*; and
  - (b) does not exceed 10%.

### **20 Rates of levy payable from commencement of regulations to 30 September 2005**

Schedule 3 sets out—

- (a) the rates of levy (including the penalty levy) payable on and after the commencement of these regulations to the close of 30 September 2005;
- (b) the portion of the levy specified for control and eradication of bovine tuberculosis or other animal health purposes;
- (c) the circumstances in which the levy is not payable.

### **21 Returns**

- (1) A person who is required to pay a levy to DINZ must provide a return (in a form provided by DINZ) of information required by DINZ for the purpose of determining the levy payable.
- (2) The return must be provided to DINZ within 10 days after the end of the month that the return relates to.

### **22 When levy payable**

- (1) The due date for payment of the levy to DINZ is,—
- (a) in the case of venison, the day on which the deer is slaughtered;
  - (b) in the case of velvet (excluding contract processed velvet and velvet that paragraph (d) applies to), the earliest of—
    - (i) the day on which the velvet is sold by an operator of a velvet pool; or
    - (ii) the day on which the velvet is purchased by a person acting for an operator of a velvet packing house; or
    - (iii) the day on which velvet is received at a velvet packing house;
  - (c) in the case of contract processed velvet, the earlier of—

- (i) the day on which the owner of the contract processed velvet receives payment (in part or in full) for the velvet; or
  - (ii) the day on which the contract processed velvet leaves the premises of the registered contract processor:
  - (d) in the case of velvet that regulation 18(1)(b)(iv) applies to, the day on which the velvet is sold.
- (2) The latest date for payment of the levy is the 20th day of the month following the month in which the due date occurs.
- (3) This regulation applies subject to regulation 23.

### **23 Demands for estimated amounts of levy**

- (1) DINZ may estimate any levy payable and provide a levy demand for that estimated amount if—
- (a) a return has not been supplied within the time specified in regulation 21(2); or
  - (b) DINZ is not satisfied that the information contained in a return is complete and correct.
- (2) A collection agent who receives a demand under subclause (1) may dispute the estimated amount demanded within 10 days after the demand is made by giving a notice of dispute to DINZ; however, this applies only to the initial demand and not to a substitute demand made under subclause (3)(c)(i).
- (3) Within 15 days after receiving a notice of dispute,—
- (a) DINZ must consider the matters raised in it; and
  - (b) DINZ must undertake any audit of the operations of the collection agent concerned that DINZ thinks appropriate and the collection agent allows; and
  - (c) by written notice to the collection agent depending on its decision on the dispute, DINZ must—
    - (i) withdraw the demand, and substitute another for it; or
    - (ii) withdraw the demand, and indicate that no other demand will be substituted for it; or
    - (iii) confirm the demand.
- (4) The latest date for payment of the levy is—
- (a) 18 days after the demand is made or any longer period that DINZ allows, unless the collection agent has, within those 18 days, disputed the estimate under subclause (2) or regulation 31; or
  - (b) if the estimate has been disputed, within 18 days after the demand is confirmed or substituted under subclause (3) or regulation 38.

- (5) For the purposes of this regulation, **collection agent**, in relation to velvet that regulation 18(1)(b)(iv) applies to, means the owner of the velvet.

#### **24 Persons primarily liable for payment of levy**

The following persons are primarily responsible for paying the levy to DINZ:

- (a) in the case of venison derived from deer that are slaughtered at a deer slaughterhouse,—
- (i) any portion of the levy specified for the control and eradication of bovine tuberculosis or for other animal health purposes is payable by the owner of the deer at the time the deer are slaughtered;
  - (ii) the balance of the levy is payable by the owner of the deer at the time the deer are slaughtered, but if (at the time of slaughter) the venison is sold to a venison marketer or venison processor, half of the balance of the levy is payable by the venison marketer or venison processor;
- (b) in the case of velvet (excluding velvet that paragraph (c) applies to), the levy is payable by the owner of the velvet on the earliest of the following:
- (i) when the velvet is sold by the operator of a velvet pool on behalf of the owner;
  - (ii) when the velvet is purchased by a person acting on behalf of an operator of a velvet packing house;
  - (iii) when the velvet is received at a velvet packing house;
- (c) in the case of velvet that regulation 18(1)(b)(iv) applies to, the levy is payable by the owner of the velvet on the day on which it is sold.

- (a) purchased by a person acting for that operator; or
  - (b) received at the packing house.
- (4) A collection agent may recover the levy (and any goods and services tax payable on it), except to the extent of any levy or penalty levy for which the collection agent is liable under these regulations, from the person primarily liable

to pay the levy (or part levy) either as a debt due or by reducing the amount otherwise payable to that person for the deer or velvet purchased from that person.

- (5) However, in the case of contract processed venison, the operator of the deer slaughterhouse may recover the full amount of the levy from the venison marketer or venison processor on whose behalf the operator has slaughtered the deer.
- (6) A collection agent is not entitled to charge a collection fee for paying and recovering the levy.

## **26 DINZ may demand levy**

- (1) DINZ may give written notice to a collection agent,—
  - (a) of any amount of levy payable in accordance with regulation 22:

- (2) DINZ may give written notice to the owner of velvet—
  - (a) of any amount of levy payable in accordance with regulation 22(1)(d):
  - (b) of any penalty levy payable.
- (3) The collection agent or owner must, within 15 days (or any longer period DINZ allows in any particular case) after receiving the notice, pay to DINZ the amount specified in it.

## **27 Refunds**

- (1) If DINZ is satisfied that an amount paid to DINZ as levy was not payable, or was more than was payable, it must out of its funds refund the amount or excess.
- (2) No amount is to be refunded under this regulation unless DINZ is satisfied that—
  - (a) the person claiming the refund has not recovered the amount paid; or
  - (b) if the person has recovered the amount paid, the person has since repaid the amount to the person from whom he or she has recovered the amount.
- (3) A refund under this regulation must not be made to a person unless he or she furnishes to DINZ a return or other information, verified in the manner that DINZ may require, as will enable DINZ to determine the amount to be refunded.

## **28 Records relating to levy to be kept**

- (1) A person who makes a return or pays or is liable to pay an amount of levy under these regulations must keep accurate records of the payment and full particulars of the transaction to which the payment related.

- (2) The records must be retained for a period of not less than 2 years after the date on which they are made.

### **29 Inspection of records**

- (1) A person specified in subclause (3) may enter premises (other than a dwelling-house or marae) and—
- (a) inspect—
    - (i) any records kept under regulation 28; and
    - (ii) any other books, accounts, documents, or other papers relating to amounts of levy paid or payable under these regulations; and
  - (b) take copies of the records, books, accounts, documents, or other papers.
- (2) The power of entry must not be exercised unless—
- (a) it is exercised at a reasonable time during business hours; and

  - (c) the person exercising the power has, before doing so, produced his or her identification (including evidence of authorisation) to the person in charge of the premises.
- (3) The persons entitled to exercise the power of entry are any officer, employee, or agent of DINZ or the Auditor-General who is duly authorised to do so by DINZ or the Auditor-General.

### **30 Levy to constitute debt due to DINZ**

- (1) An amount of levy (including any penalty levy) payable under these regulations constitutes a debt due to DINZ when it becomes payable, and is recoverable accordingly by DINZ in any court of competent jurisdiction.
- (2) The provision of information or the making of a return under these regulations is not a prerequisite to the right of DINZ to assess, sue for, and recover an amount of levy.

## **Part 3**

### **Mediation in case of dispute**

#### **31 Appointment of mediators**

- (1) This clause applies to any dispute about—
- (a) whether or not any person is required to pay the levy; or
