Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 12 January 2023, amend the Veterans' Support Regulations 2014 (the **principal regulations**).

Regulation 4 and *Schedule 1* amend Schedule 1 of the principal regulations, which lists the Australian statements of principles (the **statements**) that apply to specific medical conditions for the purposes of the Veterans' Support Act 2014 (the **Act**). The amendments—

- change the name of 1 condition to reflect the name used in updated statements (the condition chronic lymphocytic leukaemia/small lymphocytic lymphoma is now called mature B-cell lymphoid leukaemia and small lymphocytic lymphoma);
- replace references to the statements with updated references.

Regulation 5 and *Schedule 2* amend Schedule 2A of the principal regulations, which lists accepted late-onset conditions for the purposes of the definition of accepted late-onset condition in section 7 of the Act. These amendments—

- change the name of the condition chronic lymphocytic leukaemia/small lymphocytic lymphoma to mature B-cell lymphoid leukaemia and small lymphocytic lymphoma;
- add 2 new accepted late-onset conditions (exertional heat illness and gender dysphoria).

Issued under the authority of the Legislation Act 2019.

Date of notification in *Gazette*: 15 December 2022.

These regulations are administered by the New Zealand Defence Force.
