AN ACT to amend the Auckland and Suburban Drainage Act, 1908. Title.  
[3rd October, 1931.]

WHEREAS under the provisions of the Auckland and Suburban Drainage Act, 1908, the Auckland and Suburban Drainage Board is authorized to undertake and carry out certain drainage-works and works incidental thereto: And whereas by section forty-six of the said Act it is provided that the income and revenue of the said Board shall consist of contributions to be levied and paid by the contributing local authorities therein named, and provision is made in the said Act for the determination and assessment of such contributions on a fixed basis: And whereas it has been found expedient for the Board to enter into arrangements with local authorities and others to undertake and carry out certain drainage-works for the benefit of any districts or areas and for which the authorities of such districts or areas should alone pay, and it is doubtful whether the said Board is lawfully empowered to enter into such arrangements, and it is desirable that such power should be given to the said Board and that certain incidental and supplementary provisions should be made: Preamble.

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

(2) Every such agreement shall be entered into before the Board begins the works to which the agreement relates, and where any local authority proposes to raise a loan for the purpose of making any payment to the Board in respect of any works such local authority shall not enter into such agreement unless and until it has duly obtained, under the Local Government Loans Board Act, 1926, the consent of the Governor-General in Council to the raising of such loan.
