[24 October 1969]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:

1. Short Title—This Act may be cited as the Coromandel County Council Ambulance Levy Act 1969.

2. Power to make ambulance levy—(1) For the purposes specified in this section the Coromandel County Council is hereby empowered to make and levy a uniform annual charge upon each property which is separately rateable under the Rating Act 1967 and which is situated within any portion of the County of Coromandel which the Council may from time to time define by special order for the purposes of this Act:

Provided that where in any year any person is the sole occupier (as defined in section 2 of the Rating Act 1967) or any persons are the sole occupiers (as so defined) of more than one such property (whether or not those properties are in the same defined portion of the County) the charge for

that year shall not be levied in respect of each of his or their properties but only in respect of such one of his or their properties as the Council determines.

(2) Notwithstanding anything to the contrary contained in section 112 of the Counties Act 1956 or any other provision of that Act, the uniform annual charge shall be of such amount, not exceeding \$1, in each defined portion of the County as may be fixed by the Council from year to year. Subject to the limit of \$1, the amounts of the charges fixed in respect of each such defined portion of the County may be different.

(3) Subject to subsection (6) of this section, the money derived from the said levy shall be used for the purchasing of ambulances and for the payment of the running costs and maintenance of ambulances to be stationed at Coromandel and Whitianga, and to provide a fund for the replacement of the said ambulances.

(4) Except as provided in subsection (5) of this section, every such levy shall be included in and shall form part of the rates assessments issued annually by the Council and shall be recoverable in the same manner as rates are recoverable under the Rating Act 1967.

(5) The levy for the year ending on the 31st day of March 1970, made for the purpose of establishing and operating an ambulance service in Whitianga may be made by way of a separate rates assessment.

(6) For the purposes of section 114 of the Counties Act 1956 any uniform annual charge levied under this Act shall be deemed to be a separate rate and that section shall apply accordingly with all necessary modifications.

3. Repeal—The Coromandel County Council Ambulance Levy Act 1962 is hereby repealed.
