BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows :—

Short Title.

1. This Act may be cited as the Christchurch Milk-supply and Markets Amendment Act, 1917, and shall form part of and be read together with the Christchurch Milk-supply and Markets Act, 1914.

Power to grant licenses to retail milk.

2. The Council shall have power to grant licenses (hereinafter referred to as milk licenses) to retail milk within the city.

Unlawful to sell without a license.

3. No person shall sell (or deliver) milk within the city unless he shall have obtained a milk license :

Provided that nothing in this Act shall interfere with the sale or delivery of milk in the ordinary course of wholesale dealing.

An area may be assigned to applicant for license.

4. Before granting a milk license the Council may assign to the applicant a given area within which the applicant may sell and deliver milk. The size of an area shall be adjusted to suit the average daily output of milk supplied by the applicant, and a full description of the area shall be endorsed on the license.

Holder of license not to sell elsewhere in city.

5. The holder of a milk license shall not (except as hereinafter mentioned) sell or deliver milk anywhere within the city except in the area so assigned to him, nor to any persons other than the residents in or occupiers of any house or houses within such area.

6. Notwithstanding anything in the foregoing provisions of this Act, the Council may grant milk licenses to persons for the sale of milk at shops within the city, properly equipped for the sale of milk and dairy-produce exclusively; and it shall be lawful for all holders of milk licenses to sell milk to the occupiers of any such shop, and for the occupier of any such shop to sell milk to any person at that shop, but not elsewhere.

Sale of milk at shops.

7. The Council may from time to time make alterations in the boundaries of any areas, and may from time to time make all such adjustments of boundaries between areas adjacent to each other as the circumstances may require.

Power of Council to alter boundaries of areas.

8. (1.) The Council may from time to time, and shall at any time upon the written request of not less than twenty-five milk licensees, call a meeting of all the milk licensees for the time being holding milk licenses under this Act for the purpose of making an agreement to be submitted to the Council fixing the retail price of milk.

Power of Council to fix retail price of milk.

(2.) Such meeting shall be called by public notice as defined in the Municipal Corporations Act, 1908, at a place and time (not being less than seven days after the date of the notice) to be stated in such notice.

(3.) Such meeting may be adjourned as often as required.

(4.) Every resolution passed by a majority of the milk licensees present thereat shall be deemed to be binding on the minority.

(5.) It shall be lawful for the Council, either at or subsequent to such meeting, to enter into an agreement with two or more representatives (appointed for the purpose by the meeting) of the milk licensees fixing the retail price.

(6.) If no agreement fixing price shall be so arrived at, the Council may by resolution at its next ordinary meeting or at any subsequent meeting fix such retail price :

Provided always that if the price fixed by such resolution shall not be a price approved by the majority at the meeting aforesaid, then it shall be lawful for any milk licensee on behalf of the majority of the milk licensees, within seven days after the passing of such resolution, to appeal therefrom to the Magistrate. On any such appeal the Court may fix the retail price of milk within the city, and the decision of the Magistrate on such appeal shall take the place of such resolution.

(7.) The said appeal shall be made in such manner and subject to such conditions as are prescribed.

(8.) The price fixed by such agreement, resolution, or decision, as the case may be, shall remain in force and be deemed to be the fixed price until altered or rescinded after a subsequent meeting of milk licensees by a subsequent agreement, resolution, or decision as aforesaid.

(9.) No one shall demand or receive a higher retail price than the price so fixed as aforesaid.

9. The Council may from time to time appoint one or more Inspectors for the purposes of this Act.
