### 1902, No. 8.—*Local.*

**Preamble.** WHEREAS by "The Egmont County Act, 1901" (hereinafter called "the County Act"), the Egmont County was duly constituted and its boundaries were defined in manner not in accordance with the provisions of "The Counties Act, 1886" (hereinafter referred to as "the said Act"), as being made to consist of parts instead of entire road districts: And whereas the Taranaki County Council and the Waimate Road Board respectively have expended certain moneys on works in the Egmont County, and doubts have arisen as to the legality of such expenditure, and as to the right of the Taranaki County Council and Waimate Road Board respectively to recover from the Egmont County the amounts paid by them, the said Taranaki County Council and Waimate Road Board respectively, for the said works: And whereas, for the purpose of giving effect to the County Act and also of enabling the Taranaki County Council and Waimate Road Board respectively to recover the moneys expended by such last-named Council and Board respectively on the said works, it is deemed expedient to readjust the boundaries of the road districts hereinafter mentioned and to remove the doubts hereinbefore mentioned:

6. All provisions of "The Road Boards Act, 1882," and of every other Act relating thereto or amending the same, shall apply in respect of and to the new district mentioned in section two hereof as if such district had been constituted by the Egmont County on petition under section four of "The Road Boards Act, 1882."
