**Title.** AN ACT to empower the Nelson Harbour Board to acquire Part of the Nelson Railway Reserve and the Wharves and other Buildings and Erections thereon. [27th October, 1917.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

**Short Title.** 1. This Act may be cited as the Nelson Harbour Board Empowering Act, 1917.

**Interpretation.** 2. In this Act "the Board" means the Nelson Harbour Board as constituted under the Nelson Harbour Act, 1905.

**Act to be deemed a special Act.** 3. This Act shall be deemed to be a special Act within the meaning of the Harbours Act, 1908.

**Board authorized to purchase certain Crown lands.** 4. (1.) It shall be lawful for the Board, at any time within twelve months from the date of the coming into operation of this Act, to purchase from His Majesty the King part of the Nelson Railway Reserve, and the Railway Wharf and other wharves, buildings, and erections thereon, within the boundaries of the area described in the First Schedule hereto, for the sum of one hundred thousand one hundred and seventy-one pounds, the price agreed upon.

(2.) Upon the completion of the purchase authorized by this Act the lands described in the Second Schedule hereto shall be and become vested in His Majesty the King for an estate in fee-simple for railway purposes.

**Board empowered to borrow a sum not exceeding £108,000.** 5. (1.) The Board shall have the power to borrow (subject to the provisions of the Harbours Act, 1908, and to the provisions of this Act) any sum not exceeding one hundred and three thousand pounds, to be applied in and about the purchase of the said part of the Nelson Railway Reserve and the Railway Wharf and other wharves, buildings, and erections thereon.

(2.) No money shall be borrowed under the authority of this Act which shall produce to the lender a higher rate of interest than five pounds ten shillings per centum per annum.

(3.) Such moneys may be raised in the manner prescribed by the Local Bodies' Loans Act, 1913; and the provisions of that Act shall apply as if the Board were a local authority, the Nelson Harbour Board District were a district, and the said part of the Nelson Railway Reserve and the Railway Wharf and other wharves, buildings, and erections were public works within the meaning of Part I of that Act, subject, however, to the modification that where anything is required to be done by special order it may be done by the Board by resolution.

(4.) For the purpose of securing the repayment of the moneys authorized to be borrowed as aforesaid the Board may pledge the said part of the Nelson Railway Reserve and the said Railway Wharf and other wharves, buildings, and erections, and the endowments of the Board as defined by section four of the Nelson Harbour Act, 1905, or any part thereof; and, as further security for the money authorized to be borrowed as aforesaid, the Board may make and levy a special rate not exceeding one penny in the pound in the year on the capital value of all rateable property in the Nelson Harbour Board District.

6. (1.) For the purposes of making, levying, and recovering the special rate hereby authorized the Board may exercise all powers of making, levying, and recovering rates created and given by the Rating Act, 1908, and its amendments.

Board may exercise powers created by Rating Act, 1908.

(2.) The special rate leviable under this Act may be made payable at the same dates and places as any rate made or which may hereafter be made under the Nelson Harbour Act, 1905; and the demand for the said rate may be made by the same notice as the demands for rates under the said Act.

(3.) In any action for the recovery of any rate, the rate-book or the book purporting to be the rate-book, if signed by the Chairman or two members of the Board, shall be conclusive proof of the contents thereof and that the amount is owing.
