BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:

**1. Short Title**—This Act may be cited as the New Plymouth Airport Act 1961.

**2. Validation of deed**—The said deed dated the sixteenth day of August, nineteen hundred and sixty, is hereby validated and declared to have been lawfully executed by the parties thereto.

**3. Dissolution of New Plymouth Airport Board**—Notwithstanding anything contained in the New Plymouth Airport Act 1937, the New Plymouth Airport Board is hereby dissolved as from the thirty-first day of March, nineteen hundred and sixty, and all property and assets of any kind belonging to the Board shall be deemed to have been vested in the Council as from the first day of April, nineteen hundred and sixty.

**4. Repeal**—The New Plymouth Airport Act 1937 is hereby repealed.

**5. Bylaws**—Subject to the provisions of section 46 of the Statutes Amendment Act 1936, the Council may from time to time exercise the powers to make bylaws set out in section 6 of the Local Authorities Empowering (Aviation Encouragement) Act 1929 as fully and effectually as if it had established the aerodrome, and in addition may make such bylaws as it thinks fit for all or any of the following purposes:

- (a) The good rule and government of the aerodrome:
- (b) The more effectual carrying out of any of the objects of the establishment and maintenance of the aerodrome:
- (c) Regulating, controlling, or prohibiting any act, matter, or thing usually the subject of regulation, control, or prohibition by the controlling authorities of aerodromes:
- (d) Protecting any property of the Council from damage or injury:
- (e) Prescribing precautions to be taken for the protection of aircraft hangars, workshops, and other buildings, and the aerodrome from fire:
- (f) Regulating traffic, whether pedestrian or vehicular, and the provision and use of parking places for vehicles:
- (g) Prescribing the times, terms, and conditions upon which the public may enter or be in or upon the aerodrome, or be excluded therefrom or any part thereof.

**6. Leasing powers**—(1) The Council may, with the approval of the Director of Civil Aviation and subject to the terms and conditions hereinafter mentioned, and upon such additional terms and conditions not inconsistent with the provisions of this Act as it deems fit, let by way of lease any land, being part of the aerodrome, upon terms permitting the lessee to erect thereon buildings for the housing, repair, and construction of aircraft, or for accommodation houses, hotels, general stores, petrol stations, or any other buildings, equipment, or appurtenances necessary or desirable in the opinion of the Council for the purposes of the aerodrome.

(2) Any such lease may be for such term and may contain such rights of renewal as the Council with the approval of the Director of Civil Aviation may think fit.

(3) No building shall be erected by the lessee except in accordance with plans and specifications approved by the Council and complying with the provisions of any bylaws of the Council applying thereto.

(4) If at any time during the term of any such lease the land demised thereby or any part thereof is required by the Council for the purposes of the aerodrome, the Council may terminate such lease as to the whole of the demised land, or as to so much thereof as is required as aforesaid, without liability for the payment of compensation (unless the same be expressly authorised as hereinafter mentioned by the provisions of the lease), or liability to any action, or claim for damages in respect of such termination.

(5) Any such lease may contain a provision that upon the termination thereof as to the whole of the demised land, or as to so much thereof as is required as aforesaid, the Council shall pay to the lessee compensation for the then value of the buildings then upon the demised land, or the part thereof resumed, as the case may be, such value to be determined at the time of such termination of lease, and if not mutually agreed upon such value shall be determined by two arbitrators and their umpire pursuant to the provisions of the Arbitration Act 1908:

Provided that no such provision as aforesaid shall be contained in any such lease, or if contained therein shall have any effect, unless a further provision be inserted therein fixing the maximum value of any buildings to be erected by the lessee upon the demised land, and under no circumstances whatsoever shall the compensation payable to the lessee under such lease exceed the maximum value so fixed.

(6) If at any time during the term of any such lease the Council is of opinion that any building, erection, tree, or thing on any part of the demised land restricts, or may restrict, or in any way interfere with the manoeuvring of aircraft on or over the aerodrome, or in any way whatsoever interferes with the full and efficient use of the aerodrome, the Council may require the lessee to remove any such building, erection, tree, or thing without the payment of compensation or liability to any action or claim for damages in respect thereof, except as provided in the next succeeding subsection. In such event the Council shall give written notice to the lessee requiring him, within a period stated in such notice, to remove such building, erection, tree, or thing, and if the lessee fails, neglects, or refuses to comply with the provisions of any such notice within the period therein mentioned the Council may effect such removal, and the lessee shall upon demand by the Council pay to it the expenses incurred in and about such removal, or at its option the Council may terminate the lease and all the rights or privileges of the lessee thereunder.

(7) If under the last preceding subsection the Council requires or effects the removal of any building or erection erected by the lessee under and in accordance with the provisions of the lease, the Council shall pay to the lessee reasonable compensation therefor to be determined by reference to the lessee's interest therein as at the time of the removal, and if not mutually agreed upon such compensation shall be determined by two arbitrators and their umpire pursuant to the provisions of the Arbitration Act 1908.

(8) The provisions of the Land Act 1948, the Public Works Act 1928, the Land Subdivision in Counties Act 1946, or of any other Act relating to the subdivision of land for sale or lease or other disposition, or to the construction of roads, shall not apply to the subdivision of any land being part of the aerodrome for all or any of the purposes set out in subsection (1) of this section, or to the laying out on the aerodrome of access roads to the land so subdivided:

Provided that nothing in this subsection shall affect in any way the operation of the provisions of section 167 of the Land Transfer Act 1952.

**7. Powers as to surrender of lease and reduction of rent—**  
The Council may, by special resolution,—

- (a) Accept, on such terms and conditions as it thinks fit, a surrender of any lease, whether with respect to the whole or any part of the land comprised in the lease:
  - (b) At any time or times during the currency of a lease, reduce the rent to be paid thereunder during the remainder or any part of the remainder of the term:
