other Lands, and to validate certain Transactions.

[11th September, 1926.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Reserves and other Lands Disposal Short Title.
Act, 1926.

Cancellation of Reservation over certain Lands.

2. The reservation over the several parcels of land described in the Schedule to this Act for the several purposes specified in that Schedule is hereby cancelled, and the said lands are hereby declared to be Crown lands available for disposal under the Land Act, 1924. Reservation over lands described in Schedule cancelled, and lands declared to be Crown lands.

North Auckland Land District.

3. Whereas by an Order in Council published in the *Gazette* of the twenty-seventh day of May, nineteen hundred and twenty-six, the Kamo Town Board was appointed the Domain Board to control the Tupua Domain, being Section 119, Parish of Whangarei, North Auckland Land District, containing an area of ten acres: And whereas the said domain is not suitable for the purposes of public recreation, and it is desirable that the reservation thereof should be cancelled to enable the land comprised therein to be disposed of, the proceeds arising therefrom to be utilized in the manner hereinafter provided: Be it therefore enacted as follows:—

(1.) The reservation for the purposes of a public domain over Section 119, Parish of Whangarei, is hereby cancelled, and the appointment of the Kamo Town Board as the Tupua Domain Board is hereby revoked, and the said land is hereby declared to be Crown land available for disposal by way of sale for cash or on deferred payments under the provisions of the Land Act, 1924. Cancelling reservation over Tupua Domain, and declaring it to be Crown land.

(2.) A sum or sums equal to the total price realized for such land may be paid, without further appropriation than this Act, out of the Land for Settlements Account as a charge against moneys received by that account from the sale of Crown lands; and may, with the approval of the Minister of Lands, be applied in the purchase of other land for the purposes of a public domain (including costs of survey and other incidental expenses); and the residue (if any) may, with the like approval as aforesaid, be paid to the Domain Board appointed to control such

Authorizing vesting in Newmarket Borough Corporation of part of Newmarket Domain.

4. Whereas by section one hundred and twenty-three of the Reserves and other Lands Disposal and Public Bodies Empowering Act, 1921-22, provision was made, *inter alia*, for an exchange of certain lands between the Crown and the Newmarket Borough Council: And whereas the reason for authorizing such exchange was, as is recited in the preamble to the said section, that the Newmarket Borough Council had erected on the Newmarket Domain certain municipal buildings and converted into a cottage a small building erected for the purposes of that domain: And whereas no steps have been taken to effect such exchange, and it is expedient, in lieu of proceeding under the said section one hundred and twenty-three, to make provision as hereinafter appears to enable the vesting in the Corporation of the Borough of Newmarket of that portion of the said domain on which municipal buildings have been erected, and to authorize the removal of the cottage erected as aforesaid: Be it therefore enacted as follows:—

(1.) Upon payment by the said Council to the Newmarket Domain Account of such sum as may be fixed by the Valuer-General the Governor-General shall, by Warrant under his hand, cancel the reservation for the purposes of recreation over that portion of the Newmarket Domain described in subsection three hereof and the vesting of the control of such portion in the Newmarket Domain Board, and declare that land to be vested in the Corporation of the Borough of Newmarket in trust without power of sale as a site for municipal buildings.

(2.) The Council shall, at any time before the thirty-first day of December, nineteen hundred and twenty-seven, be entitled to remove the aforesaid cottage on payment to the Newmarket Domain Account of such amount by way of compensation for the original building converted into the cottage as the Minister of Lands may determine.

(3.) The land to which subsection one hereof relates is particularly described as follows:—

Whereas Section 4, Block IV, Aroha Survey District, in the Auckland Land District, containing one hundred and twenty acres, is a public domain known as the Waihi Domain, subject to the provisions of Part II of the Public Reserves and Domains Act, 1908: And whereas a portion of the said domain, containing ninety-one acres two roods nine perches, and described as Lot 2 of Section 4, Block IV, Aroha

Survey District, is controlled by the Waihi Borough Council acting as a Domain Board pursuant to the said Act: And whereas the said domain is no longer required for public purposes, and it is desirable that the reservation should be uplifted to enable the land to be disposed of, and that the proceeds of such disposal should be utilized in the manner hereinafter provided: Be it therefore enacted as follows:—

12. Whereas the lands in the Borough of Rotorua hereinafter described were set aside as an endowment for a college and grammar school at Rotorua, and on the early plans of the town are shown accordingly: And whereas the said lands were later temporarily reserved as an endowment for a Rotorua College and Grammar School, but by an oversight were purported to be permanently reserved as an endowment for secondary education generally without any lawful authority: And whereas revenues from the said lands were for many years applied for the purposes of secondary education generally in the Auckland Provincial District, but arrangements have now been made to make available for a secondary school at Rotorua, in accordance
