## 1907, No. 72.

Title. AN ACT to provide for the Exchange, Sale, Reservation, and other Disposition of certain Reserves, Crown Lands, other Lands, and Endowments, and to confer certain Powers on certain Public Bodies. [25th November, 1907.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

Short Title.

1. This Act may be cited as the Reserves and other Lands Disposal and Public Bodies Empowering Act, 1907.

Granting Tahuna-a-huru Block, Rawene, to Mary Josephine Triphook and others.

2. Whereas the parcel of land in the Auckland Land District known as the Tahuna-a-huru Block, described in the First Schedule hereto, originally formed part of an area of land belonging to Katarina Kohu Bryers, deceased: And whereas the said Katarina Kohu Bryers agreed, in conjunction with Mohi Tawhai and other Native chiefs, to convey the land on which Rawene Township now stands to the Crown, but reserved the land described in the said Schedule, but no title to such land has yet issued, and it is desired to issue such title to the children of the said Katarina Kohu Bryers: Be it therefore enacted as follows:—

The Governor is hereby authorised and empowered to execute a warrant for the issue of a Land Transfer certificate of title for the parcel of land described in the First Schedule hereto in favour of Mary Josephine Triphook, George Bryers, John Bryers, and Charles Bryers, the children of Katarina Kohu Bryers, in equal shares as tenants in common. The provisions of Part IV of the Land Laws Amendment Act, 1907, shall not apply to the land transferred under the authority of this section.

Changing purpose of part of Section 145, Oruawharo Parish, from metal reserve to recreation reserve.

3. Whereas the northern portion of Section No. 145 of the Parish of Oruawharo, in the Auckland Land District, containing thirty-nine acres one rood six perches, more or less, is vested in the corporation of the Albertland South Road District as a reserve for road-metal purposes: And whereas part thereof is not suitable for this purpose, and it is desired to use that part for recreation purposes: Be it therefore enacted as follows:—

The area of land described in the Second Schedule hereto shall be held by the corporation of the Albertland South Road District in trust for purposes of public recreation.

Declaring the Mount Eden Borough to be the successor to the Mount Eden Road District.

4. Whereas by Proclamation under the Municipal Corporations Act, 1900, published in the *Gazette* of the ninth day of August, nineteen hundred and six, the Borough of Mount Eden was duly con-

stituted; and, the boundaries of the same being coterminous with those of the Mount Eden Road District, the powers and functions of the Mount Eden Road Board were superseded by those of the Mount Eden Borough Council: And whereas doubts have arisen as to whether the corporation of the said borough is the legal successor in all cases to the assets, rights, and liabilities of the said road district: Be it therefore enacted as follows:—

For the purposes of representation on the Domain Board appointed by the Epsom and Mount Eden Reserve Act, 1890, the Auckland Hospital and Charitable Aid Board, the Hobson Bay Sewage Board, and any other body on which the Mount Eden Road Board was entitled to representation, it is hereby declared that the corporation of the Borough of Mount Eden is the successor of the corporation of the Mount Eden Road District, and all the assets, rights, and liabilities of the latter body are hereby transferred to the corporation of the said borough as from the date of the aforesaid Proclamation.

5. It shall be lawful for the Governor from time to time to grant to any contractor under the Ammunition-supply Act, 1904, for the purpose of the manufacture of ammunition, a lease of any area not exceeding ten acres out of Lots 105 and 109 of Section 6, Suburbs of Auckland, in the Auckland Land District; and any such lease shall be granted for such time not exceeding ninety-nine years, at such rental, and on such terms and conditions as the Governor thinks fit.

Authorising the leasing of part of Lots 105 and 109, Section 6, Suburbs of Auckland.

6. Whereas by section three of the Public Domains Act, 1881, an area of land containing eight acres three roods and five perches, situate in the City of Auckland, known as the Government House grounds, and more particularly described in the First Schedule to the said Act, was declared to be Crown lands subject to the provisions of the said Act: And whereas a portion of the aforesaid land has been used as a site for a Choral Hall, and it is now desired to vest that portion in the Auckland University College Council as an endowment in aid of the funds of that institution: Be it therefore enacted as follows:—

Vesting part of Auckland Government House grounds in the Auckland University College Council.

The parcel of land described in the Third Schedule hereto is hereby vested in the Auckland University College Council incorporated under the Auckland University College Act, 1882, upon trust as an endowment in aid of the funds of the said college, subject to any lease of the said land heretofore granted or agreed to be granted, and to any rights of the Auckland Choral Society or any other body or person with respect to the said land or buildings thereon.

7. Whereas Section 23A, Block XV, Waitemata Survey District, in the Auckland Land District, containing five acres, was, by notice in the *Gazette* of the eleventh day of September, nineteen hundred and two, reserved as a hospital site: And whereas the Auckland Hospital and Charitable Aid Board desires to have the said reserve vested in it for the purposes of an infectious diseases hospital: Be it therefore enacted as follows:—

Vesting Section 23A, Block XV, Waitemata Survey District, in the Auckland Hospital and Charitable Aid Board.

The Governor may, by Order in Council published in the *Gazette*, vest Section 23A, Block XV, Waitemata Survey District, in the Auckland Hospital and Charitable Aid Board in trust for the purposes of an infectious diseases hospital.

Authorising a further lease of Section 3, Block I, Moechau Survey District.

8. Whereas Lease No. 474 over Quarry Reserve, Section 3, Block I, Moechau Survey District, in the Auckland Land District, containing eighty-two acres, dated the twenty-fourth day of January, nineteen hundred and seven, was granted to the New Zealand Granite Quarries (Limited) for a term of twenty-one years from the thirtieth day of March, nineteen hundred and five, and the company desires to obtain an extension of such lease before raising additional capital for the purpose of erecting expensive plant on the land to enable it to more effectively work the granite contained therein: Be it therefore enacted as follows:—

The Governor is hereby empowered to grant a further lease over the said land to the said company for a term of twenty-one years, to be computed from the date of expiry of the present lease, at such rental and in consideration of such royalties on the output of the company, and subject to such conditions, as the Governor thinks fit, but with no further right of renewal.

Vesting Lot 259, Tauranga Township, in the Tauranga Borough.

9. Whereas Lot 259, Town of Tauranga, containing twenty perches, more or less, was reserved as a site for a library in the *Gazette* of the seventeenth day of May, eighteen hundred and seventy-eight, and subsequently vested in the Tauranga Mechanics' Institute by Order in Council appearing in the *Gazette* of the sixteenth day of October, eighteen hundred and seventy-nine: And whereas it is desired that the said land should be transferred to the corporation of the Borough of Tauranga on trust for the same purposes: Be it therefore enacted as follows:—

The said Order in Council vesting Lot 259, Town of Tauranga, in the Tauranga Mechanics' Institute is hereby cancelled, and the said land is hereby vested in the corporation of the Borough of Tauranga in trust for public library purposes:

Provided that there is hereby reserved to the Governor power by Order in Council to resume the land for the Crown in the event of the trust not being satisfactorily performed in the public interest, the Governor to be the sole judge as to whether or not it is being satisfactorily performed.

Vesting part of Section 22A, Block II, Maketu Survey District, in the Te Puke Agricultural and Pastoral Association.

10. Whereas Section 22A, Block II, Maketu Survey District, in the Auckland Land District, containing twenty-six acres one rood twenty perches, more or less, was, by notice published on page 457 of the *Gazette* for eighteen hundred and ninety-five, reserved for a landing-place: And whereas the whole of the said section is not required for the purpose for which it has been so reserved, and the Te Puke Agricultural and Pastoral Association has applied for sixteen acres to be vested in the society for show-ground purposes: Be it therefore enacted as follows:—

The reservation over that portion of Section 22A, Block II, Maketu Survey District, described in the Fourth Schedule hereto, is hereby cancelled, and the said land is hereby vested in the Te Puke Agricultural and Pastoral Association in trust to be used by the said association as a site for a show-ground.

Cancelling reservation over Sections 59, 60, 61, and 64, Town of Kihikihi.

11. Whereas Sections 59 and 60 of the Town of Kihikihi, in the Auckland Land District, containing two acres one rood three perches, more or less, were reserved for the use of aboriginal Natives by a notice

published on page 1224 of the *Gazette* of eighteen hundred and eighty-four; and Sections 61 and 64 in the said town, containing one acre each, were reserved for Native purposes on page 1718 of the said *Gazette*: And whereas it appears that Natives have not occupied the said land for the last ten years, and the sections are not now required for the purposes for which they have been set apart: Be it therefore enacted as follows:—

The reservation of Sections 59, 60, 61, and 64, Town of Kihikihi, is hereby cancelled, and the said sections are hereby declared to be Crown land, and may be dealt with under the Land Act, 1892.

12. Whereas William Alexander Scott selected Section 12A, Block VII, Maungamangero Survey District, in the Auckland Land District, containing one hundred and eighty-two acres three roods, on lease in perpetuity on the seventeenth day of August, nineteen hundred and five, and on the twenty-eighth day of February, nineteen hundred and seven, applied for permission to transfer the lease to Neil Lauritz Larsen, and, acting under the *bona fide* belief that the said transfer would be approved by the Land Board and his lease transferred to the said Neil Lauritz Larsen, applied to select Section 3, Block VIII, Otanake Survey District, in the Auckland Land District, containing six hundred and thirty-four acres two roods, under occupation-with-right-of-purchase tenure, which application was approved by the Auckland Land Board on the first day of February, nineteen hundred and seven: And whereas the requisite improvements not having been effected on the said Section 12A, Block VII, Maungamangero Survey District, the Land Board was unable to approve its transfer, and consequently the said William Alexander Scott retained possession thereof, and is also in occupation of, and has made improvements on, the said Section 3, Block VIII, Otanake Survey District, in contravention of section one hundred and fifty-three of the Land Act, 1892, but it is desirable to validate his title to the land: Be it therefore enacted as follows:—

Validating application by W. A. Scott for Section 3, Block VIII, Otanake Survey District.

The application for and occupation of the said Section 3, Block VIII, Otanake Survey District, by the said William Alexander Scott is hereby validated, and a license for the same may issue to him provided that the transfer of his lease of the said Section 12A, Block VII, Maungamangero Survey District, is duly registered within twelve months from the date of the passing of this Act.

13. Whereas by Order in Council published in the *Gazette* of the sixth day of September, nineteen hundred and six, it was declared that the Kawhia County Council should exercise all the powers of a Harbour Board over the Kawhia Harbour as defined in the said Order in Council: And whereas it is desirable that certain Crown lands which have been withheld from sale so as to be available for harbour-endowment purposes should be vested in the corporation of the County of Kawhia, and the revenues to be derived therefrom expended on the improvement of the said Kawhia Harbour: Be it therefore enacted as follows:—

Vesting harbour endowment in the Kawhia County.

The lands described in the Fifth Schedule hereto are hereby vested in the corporation of the County of Kawhia in trust to hold the same as an endowment, and to expend all revenues derived from the said lands on the improvement of the said harbour.

Changing the reservation over Sections 82 and 83, Patutahi Township, from municipal to post and telegraph purposes.

14. Whereas Sections 82 and 83, Town of Patutahi, in the Hawke's Bay Land District, containing one rood thirty-two perches, were, by notice published in the *Gazette* of the seventh day of August, eighteen hundred and ninety, permanently reserved as part of a site for municipal purposes, and such sections are no longer required for such purposes: And whereas it is desired to change the purpose of reservation to that of a site for a post and telegraph office: Be it therefore enacted as follows:—

The Governor may, by notice in the *Gazette*, reserve Sections 82 and 83, Town of Patutahi, as a site for a post and telegraph office.

Cancelling the forfeiture of W. Fargher's lease of Section 1, Block XII, Ruataniwha Survey District.

15. Whereas the Land Board of the Hawke's Bay Land District, by resolution on the fourteenth day of December, nineteen hundred and six, forfeited the interest of William James Fargher in his lease, registered in Volume 5L, folio 83, Hawke's Bay Registry, over Section 1, Block XII, Ruataniwha Survey District (Forest Gate Settlement), in the said Land District, for non-payment of rent and other breaches of the conditions of his lease, and notice of such forfeiture was duly published in the *Gazette* of the twenty-fourth day of January, nineteen hundred and seven: And whereas the said lease was mortgaged for sums that now amount to about eighteen hundred pounds, and the mortgagee is willing to pay all arrears of rent and expenses provided the said forfeiture is cancelled: Be it therefore enacted as follows:—

Upon payment to the Commissioner of Crown Lands for the said land district of all arrears of rent and rates due in respect of the said land, together with all disbursements and expenses paid or incurred by the said Commissioner in connection with the said forfeiture, the Minister of Lands is empowered to cancel, by notice published in the *Gazette*, the forfeiture of the lease of William James Fargher over the said land; and thereupon the forfeiture of such lease shall be deemed to be wholly waived and abandoned, and the said lease, and all mortgages or incumbrances affecting the same, shall take effect and be deemed to have continued to have effect as if no such forfeiture had occurred or been declared; and upon presentation to him of a copy of the *Gazette* containing such notice of cancellation of forfeiture, the District Land Registrar for the Hawke's Bay District shall make such entries in the register as are necessary to give effect to the provisions of this section.

Withdrawing land from Ruahine Forest Reserve.

16. Whereas an area of sixty-seven thousand four hundred acres in the Hawke's Bay Land District was, by notice in the *Gazette* of the twenty-eighth day of July, eighteen hundred and eighty-one, reserved for the growth and preservation of timber, and it is desired to withdraw a part thereof from reservation in order that the land may be opened for settlement: Be it therefore enacted as follows:—

The reservation over that area of land described in the Sixth Schedule hereto is hereby cancelled, and the said land is hereby declared to be Crown land available for sale or disposal under the Land Act, 1892.

Settling claims for compensation under the Rotokare Domain Act Repeal Act, 1903.

17. Whereas the Rotokare Domain Act Repeal Act, 1903, revoked and cancelled all leases and agreements made under the Rotokare Domain Act, 1899, and also provided for the payment of compensation in respect thereof: And whereas certain lessees have refused to accept compensation on the basis provided for in the aforesaid Act, and it is desirable

to finally settle their claims for compensation: Be it therefore enacted that all such claims as have not yet been satisfied may be settled in the manner provided for in Part III of the Public Works Act, 1905, notwithstanding that the period of time within which such claims should have been made may have expired, and any other Act to the contrary notwithstanding.

18. (1.) Notwithstanding the provisions of the North Island Main Trunk Railway Loan Application Act, 1886, and its amendments, it shall be lawful for the Governor to make reserves for public purposes under the Land Act, 1892, or the Scenery Preservation Amendment Act, 1906, of any lands within the area subject to the provisions of the North Island Main Trunk Railway Loan Application Act, 1886, or its amendments, without any compensation in respect thereof being payable into the North Island Main Trunk Railway Loan Account.

Validating reservation of areas of land within the North Island Main Trunk Railway Loan area.

(2.) All such reserves within the aforesaid area which have been gazetted prior to the coming into operation of this Act shall be deemed to have been made in accordance with the provisions of this section.

19. Whereas Section 129, Block III, Mangahao Survey District, in the Wellington Land District, containing one hundred and eighty acres, more or less, was, by notice in the *Gazette* of the tenth day of March, eighteen hundred and eighty-seven, permanently reserved for forest purposes: And whereas the milling-timber thereon has been felled and removed, and the section is no longer suitable for forest purposes, but is well adapted for settlement, and it is desirable to cancel the said reservation to enable the land to be opened for selection: Be it therefore enacted as follows:—

Cancelling the reservation of Section 129, Block III, Mangahao Survey District.

The reservation of Section 129, Block III, Mangahao Survey District, is hereby cancelled, and the said land is hereby declared to be Crown land available for disposal under the Land Act, 1892.

20. Whereas Section 286, Suburbs of Raetihi, in the Wellington Land District, containing by admeasurement six acres and twenty-six perches, more or less, was reserved as a rubbish-depot in the *Gazette* of the twentieth day of December, eighteen hundred and ninety-eight, but is no longer required for the purpose for which it was reserved: Be it therefore enacted as follows:—

Cancelling reservation of Section 286, Suburbs of Raetihi.

The reservation over Section 286, Suburbs of Raetihi, is hereby cancelled, and the said land is hereby declared to be Crown land available for disposal under the Land Act, 1892.

21. Whereas by Order in Council published in the *Gazette* of the seventeenth day of September, nineteen hundred and three, Sections 142 and 143, Block XIV, Mangaone Survey District, in the Wellington Land District, containing by admeasurement three acres two roods, more or less, were vested in the corporation of the Mauriceville County in trust as reserves for gravel: And whereas the Mauriceville County Council has agreed with James Francis Heckler to transfer the said land to him in exchange for the land and right of way described in the Seventh Schedule hereto: Be it therefore enacted as follows:—

Authorising exchange of Sections 142 and 143, Block XIV, Mangaone Survey District, for freehold land for gravel purposes.

The Mauriceville County Council is hereby empowered to transfer Sections 142 and 143, Block XIV, Mangaone Survey District, to the said James Francis Heckler for an estate in fee-simple, and to accept in exchange therefor a transfer of the land and right of way described in

the Seventh Schedule hereto for an estate in fee-simple in trust for gravel purposes, and also to pay to the said James Francis Heckler by way of equality of exchange such sum as may be agreed upon between the said Mauriceville County Council and the said James Francis Heckler. The provisions of Part IV of the Land Laws Amendment Act, 1907, shall not apply to the land transferred under the authority of this section.

Authorising the Mauriceville County Council to lease part of Section 17, Block XIV, Mangaone Survey District, for sixty-six years.

22. Whereas Section 17, Block XIV, Mangaone Survey District, in the Wellington Land District, containing four acres three roods sixteen perches, was reserved for gravel purposes in the *Gazette* of the sixth day of August, eighteen hundred and ninety-one, and subsequently vested in the corporation of the Mauriceville County by Order in Council published in the *Gazette* of the seventeenth day of September, nineteen hundred and three, in trust for the said purposes: And whereas the said section contains no limestone, and Section 72 adjoining consists largely of limestone deposits which will yield better road metal, and the Council desires to obtain a lease of part of such adjoining section, giving to the owner thereof in exchange a lease of part of the said Section 17: Be it therefore enacted as follows:—

The Mauriceville County Council is hereby empowered to lease to Alfred Head Wrightson, for any term not exceeding sixty-six years, part of the said Section 17 (not exceeding four acres in area) in consideration of the execution by the said Alfred Head Wrightson of a lease for a similar term of years to the said corporation of not less than two acres of Section 72, Block XIV, Mangaone Survey District, in the Wellington Land District, to be held in trust for gravel purposes; and the said leases may contain such grants or reservations of easements, and such covenants, conditions, and provisions, as may be mutually agreed upon between the said Council and the said Alfred Head Wrightson.

Endowment for dairy school and experimental station at Palmerston North.

23. The piece of land described in the Eighth Schedule hereto, and now vested in the corporation of the Borough of Palmerston North, is hereby vested in His Majesty as an endowment for the establishment and maintenance of a dairy school and dairy experimental station in the said borough, the revenue therefrom to be used for the purposes of such school or station in such manner as the Minister for Agriculture thinks fit:

Provided that, unless within two years of the passing of this Act such school and station have been established by the Crown within the said borough, the said land shall be granted by the Crown to the said corporation for an estate in fee-simple, to be held on the same trusts or for the same purposes as if this Act had not been passed.

Site for such dairy school and experimental station.

24. The Manawatu and West Coast Agricultural and Pastoral Association, being the owner in fee-simple of certain land situated in or in the neighbourhood of the Town of Palmerston North, is hereby empowered to convey to His Majesty any part or parts of the said land as a site for a dairy school and experimental station upon such conditions as shall be agreed upon between the Minister for Agriculture and the said association.

25. In any case in which a company within the meaning of the Gas Companies' and Consumers' Liability Act, 1882, is authorised by any statute or otherwise to supply gas to the inhabitants of any borough or other district, and has before or after the passing of this Act erected in any neighbouring borough or district any works for the manufacture or storage of gas, it shall be lawful for the said company, with the consent of the Governor in Council, for the purpose of connecting such works with the first-mentioned borough or district, to open and break up the soil and pavements of any streets, roads, bridges, or thoroughfares in the borough or district in which the said works are situated, and to alter any drains or water-pipes thereunder to such extent as may be necessary, and to lay down, retain, and from time to time repair or renew such mains or pipes thereunder as may be required for the conveyance of gas from and to the said works. In the execution of the powers hereby conferred the company shall do as little damage as may be, and shall make compensation for any damage done.

Powers of gas company as to storage and conveyance of gas.

26. Whereas a road one chain in width was reserved between Sections 29 and 31, Karori, and is a street duly vested in the corporation of the Borough of Karori: And whereas disputes have arisen as to the true position of the said street, and by a decision of the Supreme Court the northern side of such part of the said street as lies between Lots 49, 50, and 51, Deeds Plan 108, and Lots 66 to 75 inclusive on deposited Plan 1087, Land Transfer Office, has been fixed: And whereas by such decision it is found that the said Lots 66 to 75, deposited Plan 1087, encroach on the said street: And whereas valuable buildings have been erected and improvements effected on some of the said lots, and great loss and inconvenience would result were the owners of such lots compelled to set back their boundary to a chain distant from the northern side of the said street as so determined: And whereas a street of the width of 75 links fronting the said Lots 66 to 75 is ample for the present and future requirements of the district, and it is expedient that the width of the said part of the said street be reduced to 75 links: Be it therefore enacted as follows:—

Closing portion of road, Karori.

- (a.) So much of the said street as fronts the said Lots 66 to 75 and lies south of a line 75 links parallel to the northern boundary of the said street as laid down by the said decision of the Supreme Court is hereby closed, and no person shall have any claim or right to compensation in respect of such closing.
- (b.) The part of the said street so closed is hereby vested in fee-simple in the respective proprietors of the said Lots 66 to 75, in suchwise as that each such lot shall be deemed to extend to and include the portion of the closed street which fronts it, and the areas and boundaries of the respective lots are hereby extended accordingly, subject to any registered dealings affecting such lots respectively.
- (c.) The District Land Registrar is authorised to amend the certificates of title for such lots in accordance with this section.
- (d.) The unclosed portion of the said street is hereby exempted from the provisions of the Public Works Act, 1905, as to the necessity for widening the same to a chain on any subdivision.

(e.) The centre-line of the said street as subsisting before the passing of this Act shall continue to be the centre-line for all purposes.

(f.) The provisions of Part IV of the Land Laws Amendment Act, 1907, shall not apply to the land transferred under the authority of this section.

Validation of Order  
in Council extending  
Wellington City  
boundaries.

27. Whereas by Order in Council dated the thirtieth day of September, nineteen hundred and seven, made in intended pursuance of section one hundred and seventy-six of the Municipal Corporations Act, 1900, the boundaries of the City of Wellington were extended by including in the said city part of the Borough of Karori: And whereas doubts have arisen as to the validity of the said Order in Council: Be it therefore enacted—

(a.) That the said Order in Council is hereby validated as from the date thereof, notwithstanding that the boundaries of the City of Wellington as so extended may no longer conform to the requirements of section five of the Municipal Corporations Act, 1900.

(b.) That, notwithstanding the provisions of the said section, any additional portion or portions of the said Borough of Karori may be included within the City of Wellington in manner provided by section one hundred and seventy-six of the said Act.

Grant of site of  
grave of late Right  
Hon. Richard John  
Seddon.

28. Whereas the grave of the Right Honourable Richard John Seddon, late Prime Minister of New Zealand, is situated on an area of land, being part of the general cemetery reserve of the City of Wellington: And whereas it is desired to grant the site of the said grave to Louisa Jane Seddon, widow of the said Right Honourable Richard John Seddon: Be it therefore enacted that the area of land described in the Ninth Schedule hereto, and containing five and a half perches, more or less, is hereby granted to the said Louisa Jane Seddon for an estate in fee-simple, and the Governor is hereby empowered to issue his warrant to the District Land Registrar for the issue of a certificate of title to the said land under the Land Transfer Act, 1885, accordingly.

Declaring the

The reservation over Section 79B and part of Section 85 aforesaid is hereby cancelled, and the said land is authorised to be sold by the Commissioner of Crown Lands for the Nelson Land District, and the proceeds of such sale applied towards the purchase of Sections 1 and 2, Block XVI, Wai-iti Survey District, described in the Twelfth Schedule hereto:
