ment made by the Government of New Zealand in 1867 for the granting to Decimus Atkinson of land to which he became entitled under "The New Zealand Settlements Act, 1863," and "The New Zealand Settlements Amendment and Continuance Act, 1865," excepting therefrom certain roads since taken, and adding thereto other lands agreed to be given as compensation for the taking of such roads.

20. In April, 1879, the Taranaki Land Board provisionally reserved Section No. 36, Block VI., Huiroa Survey District, as an education reserve. In May, 1879, Michael Donitz received a license to occupy, on terms of deferred payments, Section No. 37, and Michael Rogudski obtained a similar license to occupy Section No. 38, both in the same block and survey district as the reserve. Having mistaken the boundaries of these respective sections, Rogudski made a clearing on Section No. 37, and Donitz cleared a considerable area on the reserved Section No. 36. The land in the three several sections being of equal value, the Land Board, on the application of Donitz and Rogudski, supported by the recommendation of the Crown Lands Ranger, cancelled the provisional reservation of part of Section No. 36, comprising 53 acres, the balance of the section, 4 acres 3 roods and 30 perches, being still reserved as a school site; reserved Section No. 38 as a school site, cancelling Rogudski's license to occupy the said Section No. 38; and issued a new license to him authorizing him to occupy 53 acres of Section No. 36. This arrangement was, however, overlooked, and on the 1st April, 1884, Section No. 36, Block VI., Huiroa, was gazetted a permanent reserve for primary education. To give effect to the exchange made by the Land Board and approved by the School Commissioners.

22. In completion of arrangement made in settlement of a long-standing dispute between the Waipawa Natives and Mr. John Harding, with reference to a piece of land at Waipawa, Waipukurau District, Hawke's Bay, held by Mr. Harding under Crown grant.

20. May cancel the reservation of part of Section No. 36, Block VI., Huiroa Survey District, containing by admeasurement 53 acres, in order that the arrangement made by the Land Board of Taranaki with Michael Rogudski may be carried out and brought to completion under the provisions of "The Land Act, 1877," as if Rogudski had originally selected said part of Section No. 36; and may, by notice in the *Gazette*, reserve, as an endowment for primary education, all that piece or parcel of land in the Provincial District of Taranaki, containing by admeasurement 71 acres, more or less, being Section No. 38 of Block VI., Huiroa Survey District. 22. May convey to Heta Tiki, Hareata te Maero, Hararutu, Hataraka Porutu, Meihana te Apatu, Eraitā Nohopapa, Matiu Meke, and Hereuini Tamehana, all that parcel of land situate in the Provincial District of Hawke's Bay, containing by admeasurement 10 acres and 33 perches, more or less, being portion of Block XIV. on the Government plan of the Waipukurau District.

HAWKE'S BAY.

FIRST COLUMN.

23. In 1864, when the Wairoa Block was purchased for the Crown by the Superintendent of Hawke's Bay (Mr. McLean), an arrangement was made for the Europeans who were living on the land to retain their parcels, on paying to the Provincial Government the upset price thereof. One William Lewis was living on land belonging to his wife, Ereua te Wharekiri, who was one of the principal owners of the block; and it was specially agreed that they should retain their land. William Lewis left Wairoa for Poverty Bay in a small vessel in May, 1867. A gale sprung up shortly after, and the vessel was never heard of again. Subsequently, Ereua te Wharekiri paid the amount due for the land; but the grants have been made out in the name of William Lewis.

The lands to be inalienable by sale, gift, or mortgage, or by lease for a longer period than twenty-one years, except with the consent of the Governor previously obtained.

23. May cancel the Crown grants Nos. 2601 and 2716 respectively, issued to William Lewis, late of Clyde, whaler, and dated the 29th December, 1876, and the 27th June, 1878, for the lands described therein, and may issue to Ereua te Wharekiri Crown grants for the same lands as described hereunder:—
