A BILL INTITULED

An Act to appropriate and apply certain sums of money out of the Consolidated Fund and other accounts to the services of the year ending with the thirty-first day of March, nineteen hundred and fifty-eight, and to appropriate the supplies granted in this year

MOST GRACIOUS SOVEREIGN,—We, Your Majesty's most dutiful and loyal subjects, the House of Representatives of New Zealand in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this year, have resolved to grant unto Your Majesty the sums hereinafter mentioned, and do therefore most humbly beseech Your Majesty that it may be enacted: And be it enacted by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:

1. (1) This Act may be cited as the Appropriation Act 1957.

(2) This Act relates to the year ending with the thirty-first day of March, nineteen hundred and fifty-eight (hereinafter referred to as this year).

2. Grant and appropriation of £170,611,470 out of Consolidated Fund—(1) The Minister of Finance may issue and apply out of the Consolidated Fund, towards making good the supplies granted to Her Majesty for the services of this year, any sums which, together with the sums that have been issued and paid out of the Consolidated Fund during this year under section forty-nine of the Public Revenues Act 1953 and the several Imprest Supply Acts passed during this year, do not exceed the sum of one hundred and seventy million six hundred and eleven thousand four hundred and seventy pounds.

(2) The sums hereinbefore authorised to be applied, together with the fees collected by such public officers as are authorised to retain them instead of salary, are hereby appropriated for the services expressed in the several votes specified in the First Schedule to this Act.

3. Grant and appropriation of £121,884,580 out of separate accounts—(1) The Minister of Finance may issue and apply out of the accounts mentioned in the Second Schedule to this Act, towards making good the supplies granted to Her Majesty for the services of this year, any sums which, together with the sums that have been issued and paid out of those accounts during this year under section forty-nine of the Public Revenues Act 1953 and the several Imprest Supply Acts passed during this year, do not exceed the sum of one hundred and twenty-one million eight hundred and eighty-four thousand five hundred and eighty pounds.

(2) The sums hereinbefore authorised to be applied are hereby appropriated for the services expressed in the several votes specified in the Second Schedule to this Act.

(3) Where any of the money appropriated by this section for the construction, maintenance, and supervision of roads, bridges, and other public works is by the estimates for this year as approved by the House of Representatives allocated for the construction, maintenance, or supervision of any particular road or bridge, the money so allocated, or any portion thereof, may be expended for the construction or maintenance of any other road or bridge (within the district of the same local authority) for which no specific provision is made by the said estimates.

4. Grant and appropriation of £31,412,088 out of accounts outside the Public Account—(1) The Minister of Finance may issue and apply out of the accounts outside the Public Account mentioned in the Third Schedule to this Act, towards making good the supplies granted to Her Majesty for the services of this year, any sums which, together with the sums that have been issued and paid out of those accounts during this year under section forty-nine of the Public Revenues Act 1953 and the several Imprest Supply Acts passed during this year, do not exceed the sum of thirty-one million four hundred and twelve thousand and eighty-eight pounds.

(2) The sums hereinbefore authorised to be applied are hereby appropriated for the services expressed in the several votes specified in the Third Schedule to this Act.

5. Indemnity as to unauthorised expenditure of £4,259,208 9s. 2d.—Whereas the Minister of Finance has, under the authority of sections fifty-one and seventy-six of the Public Revenues Act 1953, issued during the year that ended with the thirty-first day of March, nineteen hundred and fifty-seven, in excess of or without the appropriation of Parliament, the respective sums mentioned in the Fourth Schedule to this Act, out of the Consolidated Fund and the other accounts mentioned in the said Schedule, amounting in the whole to the sum of four million two hundred and fifty-nine thousand two hundred and eight pounds nine shillings and twopence, and has caused those sums to be applied to the several services mentioned in the said Fourth Schedule: Be it therefore enacted that the application of the said sums is hereby sanctioned.

6. Authority to write off losses of public money and public stores amounting to £483,631 8s. 7d.—Whereas the losses of public money and public stores specified in the Fifth Schedule to this Act have occurred, amounting in the whole to four hundred and eighty-three thousand six hundred and thirty-one pounds eight shillings and sevenpence: Be it therefore enacted as follows:

(1) The amounts specified in the said Fifth Schedule, being sums of public money and the value of public stores and the amounts of claims abandoned, are hereby written off.

(2) No person, other than an accounting officer within the meaning of the Public Revenues Act 1953, shall be deemed to be discharged, by reason only of the fact that the said amounts are written off, from any liability in respect of any public money or public stores (other than claims abandoned) to which this section applies.

7. Authority to transfer £48,250,000 from National Development Loans Account to other accounts—There may be transferred from the National Development Loans Account to the respective accounts mentioned in the Sixth Schedule to this Act any sums which, together with the sums that have been so transferred during this year under section twelve of the New Zealand Loans Act 1953 and the several Imprest Supply Acts passed during this year, do not exceed in respect of any such account the appropriate amount specified in that Schedule and do not exceed in the aggregate the sum of forty-eight million two hundred and fifty thousand pounds.
