Proclamation under this section may be made in accordance with a resolution proposing the alteration passed by the Council of each of such counties in which the principal Act is in force.

(3.) (a.) If the Council of any county passes a resolution proposing an alteration of boundaries, and the Council of any contiguous county whose boundaries are thereby proposed to be altered does not within three months thereafter pass a resolution proposing the same alteration, the Council which has passed such resolution may present a petition to the Governor requesting that the proposed alteration be made. Such petition shall be executed by the petitioning Council under the seal of the county, and be signed by not less than two-thirds of those ratepayers whose properties are situated within the area or areas which it is proposed by such alteration to exclude from or include in the boundaries of the county of the petitioning Council.

(b.) Upon receipt of such petition the Governor may direct a Commission, consisting of a Commissioner of Crown Lands and an officer in charge of a valuation district within which any such area proposed to be excluded or included, or part thereof, is situated, and one other fit person appointed by the Governor, to inquire and report to him whether the alterations of boundaries proposed by the petitioning Council or any other alterations of the boundaries of the contiguous counties ought or ought not to be made.

(c.) The said Commission shall have all the powers and functions of a Commission under the Commissions of Inquiry Act, 1908.

(d.) The Governor may, by Proclamation, alter the boundaries of the petitioning county and the contiguous county or counties in such manner as he may deem to be in accordance with the report of the said Commission.

(4.) A Proclamation made under the authority of this section shall fully describe the altered alteration of the boundaries of each of the counties affected by it, and the altered boundaries so defined shall, as from the gazetting of the Proclamation, be the boundaries of the counties mentioned therein.

Notice of appeal.

(7.) The appeal shall be heard by the Magistrate at such convenient time and place as he appoints, of which not less than three days' notice shall be given to the County Clerk and to the appellant.

(8.) On the hearing of any such appeal, the Magistrate may cause the classification-list to be amended in such manner as he thinks reasonable, and he shall sign the list as so amended, and the determination of the Magistrate shall be final and conclusive.

Amendment of classification.

(9.) Every classification-list sealed with the seal of the county, or signed by a Magistrate in the case of any such appeal as aforesaid, shall, for the purpose of any proceedings for the recovery of rates, be sufficient evidence of a classification duly made by the Council in accordance with the requirements of this Act.
