A BILL INTITULED

AN ACT to amend the Christchurch District Drainage Act, 1907. Title.

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the Christchurch District Drainage Amendment Act, 1928, and shall be read together with and deemed to form part of the Christchurch District Drainage Act, 1907 (hereinafter referred to as the principal Act). Short Title.

2. (1) In addition to the powers conferred upon the Board by the principal Act and its amendments the Board, without being liable to pay any compensation or damages in respect of so doing, may from time to time at the request and cost of any persons or local authority make and erect or cause to be made and erected dams across and in the bed of the River Avon or other rivers within the Board's district, notwithstanding that the same may not be required for the purposes of the principal Act. Power to erect dams

(2) Dams shall be so constructed that the top of the dam shall not be at a higher level than the lowest level which the river at the side of the dam has attained during the year nineteen hundred and twenty-eight.

(3) All dams shall be constructed so as to be moveable or capable of being opened to allow the free passage of boats or other water craft which owing to their size or weight are not able to pass over the dam, or to allow the free flow of the river, or for other purposes.

(4) The Board shall provide suitable facilities to enable row boats or other small water craft to pass over such dam.

3. The Board may from time to time alter the position of or remove any dam. Power to maintain, repair, alter, and remove dams.

No. 60—1.

Making provision
for maintenance and
upkeep of dams.

4. The maintenance, repair, and upkeep of dams shall be borne and paid for by the persons or local authority at whose request the dams shall have been erected by the Board.

Power to charge fees
and make by-laws.

5. The Board is empowered to charge fees for opening and closing of or haulage over dams, and may make by-laws to regulate the use of dams and for fixing the fees to be paid to the Board for opening and closing of or haulage over dams.
