

# FINANCE BILL

---

## EXPLANATORY NOTE

*Clause 1* relates to the Short Title and commencement. Except for *clause 4*, which is deemed to have come into force on 28 August 1980, the Bill comes into force on receiving the Governor-General's assent.

*Clause 2* re-enacts, with an amendment, section 35 of the Finance Act 1950, which authorises local authorities that are members of the South Island Local Bodies Association (Incorporated) to pay subscriptions to the Association and expend money on attending meetings. At present subscriptions must not exceed amounts to be prescribed by Order in Council. This limitation is now removed, and local authorities may lawfully pay any subscription the Association fixes.

*Subclause (2)* validates the unlawful payment to the Association since 30 September 1976 by various local bodies of subscriptions that exceeded the limits imposed by statute. Payments were also made at unlawfully high rates before 30 September 1976, but those payments were validated by section 4 (5) of the Finance Act 1976.

*Clause 3* authorises the Minister of Finance to acquire shares in Air New Zealand Limited. The clause also validates the acquisition of 8,000,000 \$2 shares, and the payment of \$16,000,000 for them, on 22 July 1980.

*Clause 4* authorises the Minister of Finance to acquire shares in Alliance Textiles Limited. It is deemed to have come into force on 28 August 1980.

*Clause 5* repeals the Services Export Development Grants Act 1973, and provides for the disposal of applications for grants made before 1 April 1980.

*Clause 6* relates to the Freshwater Fisheries Regulations 1951, Amendment No. 16. Although these regulations did not come into force until 12 June 1980, acclimatisation societies have since 1 October 1978 been issuing licences as if a number of amendments contained in the regulations had come into force on that date. The clause validates all the actions involved.

*Clause 7* relates to regulation 2 of the Music Teachers Registration Regulations 1966, Amendment No. 3. Although this regulation (which increases from \$10 to \$17 the annual fee payable by registered music teachers) did not come into force until 17 July 1980, the Music Teachers Registration Board has collected that fee at the higher rate since 1 January 1980. The clause validates the Board's actions in doing so.

*Clause 8* repeals 292 Appropriation and Imprest Supply Acts. These are all annual Acts that are now spent.

*Clause 9* repeals a number of spent enactments, including 17 entire Acts. *Subclauses (2) and (3)* are savings provisions preserving the consequences of certain of the provisions repealed.
