(2) If the premium income earned by any local company in respect of any class of insurance business in any financial year after the year referred to in the *last preceding* subsection is such that if the deposit  
15 under that subsection had been fixed by reference thereto it would have exceeded the deposits already made by the company under this section in respect of that class of business, then in every such case the company shall, within *six* months after the end of that  
20 financial year, deposit with the Public Trustee in money the amount by which the deposits already made would have been so exceeded.

(3) No company shall be required under this section to deposit in respect of any class of insurance business

(2) If, in the case of any company to which the *last preceding* subsection applies, the premium income earned in any annual licensing period in respect of insurance business under the Motor-vehicles Insurance (Third-party Risks) Act, 1928, is such that if the deposit under the *last preceding* subsection had been fixed by reference thereto it would have exceeded the deposits already made by the company under this section, the company shall, before the *thirty-first* day of *March* next following the end of that period, deposit with the Public Trustee in money the amount by which the deposits already made would have been so exceeded. “Insurance company” means a company which is or has been carrying on in New Zealand any class of insurance business, being a company which may be wound up by the Court under the provisions of the Companies Act, 1933; and the terms “company” and “insurance business” have the meanings respectively assigned to them by section two of the Insurance Companies’ Deposits Act, 1921–22: 10 15

“Minister” means the Minister of Justice. 20

17. A petition for the winding-up of an insurance company on the ground that it is unable to pay its debts within the meaning of sections one hundred and sixty-nine and one hundred and seventy of the Companies Act, 1933, may, with the leave of the Court, be presented by the Minister. 25

18. (1) The Minister may, by notice in writing served upon an insurance company, require it to furnish to him within such time as may be specified in the notice such explanations, information, accounts, balance-sheets, abstracts, and statements as he considers to be necessary for the purpose of determining whether the company is insolvent, or was insolvent at any date (not earlier than the close of the financial year to which the last deposited statement of the company relates) specified in the notice, and may, by the notice, require any such explanations, information, accounts, balance-sheets, abstracts, or statements to be signed by such number of the directors and by such officers of the company, and to be accompanied by such copies of documents, as may be specified in the notice, and to be certified as correct by an auditor approved by the Minister, or by an actuary so approved, or by both such an auditor and such an actuary. 30 35 40

5 (a) The company does not, before the expiration of the time limited by the notice, comply with all the requirements of the notice, other than such requirements, if any, as may have been withdrawn by the Minister; or

10 (b) The Minister, after considering the material furnished pursuant to the said requirements, considers it to be expedient for the purpose aforesaid so to do,—

(5) The costs and expenses of and incidental to an investigation carried out by an inspector appointed under this section (in this subsection referred to as "the expenses") shall be defrayed out of the Consolidated Fund:

Provided that—
