

LAND AND INCOME TAX AMENDMENT BILL

EXPLANATORY NOTE

This Bill substitutes, as from 1 October 1963, new tax deduction tables for those at present set out in the Income Tax Assessment Act 1957.

The present tables are based on the allowance of a rebate on ordinary income tax of 5 per cent (with a maximum annual rebate of £50), but the new tables are based on an increase of that rebate to 10 per cent (with a maximum annual rebate of £100). The operation of the present tables for the first six months and of the new tables for the second six months of the current income year will therefore result in a rebate of $7\frac{1}{2}$ per cent (with a maximum rebate of £75) for the whole of that year.

Hon. Mr Lake
