## A BILL INTITULED

Title.

AN ACT to confer certain Powers on certain Public Bodies and to validate certain Transactions.

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

Short Title.

1. This Act may be cited as the Local Legislation Act, 1932-33.

*County Councils.*

2. Whereas the Pahiatua County Council (hereinafter called the Council) for the purpose of reconstructing certain bridges in the Pahiatua County borrowed the  
 5 sum of three thousand four hundred pounds from the National Mutual Life Association of Australasia, Limited, and issued debentures providing for the repayment of the said loan by half-yearly instalments of principal and interest payable at the Bank of New Zealand in Melbourne  
 10 in the State of Victoria in the Commonwealth of Australia: And whereas after the completion of the said works there remained unexpended a balance of six hundred and eleven pounds out of the said loan-moneys: And whereas the said National Mutual Life  
 15 Association of Australasia, Limited, refused to allow any interest upon the said sum of six hundred and eleven pounds if the said sum had been applied in reduction of the amount of the said loan by paying certain of the said debentures before their due dates:  
 20 And whereas in order that the said sum may earn interest pending the arrival of such due dates and also to obtain the benefit of the advantageous rate of exchange the Council has deposited the said sum of six hundred and eleven pounds upon several fixed deposits with the Bank  
 25 of Australasia at Melbourne so that the dates for repayment of the said fixed deposits approximately coincide with the due dates of such debentures: And whereas there being no statutory authority authorizing the Council to invest moneys outside New Zealand it is desired to  
 30 validate the said action of the Council: Be it therefore enacted as follows:—

Validating deposit of loan-moneys by Pahiatua County Council with a bank outside New Zealand.

The investment by the Council of the said sum of six hundred and eleven pounds upon several fixed deposits with the Bank of Australasia at Melbourne as aforesaid  
 35 is hereby declared to have been lawfully made.

3. Whereas the Coromandel County Council (hereinafter called the Council) was on the fourteenth day of December, nineteen hundred and twenty-nine, duly authorized by the ratepayers of the Coromandel County  
 40 to raise for the purpose of constructing a new wharf at Mercury Bay a loan of two thousand pounds, such loan to bear interest at the rate of five and one-half per centum per annum: And whereas the Council raised the said loan by issuing debentures for two thousand pounds on  
 45 which interest was agreed to be paid at the rate of five and three-quarters per centum per annum and has been paid at that rate from the first day of January, nineteen hundred and thirty-one, to the thirtieth day of June, nineteen hundred and thirty-two, but the debenture-

holders have agreed to the reduction of the rate to five and one-half per centum per annum as from the last-mentioned date: And whereas the overpayment of interest at the rate of one-quarter per centum per annum over the said period amounts to seven pounds ten shillings: 5  
And whereas it is expedient to validate the said overpayment: Be it therefore enacted as follows:—

The overpayment by the Council of interest as aforesaid amounting to seven pounds ten shillings is hereby validated and declared to have been lawfully made. 10

Authorizing  
Rangitikei  
County Council  
to collect  
special rate.

4. Whereas the Rangitikei County Council (hereinafter referred to as the Council) has been authorized to raise a special loan of one thousand pounds (hereinafter referred to as the said loan) for the purpose of surveying, legalizing, forming, and metalling the Toe Toe Road 15  
from the Rangitikei River to the Potaka Road: And whereas the Council has made and levied a special rate over the Toe Toe Road No. 2 special rating area (hereinafter referred to as the special rating area) as security for the said loan: And whereas the Council 20  
has been unable to raise the said loan upon the terms authorized and authority has been granted pursuant to section forty-seven of the Finance Act, 1929, for the Council to utilize an amount not exceeding one thousand pounds of the unexpended balance of the Vinegar Hill 25  
Bridge Loan (1926) for carrying out the works hereinbefore mentioned: And whereas such authority has been granted subject to the Council obtaining legislative authority to collect the special rate levied as security 30  
for the said loan and to pay the proceeds into the County Fund for the purpose of meeting a part of the interest and sinking fund charges on the said Vinegar Hill Bridge Loan (1926): And whereas it is expedient that the Council should be so authorized: Be it therefore enacted as follows:— 35

(1) The Council is hereby empowered to collect on all rateable property within the special rating area for a period of twenty years the special rate made and levied over such area as security for the said loan to an amount sufficient to pay interest at the rate of five and 40  
three-quarters per centum per annum and sinking fund at the rate of three per centum per annum on the sum of one thousand pounds diverted as aforesaid, and to pay the proceeds of such special rate into the County Fund, and to apply such proceeds towards providing 45  
part of the interest and sinking fund on the said Vinegar Hill Bridge Loan (1926).

(2) Nothing herein contained shall limit the powers of the Council pursuant to section twenty-three of the Local Bodies' Loans Act, 1926, to amend the special 50  
rate made and levied as security for the said loan.

5. Whereas the Corporation of the County of Hutt (hereinafter called the Corporation) by a deed bearing date the twenty-fifth day of April, nineteen hundred and thirty-two, granted to Buckleton Brothers, Limited (hereinafter called the company), the right to lay a conduit-pipe under and along Main Day's Bay Road, within the Hutt County, together with the right to convey oil and petroleum products through such pipe for the period and upon the terms and conditions mentioned in the said deed: And whereas pursuant to the provisions of section one hundred and sixty-eight of the Public Works Act, 1928, the consent of the Minister of Public Works was obtained in the manner provided by that section: And whereas it is expedient that the action of the Corporation in entering into the said deed should be validated: Be it therefore enacted as follows:—

Validating agreement entered into by Hutt County Council as to laying of conduit-pipe.

The said deed and all the terms, conditions, covenants, agreements, and provisions therein contained are hereby validated and confirmed as from the date of the execution thereof.

6. The Corporation of the County of Hutt (hereinafter called the corporation) is hereby authorized to grant to Associated Motorists Petrol Company, Limited (hereinafter called the company), the right to lay a conduit-pipe under and along Main Day's Bay Road, in the County of Hutt, together with the right to convey oil and petroleum products through such pipe, and for this purpose the Corporation is further authorized to enter into a deed with the company conferring such rights and containing such terms, conditions, covenants, agreements, and provisions as may be mutually agreed upon by and between the Corporation and the Company:

Authorizing agreement by Hutt County Council as to laying of conduit-pipe.

Provided that no such deed shall have any force or effect unless and until the consent of the Minister of Public Works has been endorsed thereon.

7. Whereas extensive permanent pavement work was carried out on main highways within the Clive and Poukawa Ridings of the Hawke's Bay County, and by reason of such highways not having been declared to be main roads under paragraph (c) of section one hundred and thirty-one of the Counties Act, 1920, the expenditure on such work was debited against the separate accounts for the said ridings: And whereas it is expedient that such expenditure should be apportioned among the separate accounts for certain other ridings as well as the said Clive and Poukawa Ridings

Authorizing Hawke's Bay County Council to credit certain sums to the Clive and Poukawa Ridings and debit same against certain ridings.

as hereinafter provided: Be it therefore enacted as follows:—

The Hawke's Bay County Council is hereby authorized to credit the separate account for the Clive Riding with the sum of one thousand nine hundred and eighty-five pounds eleven shillings and eightpence, and to credit the separate account for the Poukawa Riding with the sum of one thousand and fifty-one pounds thirteen shillings and one penny, and to debit such sums against the separate accounts for the Clive, Havelock, Maraekakaho, Meeanee, Okawa, Petane, Poukawa, Puketapu, and Waimarama Ridings of the said county in proportion to the capital value of the rateable property in each of such ridings as at the thirty-first day of March, nineteen hundred and thirty-two.

Validating loan  
of £725 by  
Clifton County  
Council over  
Mohakatino  
special rating  
area.

8. Whereas on the fourth day of November, nineteen hundred and thirty-two, the Clifton County Council (hereinafter called the Council) resolved by way of special order in pursuance of the Local Authorities Empowering (Relief of Unemployment) Act, 1926, and all other Acts and powers thereunto enabling, to proceed to raise a loan of seven hundred and twenty-five pounds, to be called the Mohakatino Loan (1933) £725, on the security of a special rate of one penny in the pound over the Mohakatino special rating area, being Sections 1 and 2 of Block IV, Tainui Survey District, Section 1 of Block I, Waro Survey District, Sections 1A 1 and 1A 2 of Mokau-Mohakatino Block, Block IV, Tainui Survey District, Lot 6 on Deposited Plan 3223 of Block IV, Tainui Survey District, Lot 4 on Deposited Plan 3174 of Blocks III and IV, Tainui Survey District, Lots 4, 5, and 6 on Deposited Plan 3568 of Mohakatino-Parininihi 1c West, Block IV, Tainui Survey District, part Lot 2 on Deposited Plan 3568 of Mohakatino-Parininihi 1c West, Block III, Tainui Survey District: And whereas the said Local Authorities Empowering (Relief of Unemployment) Act, 1926, contains no sufficient provisions for the raising of loans thereunder on the security of a special rate over part only of a legal subdivision: Be it therefore enacted as follows:—

The Council shall for all purposes be deemed to have been lawfully empowered under the said Local Authorities Empowering (Relief of Unemployment) Act, 1926, to raise the said loan by special order on the security of the said special rate over the said special-rating area, and to make and pledge as security for the said loan the said special rate.

9. Whereas by a poll of ratepayers taken on the thirteenth day of December, nineteen hundred and thirty, the Manukau County Council was authorized to raise a loan to be known as the Mangere Special Area Water-supply Loan of £65,000 (hereinafter referred to as the said loan) secured over the Mangere Water-supply Special-rating Area for the supply of water to such area: And whereas the Council repaid from the proceeds of such loan to the General Account a sum of one thousand three hundred and fifty-six pounds sixteen shillings and fourpence, being preliminary expenses incurred prior to the raising of the said loan in locating a satisfactory water-supply: And whereas the Council failed to comply with the provisions of section five of the Local Bodies' Loans Act, 1926, in respect of the payment of such preliminary expenses: Be it therefore enacted as follows:—

Validating payment of preliminary expenses out of loan-moneys by Manukau County Council.

The Manukau County Council shall be deemed to have been lawfully empowered to repay to its General Account out of the proceeds of the said loan the said sum of one thousand three hundred and fifty-six pounds sixteen shillings and fourpence.

25 “Commissioner” means the Matakaoa County Commissioner for the time being in office under this section:

35 (2) The Governor-General in Council may, if he thinks fit, appoint a fit person to be the Matakaoa County Commissioner.

40 (3) The Governor-General in Council may also appoint a fit person to be the Deputy Matakaoa County Commissioner, who shall act when there is any vacancy in the office of Commissioner or when the Commissioner is unable to act, and while so acting shall be deemed to be the Commissioner.

(5) The Commissioner or the Deputy Commissioner may be at any time removed from office by the Governor-General in Council for disability, insolvency, neglect of duty, incompetence, or misconduct; or he may at any time resign his office by writing addressed to the Minister. In any such case, or in the event of the death of the Commissioner or Deputy Commissioner, the Governor-General in Council may appoint any other person to be the Commissioner or Deputy Commissioner, to hold office for the remainder of the period specified in the *last preceding* subsection. 5 10

(6) Subject to the provisions of this section, the Commissioner, in the name and on behalf of the Council or the Corporation of the County of Matakaoa, as the case may require, may exercise any power, and shall perform all the duties, conferred or imposed upon the Council by the Counties Act, 1920, or by any other Act, or by any instrument or otherwise. 15 20

(7) During the term of office of the Commissioner the Council shall not exercise any power or perform any duty conferred or imposed upon it as aforesaid.

(8) Any power given to the Council to do anything by special order may be exercised by the Commissioner by a special entry in the minute-book of the Council, signed by the Commissioner and confirmed by a similar entry made not sooner than the twenty-eighth day and not later than the seventieth day after the date of such special entry. Public notice of such special entry and of the place and date fixed for its confirmation shall be given once in each of the four weeks immediately preceding the date fixed for its confirmation. 25 30

(9) All cheques drawn on any bank account of the Council or of the Corporation shall be signed by the Treasurer and countersigned by the Commissioner or by any two of such persons as the Commissioner from time to time authorizes to sign cheques. 35

(12) The borrowing and owing of moneys by the Council at any time before the passing of this Act by way of overdraft in excess of the limits prescribed by the Local Bodies' Finance Act, 1921-22, are hereby validated.

(13) Notwithstanding anything to the contrary in the said Local Bodies' Finance Act, 1921-22, while this section remains in force the limits of the powers of the Council or Commissioner, as the case may be, to borrow or owe moneys under section three of that Act shall be such as may from time to time be approved by the Minister.

11. Whereas the Thames County Council pursuant to a poll of ratepayers held on the tenth day of December, nineteen hundred and nineteen, borrowed the sum of fifty thousand pounds for the purpose of forming, regrading, metalling, and tar-grouting the main and subsidiary roads within part of the county, such loan (save as to the sum of six thousand pounds hereinafter mentioned) being repayable by instalments spread over a period of thirty-six and one-half years: And whereas, of the said sum of fifty thousand pounds, the sum of twenty-one thousand pounds was allocated to the improvement of the main Thames-Paeroa Road from the Thames Borough boundary to the Hikutaia Creek: And whereas of the said twenty-one thousand pounds so borrowed, the sum of sixteen thousand one hundred and forty-five pounds nineteen shillings and sevenpence has been expended, leaving an unexpended balance of four thousand eight hundred and fifty-four pounds and fivepence: And whereas a further sum of six thousand pounds (part of the said loan of fifty thousand pounds) was allocated to the purpose of the purchase of the necessary plant and vehicles to carry out the various works for which the loan was raised: And whereas the said sum of six thousand pounds was borrowed for a term of ten years only, but the sinking fund provided therefor was one per centum per annum and at the date of maturity (the first day of May, nineteen hundred and thirty-two) amounted to six

hundred and ninety-five pounds thirteen shillings and fivepence: And whereas at that date the sum of five thousand four hundred and seventy-four pounds six shillings and one penny of the loan of six thousand pounds had been expended, leaving an unexpended balance of five hundred and twenty-five pounds thirteen shillings and elevenpence: And whereas the Thames County Council has utilized the said unexpended balance of five hundred and twenty-five pounds thirteen shillings and elevenpence and the sum of four thousand seven hundred and seventy-eight pounds twelve shillings and eightpence of the aforesaid unexpended balance of four thousand eight hundred and fifty-four pounds and fivepence to augment the sinking fund of six hundred and ninety-five pounds thirteen shillings and fivepence, and has repaid the said loan of six thousand pounds: And whereas doubts have arisen as to the legality of the aforesaid action, and it is desirable that the same should be expressly validated: Be it therefore enacted as follows:—

The action of the Thames County Council in applying the unexpended portion of the said six thousand pounds loan and the sum of four thousand seven hundred and seventy-eight pounds twelve shillings and eightpence of the unexpended portion of the said twenty-one thousand pounds loan towards repayment of the said loan of six thousand pounds is hereby validated and confirmed.

Authorizing payment of compassionate allowance by Levels County Council.

12. Whereas the Levels County Council in the year nineteen hundred and thirty-two resolved to grant the sum of one hundred pounds as a compassionate allowance to the widow of the late Frank Edmund Whitehead, who was formerly Clerk to the said Council: And whereas the said Council has no legal authority to make such grant: Be it therefore enacted as follows:—

The Levels County Council is hereby authorized to grant a sum not exceeding one hundred pounds as a compassionate allowance to the widow of the late Frank Edmund Whitehead.

Authorizing agreements with respect to purchase of a road by Bay of Islands County Council.

14. The Waipawa County Council may, in the manner prescribed by section twenty-two of the Local Bodies' Loans Act, 1926, pay out of the Takapau Riding Account instead of out of its General Account the interest and sinking fund charges in respect of the loan raised by that council known as the Rangitoto Road Loan.

Waipawa County Council may pay charges on Rangitoto Road Loan out of Takapau Riding Account.

15. Whereas it appears that the rates made and levied by the Marlborough County Council (hereinafter called the Council) for the years ending on the thirty-first day of March, nineteen hundred and thirty-one, nineteen hundred and thirty-two, and nineteen hundred and thirty-three, respectively (hereinafter referred to as the said rates), cannot be legally recovered by reason of certain irregularities in connection therewith: And whereas demands in writing for payment of the said rates were made and delivered, a large percentage of the said rates have been paid by divers ratepayers, and it is advisable in the public interest and to prevent injustice to validate the said rates and to authorize the recovery of the balance thereof: Be it therefore enacted as follows:—

Validating certain rates of Marlborough County Council.

The rates made and levied or which the Council purported to make and levy in and for the above-mentioned years as appearing in the rate-books of the Council shall be valid and be deemed to have been valid from the date when the Council purported to make and levy the said rates respectively; the demands made for payment of the said rates shall be valid and be deemed to have been valid, and the said rates shall be recoverable by action notwithstanding the said irregularities or the omission of any conditions whatsoever precedent to the making or

levying of the said rates or any irregularity, mistake, or omission in the form or manner of making or levying the same or otherwise; and valid demands upon all persons liable for the said rates shall be conclusively presumed to have been duly made and delivered in accordance with law. 5

19. Whereas the Whangarei Borough Council (hereinafter called the Council) has obtained the consent of the Governor-General in Council, under the provisions of the Local Government Loans Board Act, 1926, to the raising of a loan of seven thousand pounds (hereinafter referred to as the repayment loan) for the purpose of repaying certain authorized loans previously raised by the Council (hereinafter referred to as the authorized loans): And whereas the authorized loans fell due prior to the repayment loan-moneys being available and were repaid by the Council from its District Fund Account: And whereas part of the repayment loan has already been raised, and the proceeds have been paid to the District Fund Account: Be it therefore enacted as follows:— 10

The Council is hereby, and shall be deemed to have been, authorized and empowered— 20

(a) To raise the repayment loan, or any part or parts thereof, notwithstanding the prior repayment of the authorized loans; and

(b) To apply the repayment loan-moneys or any part or parts thereof for the purpose of refunding to the District Fund Account the expenditure incurred in repaying the authorized loans. 25

Special provision with respect to loan of £5,000 by Lower Hutt Borough Council.

20. Whereas by section twenty of the Local Legislation Act, 1931, the Lower Hutt Borough Council was authorized to raise by special order a loan for the purposes of the construction of certain works required in terms of an agreement for the supply of water by the said Council to the Eastbourne Borough Council: And whereas, in anticipation of the raising of such loan, the Lower Hutt Borough Council borrowed certain moneys from its bankers by way of overdraft and paid such moneys out of its General Account for the purposes of the construction of such works, and is now desirous of raising a special loan of five thousand pounds for the purpose of repaying such moneys to its bankers and recouping its General Account and also for the purpose of meeting any further cost and charges in connection 30 35 40

with the construction of the said works : Be it therefore enacted as follows :—

The Lower Hutt Borough Council is hereby authorized to raise a loan of five thousand pounds in the manner set out in section twenty of the Local Legislation Act, 1931, and to utilize it to such extent as may be necessary for the purpose of repaying the moneys so borrowed from its bankers and recouping the moneys so paid out of its General Account, and for payment of all other liabilities incurred or to be incurred in connection with the construction of the said works.

21. Whereas the Napier Borough Council was, by a poll taken on the twenty-first day of December, nineteen hundred and twenty-six, duly authorized by the rate-payers of the Borough of Napier to raise a loan of eight thousand four hundred pounds for the purposes set out in the proposals submitted to the ratepayers : And whereas the said Council expended out of the said loan-moneys for the purchase of land the sum of seventeen pounds in excess of the sum of one thousand pounds allocated in the said proposals to that purpose : And whereas the said Council expended out of the said loan-moneys for constructing roads and drains the sum of seven hundred and ninety-two pounds thirteen shillings and sevenpence in excess of the sum of five hundred and fifty pounds allocated in the said proposals to that purpose : And whereas it is desired to validate such excess expenditure : Be it therefore enacted as follows :—

Whereas the Taihape Borough Council (hereinafter called the Council) was authorized by Order in Council, bearing date the twelfth day of October, nineteen hundred and thirty-one, and published in the *New Zealand Gazette* of the fifteenth day of the same month, to raise a loan of fifteen thousand seven hundred pounds to be known as the Taihape Borough Public Works Construction and Improvements and Electric Light Extension Redemption Loan (1932) : And whereas the said Council did on or about the first day of June, nineteen hundred and thirty-

The Council is hereby authorized and empowered to make and levy such further special rate or rates over the whole or any portion of the rateable property in the Borough of Taihape as may be necessary to provide the interest, sinking fund, and other charges payable in respect of the balance of the said loan of fifteen thousand seven hundred pounds.

Wellington City Council authorized to raise special loan to recoup District Fund for advance in respect of repayment of Karori Borough Council Special Loan No. 5.

**23.** Whereas the Karori Borough Council raised in the year nineteen hundred and seven a loan known as Loan Number 5.—Completion of Tramway Road Widening and Recreation Reserve—£17,000 (hereinafter referred to as the said loan), which loan matured on the thirty-first day of December, nineteen hundred and thirty-one : And whereas by reason of the union of the City of Wellington and the Borough of Karori in the year nineteen hundred and twenty the said loan became thereafter payable by the Wellington City Council (hereinafter called the Council) : And whereas on the thirty-first day of December, nineteen hundred and thirty-one, the sinking fund in respect of the said loan amounted to seven thousand eight hundred pounds : And whereas it was wrongly recorded in the Karori Borough Council records that the said loan was repayable on the thirtieth day of June, nineteen hundred and thirty-two, and the Council for that reason failed to obtain the necessary Order in Council under the provisions of the Local Government Loans Board Act, 1926, authorizing the raising of a special loan of nine thousand two hundred pounds necessary to enable the Council to pay off the said loan and it was necessary to advance nine

thousand two hundred pounds temporarily from the District Fund Account of the Council in order to pay off the said loan: And whereas such Order in Council cannot now be issued and it is advisable to authorize  
 5 the Council to raise a special loan of nine thousand two hundred pounds for the purpose of repaying the said sum of nine thousand two hundred pounds advanced by the Council from its District Fund Account: Be it therefore enacted as follows:—

10 The Council may by special order and without taking the steps prescribed by sections nine to thirteen of the Local Bodies' Loans Act, 1926, raise a special loan of nine thousand two hundred pounds, and may pay the proceeds of such special loan into its District

25. 26.  35 connection therewith certain liabilities: And whereas the Council received on account of the expenses of such celebrations certain moneys from public subscriptions and the sale of booklets: And whereas such moneys proved insufficient to satisfy the whole of such liabilities,

27. Whereas by Order in Council made under the Local Government Loans Board Act, 1926, and the Local Bodies' Loans Act, 1926, dated the twelfth day of October, nineteen hundred and thirty-one, and published in the 15 *Gazette* of the fifteenth day of the same month, the Green Island Borough Council was authorized to raise a loan of five thousand seven hundred pounds (hereinafter referred to as the said loan), at a rate of interest not exceeding 20 five per centum per annum, for the purpose of redeeming the outstanding liability in respect of two waterworks loans which matured on the seventeenth day of November, nineteen hundred and thirty-one: And whereas the sum of three thousand five hundred pounds of the said loan was raised by the issue of debentures which inadvertently 25 provided for the payment of interest at the rate of five and one-quarter per centum per annum: And whereas in anticipation of raising the said loan and for the purpose of assisting in the repayment of the maturing loans the Council advanced and paid out of its District Fund 30 Account the sum of two thousand seven hundred pounds, intending subsequently to repay such sum to the District Fund Account out of the proceeds of the said loan: And whereas the sum of two thousand seven hundred pounds has been so repaid to the District Fund Account: And 35 whereas the Council could not lawfully use the proceeds of the said loan for the purpose of recouping the District Fund Account: Be it therefore enacted as follows:—

Notwithstanding anything to the contrary in the Local Government Loans Board Act, 1926, the Local Bodies' 40 Loans Act, 1926, or any other Act, the Council shall be deemed to have had lawful authority to raise the said sum of three thousand five hundred pounds of the said loan by the issue of debentures bearing interest at the

rate of five and one-quarter per centum per annum, and to pay the sum of two thousand seven hundred pounds from the proceeds of the said loan to the District Fund Account.

- 5     **28.** Whereas the Wellington City Council, in exercise of the powers vested in it, has raised certain loans—namely, (a) the Wellington City Street Works Loan, 1925, of two hundred thousand pounds and Supplementary Loan of twenty thousand pounds; and (b) the Wellington City Paving and Surface-sealing Loan, 1927, of two hundred and one thousand pounds: And whereas after providing all moneys necessary to complete the works for which each of the said loans was raised there will be an unexpended balance in respect of each loan: And whereas it is proposed that the balances should be made available for other street works: Be it therefore enacted as follows:
- 10     (1) Notwithstanding anything contained in any Act or in any Order in Council relating to the said loans the Wellington City Council is hereby authorized to expend the said unexpended balances of the said loans for all or any of the following purposes:—
- 15     (a) Paving and sealing other streets:
- 20     (b) Widening or improving the formation of streets for which paving or other surface-sealing works are authorized by either of the said loans, and additional paving and surface-sealing on any street the formation of which is so widened.
- 25     (2) No unexpended balances of either of the said loans shall be expended as provided by this section unless and until authority in that behalf is given by the Local Government Loans Board.
- 30     (3) The provisions of subsections two to seven of section forty-seven of the Finance Act, 1929, shall apply to every application by the Council for authority as aforesaid, and the Local Government Loans Board may in its discretion give such authority either as to the whole or to any part of any proposal submitted to it, and either unconditionally or subject to such terms, conditions, and stipulations as it thinks fit to impose.

and extending water reticulation, a special loan of five thousand two hundred and thirty pounds, to be secured upon a special annually recurring rate of nineteen sixty-fourths of a penny in the pound on the rateable value (on the basis of the unimproved value) of all rateable property in the borough: And whereas the proceedings subsequently taken by the said Council in connection with the raising of the said loan were irregular or defective and did not comply with the requirements of law in that the whole amount of the loan was raised by the issue of debentures before the making of the special rate for the purpose of securing the repayment of the said loan and interest thereon: And whereas such special rate has since been made and levied by resolution of the Council gazetted under the provisions of the Local Bodies' Loans Act, 1926, and in accordance with the said poll of ratepayers: And whereas the said Borough Council has in the interval between the raising of such loan and the actual making of such rate purported to levy and demand the amount of such special rate as part of its consolidated special rate for each rating period, and the majority of ratepayers in the borough have paid such special rate accordingly: And whereas it is expedient to validate the making and levying of the said special rate and to make the same an effective security for the debentures issued in respect of such loan: Be it therefore enacted as follows:—

The proceedings in connection with the said loan of five thousand two hundred and thirty pounds are hereby validated, and the said special rate shall for all purposes be deemed to have been duly made on the nineteenth day of December, nineteen hundred and twenty-eight, being a date prior to the issue of the said debentures.

20 The Council is hereby authorized and empowered—

(a) To raise the repayment loans, or any part or parts thereof, notwithstanding the prior repayment in whole or in part of the aforesaid special loans; and

25 (b) To apply the repayment loan-moneys, or any part or parts thereof, for the purpose of refunding to the District Fund Account the expenditure incurred in repaying in whole or in part the aforesaid special loans.
