

## MILK AMENDMENT BILL

---

### EXPLANATORY NOTE

*Clause 1* relates to the Short Title.

*Clause 2* restores to the New Zealand Milk Board 2 powers it lost as a consequence of the passage of the Milk Amendment Act 1980—the power to fix special allowances for the treatment and delivery of milk higher than the general allowances fixed under the Commerce Act 1975 (but before the passing of the Milk Amendment Act 1980 fixed by the Milk Prices Authority), and the power to fix those allowances and various other special allowances and special prices retrospectively.

The Board has at all times acted as if it continued to have those powers; and *subclause (3)* validates its actions in doing so, and the actions of all other persons who have acted in reliance on the Board's actions.
