**10. Five new sections (relating to disciplinary proceedings and appeals) substituted in principal Act—**

The principal Act is hereby amended by repealing sections 58 and 59, and substituting the following sections:

5     **“58. Disciplinary powers of Council—**(1) Where the Council—

      “(a) Has held a hearing under **section 56A** of this Act in respect of the conviction of any person who is registered as a medical practitioner or is conditionally registered; or

10     “(b) After due inquiry has judged any person who is so registered or conditionally registered to have been guilty of disgraceful conduct in a professional respect,—

15 the Council may if it thinks fit, by writing under the hand of the Chairman, exercise in respect of that person all or any of the disciplinary powers specified in **subsection (2)** of this section.

      “(2) Those powers are as follows:

20     “(a) Subject to **subsection (4)** of this section, to order the name of the person concerned to be removed from the register; and thereupon, subject to the provisions of this Act, that person shall cease to be registered as a medical practitioner or conditionally registered, as the case may require:

25     “(b) Subject to **subsection (4)** of this section, to suspend that person from practice as a medical practitioner for a period not exceeding 12 months:

      “(c) Subject to **subsection (4A)** of this section, to impose a penalty upon that person not exceeding \$1,000:

30     “(d) To impose, for a period not exceeding 3 years, such conditions on that person’s right to practise as a medical practitioner as it thinks fit for the protection of the public or in that person’s interests; and thereupon that person may, for the specified period, practise as a medical practitioner subject to those conditions, but not otherwise:

35     “(e) To censure that person:

40     “(f) To order that person to pay any costs and expenses of and incidental to the inquiry by the Council and any investigation made by the Preliminary Proceedings Committee.

*New*

“(2A) An inquiry held for the purposes of **subsection (1) (b)** of this section shall be conducted in accordance with the provisions of **subsections (5) to (11)** of **section 56A** of this Act, and those provisions, with any necessary modifications, shall apply accordingly. 5

“(3) No person shall be guilty of disgraceful conduct in a professional respect merely because he has adopted and practised any theory of medicine or surgery, if in so doing he has acted honestly and in good faith. 10

“(4) No name of any person shall be removed from the register under **paragraph (a) of subsection (2)** of this section, and no person shall be suspended from practice as a medical practitioner under **paragraph (b)** of that subsection, because of any offence committed before the date of his registration, if 15 at that date the Council was aware of his conviction in respect of that offence.

*New*

“(4A) No penalty may be imposed under **paragraph (c) of subsection (2)** of this section in any case where the Council is 20 proceeding under **subsection (1) (a)** of this section, or where the Council is inquiring into any act or omission that constitutes an offence for which the person has been convicted by any Court and which is punishable by imprisonment or a fine.

“(5) Notwithstanding anything in **subsection (2)** of this section, 25 the Council may, without making any finding under **subsection (1)** of this section, order the person concerned to pay any costs and expenses of and incidental to the inquiry by the Council and any investigation made by the Preliminary Proceedings Committee, if the Council considers that any such inquiries 30 were justified and that it is just that such costs and expenses be imposed.

“(6) Subject to **subsection (7)** of this section, a copy of every decision of the Council under this section shall be served by the Secretary to the Council on the medical practitioner in 35 respect of whom it was made, and shall take effect from the day on which such service was effected, or such later date as may be specified in the decision.

“(7) Where the medical practitioner in respect of whom an order is made under this section is present at the meeting of 40 the Council at which it is made, the medical practitioner shall be deemed for the purposes of **subsection (6)** of this section to

have been served with a copy of the order of the Council; but nothing in this subsection shall prevent the medical practitioner from obtaining a written copy of the order on application to the Secretary to the Council.

5 “(8) While any order of suspension from practice as a medical practitioner under this section remains in force, the person in respect of whom the order was made shall be deemed for the purposes of this Act other than this Part not to be registered as a medical practitioner or conditionally registered, as the  
10 case may be; but forthwith on the expiry of the order his rights and privileges as a registered medical practitioner or person conditionally registered shall be revived as from the date of the expiry.

15 “(9) Every monetary penalty imposed, and all costs and expenses payable, under this section shall be recoverable as a debt due to the Council.

20 “(10) Notwithstanding anything in **subsections (1) and (2)** of this section, if the Council, after due inquiry under this section into any complaint against any person, considers that he is not guilty of disgraceful conduct in a professional respect but is guilty of professional misconduct, it may exercise in respect of him all or any of the powers which the Disciplinary Committee is authorised to exercise in respect of a person whom it finds guilty of professional misconduct.

25 “58A. **Removal of educational qualification may be treated by Council as conclusive evidence**—If any University or institution, having granted to any person a degree or diploma or other qualification registrable under this Act, exercises any power conferred by law of striking off the name  
30 of that person and notifies to the Council the fact of the striking off,—

“*(a)* The Secretary to the Council shall make a note of the fact in the register:

35 “*(b)* If the said University or institution notifies to the Council the findings of fact on which the decision to strike off the name was based, the findings may (if the Council thinks fit) be treated, for the purposes of any inquiry under this section, as *(conclusive)* evidence of the facts found.

40 “58B. **Re-registration of person whose name has been removed from register**—(1) In any order under **section 58 (2)** **(a)** of this Act for the removal from the register of the name of any person, the Council, and (in the event of an appeal against any such order) the High Court, may fix a time after  
45 which the person whose name is so removed may apply for re-registration under this Act.

“(2) At the expiration of that time, the person whose name has been so removed may apply for re-registration, and all the provisions of this Act as to registration shall, so far as they are applicable, apply to re-registration under this section.

“(3) Subject to **subsection (4)** of this section, if neither the Council nor the High Court fixes any such time, the Council may refuse to consider any such application for such time as it thinks fit. 5

“(4) Any person aggrieved by the refusal of the Council to consider any such application may apply to the High Court for an order directing the Council to consider that application, or directing the Secretary to the Council to enter in the register the name of that person, and the Court may make such order in the matter as it thinks fit. 10

“(5) Notwithstanding any of the foregoing provisions of this section, on an application made to it under this section the Council may if it thinks fit, instead of re-registering the applicant, issue to him a certificate of probationary registration entitling him to practise as a medical practitioner for such period as the Council thinks fit in such hospital or institution or with such general practitioner as may be specified in the certificate; and in any such case the provisions of subsections (5) to (13) of section 33A of this Act shall apply as if the certificate had been issued under that section. 15 20

“(6) On any application for re-registration under this section, the Council may make an order for the payment to the Council by the applicant of the costs and expenses of the application; and all such costs and expenses so ordered to be paid shall be a debt due to the Council from the applicant, and shall be recoverable accordingly in any Court of competent jurisdiction. 25 30

“**59. Appeals to High Court**—(1) There shall be a right of appeal to the High Court against—

“(a) An order of the Council made under **subsection (2) or subsection (5) or subsection (10) of section 58** of this Act:

“(b) An order (including an order for the payment of costs) or a recommendation made by the Council on an appeal to the Council under this Act. 35

“(2) Every such appeal shall be brought by notice of appeal filed in the Court within 28 days after the day on which the order or recommendation was notified to the medical practitioner concerned. 40

“(3) A copy of the notice of appeal shall be forwarded within the same period to each party directly affected by the appeal, and to the Secretary to the Council.

**“59A. Further provisions relating to applications and appeals to High Court—**

*Struck Out*

5 (1) The decision of the High Court in respect of any application under **section 58B** of this Act and any appeal under **section 59** of this Act shall be final and conclusive.

*New*

10 (1) Every appeal from an order of the Council that the name of the appellant be removed from the register shall be heard by at least 3 Judges of the High Court.

“**(1A)** The decision of the High Court in any such case shall be in accordance with the opinion of the majority of the Judges present, and, if they are equally divided in opinion, the order of the Council shall be deemed to be affirmed.

15 “**(1B)** The decision of the High Court in respect of any application under **section 58B** of this Act and any appeal under **section 59** of this Act shall be final and conclusive.
