A BILL INTITULED

An Act in Settlement of certain Claims to Land of Naval and Title. Military Settlers and Volunteers.

WHEREAS by "The Naval and Military Settlers' and Volunteers' Preamble. 5 Land Act, 1889," the Commissioners of Crown Lands in the several land districts of the colony were authorised to inquire and determine upon all claims for grants of land by naval and military settlers and Volunteers, and other persons coming within the category described in section two of the aforesaid Act, who should have sent in their 10 claims not later than the thirty-first day of December, one thousand eight hundred and ninety, and to report the results of their investigations to the Governor:

And whereas the aforesaid Commissioners have reported to the Governor that, having inquired into the claims of all persons who 15 have advanced any such claims, they have found that the several persons mentioned in the Schedule A to this Act had respectively substantiated such claims, and to the extent in the said Schedule expressed:

And whereas, by the Act hereinabove first recited, it is provided 20 that all claims recommended by the aforesaid Commissioners should be satisfied by the remission of money in the purchase of land, and it No. 119—2.

is expedient that the Governor should be authorised to satisfy any of such claims by the issue of certificates for remission of money in the purchase of land, in lieu of cash:

And whereas it is expedient to make provision for the final settlement of all claims to land of military and naval settlers and

Volunteers under any Acts heretofore in force:

Be it therefore enacted by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. The Short Title of this Act is "The Naval and Military 10 Settlers' and Volunteers' Land Act, 1891."

Every certificate of remission of money in purchase of land 20 (herein referred to as "remission certificates") which is issued under the authority of this section shall be barred unless exercised on or before the thirty-first day of March, in the year one thousand eight

hundred and ninety-four:

Provided that in the case of those persons whose names appear 25 in Schedule A to this Act, and who have claimed under subsection two of section two of "The Naval and Military and Volunteers Land Act, 1889," no certificate shall be issued until the claimants have proved to the satisfaction of the Defence Minister that they retired from Her Majesty's Naval or Military Service for 30 the special purpose of settling in New Zealand.

3. Notwithstanding anything contained in section three of "The Naval and Military Settlers' and Volunteers' Land Act, 1888," every certificate of remission of money issued under that Act may be exercised within twelve months after the thirty-first day of March, 35 one thousand eight hundred and ninety-one; and the said section shall be read as if the word "ninety-two" had been inserted therein

in lieu of the word "ninety-one."

4. The time for sending in claims for land under "The Naval and Military Settlers' and Volunteers' Land Act, 1889," is hereby 40 extended to the thirtieth day of June, one thousand eight hundred and ninety-two, and that Act shall be read subject to the following amendments:—

(1.) In section two, subsection two, the word "seventy" is hereby substituted for "sixty-eight;"

45

(2.) In section three the words "thirtieth day of June" are hereby substituted for "thirty-first day of December," and the word "ninety-two" is substituted for "ninety."

5. In case of the death of any person found entitled to a remission certificate of money under this Act, or under any Act heretofore 50 in force, the Governor may direct such certificate to be issued to such person or persons as he shall think most equitably entitled thereto,

(2.) The application shall be made in such form and to such effect as the Board may from time to time prescribe, and 30 with his application the claimant shall deposit with the Board his remission certificate, and thereupon the Board may issue to the claimant a certificate.

Where more than one application for the same allotment is made on the same day, the priority of choice shall 35
