

NOXIOUS WEEDS BILL.

131

EXPLANATORY MEMORANDUM.

THIS is a Bill to consolidate the Noxious Weeds Act, 1908, and its amending Acts—1910, No. 34 ; 1921, No. 4 ; 1923, No. 31 ; and 1927, No. 56. In all, five separate enactments have been included in this Consolidation Bill, and also a number of Orders in Council including other noxious weeds in the Second Schedule.

The tables annexed show the correspondence between the clauses in this Bill and the sections of the Act of 1908 and the several amending Acts embodied in the Bill.

The general scheme of the Bill is to embody the law as it stands, omitting repealed sections and sections such as the introductory sections of amending Acts the effect of which is spent. Occasionally the language of a section has had to be slightly altered, either to give effect to the result of an amendment or to make an expression clearer without altering its effect. The names of some of the noxious weeds and seeds in the Schedules have been brought up to date.

Otherwise the law has not been altered.

(2) Every occupier of land on which blackberry or sweetbrier is growing, otherwise than in small patches, shall clear so much thereof as is required by an Inspector by notice in writing under his hand within the time specified in that notice. (3) Every occupier who has received a notice under the *last preceding* subsection may, within fourteen days of the receipt thereof, appeal to the Minister, or such person as the Minister by notice in the *Gazette* appoints in that behalf, on the ground that the requirements of the Inspector are unreasonable. 15

(4) The Minister, or the person so appointed by the Minister, shall, after inquiry, either dismiss the appeal or reduce the requirements of the Inspector, who shall, in the latter event, thereupon serve upon the occupier an amended notice in writing setting forth his requirements as so reduced. The decision of the Minister or person appointed by him, as the case may be, shall be final. 20

(5) Subject to the foregoing provisions of this section, every occupier of land shall do all things necessary to clear his land within the time specified by an Inspector by notice in writing under his hand or by public notification in one or more newspapers circulating in the district in which the occupier's land is situated. 25

(2) In any case where default is made by the occupier in complying with any of the requirements of that section the Inspector may, by notice to the occupier in the form in the *Fourth* Schedule hereto, or to the like effect, specify the requirements as to which default has been made, and request him to comply with them by doing the necessary work within the period specified in the notice; and it shall be the duty of the occupier so to do. 40 45

Inspector may do work at occupier's expense, and recover cost.

(3) If the occupier fails or neglects to duly comply with such notice he commits an offence against this Act, and the Inspector may enter upon the said land and do the work at the expense in all things of the occupier; but nothing herein shall relieve the occupier from any fine he may have incurred by reason of his default, failure, or neglect. 50

(4) The amount of all such expenses shall be recoverable by the Inspector, or such other person as the Minister authorizes in that behalf, from the occupier, with costs, by action in any Court of competent jurisdiction.

5 14. A person convicted under section *eleven* hereof for failing to clear any noxious weeds within the time limited by notice or public notification shall not thereby be relieved from the necessity of clearing such weeds, but shall do so within two months after the date of such conviction. If he fails to comply with this requirement he shall be
10 deemed to have committed a further offence, and shall be liable on conviction to a further fine of not less than five pounds and not more than fifty pounds.

Penalty for continued default. 1927, No. 56, s. 5

15 15. Subject to the provisions of his lease, the reasonable expenses incurred by an occupier under either section *eleven* or section *thirteen* hereof, including reasonable compensation for his own labour or superintendence, may be recovered by him as a debt from the owner to the extent following, that is to say:—

Proportion of cost of clearing to be borne by owner. 1908, No. 133, s. 11

(a) One-fourth of the total amount of such expenses where the unexpired term of the lease is not less than four years at
20 the date when the expenses are incurred; or

(b) Where such unexpired term is then less than four years, such proportion of the aforesaid total amount as, in the absence of agreement between the parties, is fixed by a Magistrate on summons in that behalf issued and proceeded upon summarily under the Justices of the Peace Act, 1927.
25

16. (1) In the case of Maori land the title to which has not been individualized and partitioned, the Minister shall cause the land to be cleared as required by section *eleven* hereof, if the Maori occupants fail or neglect so to do to the satisfaction of the Inspector; and the cost
30 thereby incurred by the Minister shall be paid by the Native Minister out of any moneys available for Native purposes.

As to Maori lands not individualized. *Ibid.*, s. 12

(2) In every case where the number of Maori owners of any block of Maori land exceeds ten the following special provisions shall apply:—

35 require the Maori owners to appoint a committee of not less than three nor more than seven persons.

(b) In addition to publishing such notice as aforesaid, the Minister shall also cause a copy of the published notice to be served on one or more of the Maori owners.

(c) The committee may be appointed in such manner as the
40 Minister directs.

(d) If within one month after the publication of such notice the Maori owners have not duly appointed a committee, the Minister shall appoint one in such manner as he thinks fit.

(e) The publication by the Minister of the names of the members of the committee in the *Gazette* and *Kahiti* shall be conclusive evidence of their due appointment.
45

(f) Subject to the provisions of the *next succeeding* paragraph, it shall be the duty of the committee to clear the block, or
50 cause the same to be cleared, as required by section *eleven* hereof; and if the committee fails or neglects so to do, then the Minister shall cause the block to be cleared in the same

manner and with the same consequences as if such failure or neglect had been by the Maori occupants.

(g) In any case where the Minister is of opinion that the work of clearing the land cannot advantageously be undertaken by the Maori occupants, the committee, or himself, then the Governor-General in Council may authorize the land or any part thereof to be leased for such term, at such rental, and on such conditions as to clearing and otherwise (including a condition that the work of clearing may be accepted in or towards satisfaction of rent) as the Governor-General in Council thinks fit. 5 10

(h) The lease shall be in such form and shall be executed by such person or lessor on behalf of the Maori owners as the Governor-General in Council directs, and every such lease shall according to its tenor be deemed to be a valid and effectual lease of the land comprised therein, any restriction or provision in any Act to the contrary notwithstanding. 15

17. (1) The Native Minister may register in the Native Land Court a memorandum under his hand, in the form in the *Fifth* Schedule hereto, setting forth the amount paid by him under the *last preceding* section. 20

(2) Such memorandum shall operate as a charge against the said land, and thereafter no alienation thereof, whether by way of sale, lease, mortgage, or otherwise, shall have any validity, unless and until such charge is satisfied. 25

18. At the request of the Maori owners the Governor-General in Council may extend the provisions of paragraphs (g) and (h) of subsection *two* of section *sixteen* hereof to any Maori land, whatever its tenure or title or the number of its Maori owners.

19. All lands being public reserves not vested in any trustees or local authority, and all unoccupied Crown lands, shall from time to time be cleared as required by section *eleven* hereof by the Minister or under his authority. 30

20. Every local authority other than the Minister shall, out of its general revenues, from time to time clear, as required by section *eleven* hereof, all lands under its control, and if it fails or neglects so to do the Minister may cause the same to be done at its expense. 35

21. (1) Every person commits an offence who obstructs or hinders any Inspector, or any person duly employed or authorized, in the exercise of any power or function conferred on him by or under this Act. 40

(2) No proceedings for the recovery of any fine in respect of any such offence shall be a bar to an action at law by any such Inspector or person in respect of any such act as aforesaid, but every such action may be commenced and proceeded with as if no such proceedings had been taken under this Act. 45

22. Every person who commits an offence against any of the provisions of this Act or of the regulations thereunder is liable to a fine not exceeding twenty pounds and not less than ten shillings.

23. Proceedings for the recovery of any fine under this Act shall be commenced only on the information or complaint of an Inspector, or of such other person as the Minister authorizes in that behalf, and all such proceedings shall be heard and determined before a Magistrate alone. 50
