A BILL INTITULED

AN ACT to vest further Powers in the Otago Harbour Board.

Title.

Preamble.

WHEREAS the parcel of land described in the *Second* Schedule hereto is required by the Otago Harbour Board in connection with the widening of Rattray Street Wharf, belonging to the said Board, and for the purpose of erecting storage-sheds on the said land, and for other purposes of the said Board: And whereas doubts have arisen as to whether all or some part of the said parcel of land forms part of the public street called Rattray Street, in the City of Dunedin:

And whereas the said Board does not admit that any part of the said piece of land forms part of the said street, and claims that such land is the property of the said Board, but in order to enable the said wharf-widening and other purposes as aforesaid to be effected, and to set such doubts at rest, the said Board is desirous of acquiring the parcels of land described in the *First* Schedule hereto and of dedicating the same as a public street in lieu of the parcel of land described in the said *Second* Schedule: And whereas the said Board has already acquired part of the lands described in the said *First* Schedule: And whereas it is expedient to vest in the said Board the powers hereinafter contained in respect of the matters aforesaid and other matters:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

It shall be lawful for the Board, notwithstanding any provision to the contrary contained in any other Act, to borrow any sums of money heretofore authorized to be borrowed and not borrowed in pursuance of such authority on such terms as will produce to the lender a rate of interest not exceeding six pounds per centum per annum.	5
Acquisition of lands.	4. The Board may acquire by purchase, lease, or otherwise, or take under the provisions of the Public Works Act, 1908, any land, buildings, or easement, or any interest therein, for any of the purposes of the Board.	10
Land in First Schedule.	5. In particular, and without prejudice to the general terms of the <i>last preceding</i> section, the Board may acquire or take in manner in such section mentioned all or any part of the parcels of land described or referred to in the <i>First</i> Schedule hereto.	15
Powers of local authority under Public Works Act, and assessment of compensation.	6. For the purposes of the <i>two last</i> preceding sections the Board shall have all the powers of a local authority under the Public Works Act, 1908, and the compensation payable for any land, buildings, or easement, or any interest therein taken by the Board, shall be assessed under that Act.	20
Payment of purchase and compensation moneys.	7. All moneys payable by the Board for any land, buildings, or easement, or interest therein acquired or taken by the Board in pursuance of this Act may be paid out of the Harbour Fund or out of any moneys borrowed or to be borrowed by the Board under the authority of any Act of the General Assembly of New Zealand.	25
Validation of acts.	8. All contracts, conveyances, transfers, and other assurances, proceedings, and acts already entered into, executed, and done respectively for or in relation to the vesting in the Board of any part of the respective parcels of land described in the said <i>First</i> Schedule, and all payments made in connection therewith, are hereby validated.	30
Dedication of street.	9. The Board, at any time after it has acquired or taken the lands mentioned in section <i>five</i> hereof, may dedicate the same to the use of the public as a public street. Such dedication may be effected by instrument in writing under the seal of the Board, which shall be deposited in the Lands Registry Office, at Dunedin; and from and after the deposit of such instrument as aforesaid the land so dedicated shall be and become a public street within the meaning of the Municipal Corporations Act, 1908, and form part of Rattray Street.	35

From and after the deposit of the instrument of dedication referred to in section <i>nine</i> hereof the parcel of land described or referred to in the said <i>Second</i> Schedule shall cease to be a public street, and shall vest in the Board for an estate in fee-simple free from any right of way or other rights over or in respect of the same.	40
Power to acquire and sell additional land.	11. If and whenever the Board determines to acquire or take lands for or in connection with any purpose expressly or impliedly authorized by this or any other Act, including the dedication authorized by section <i>nine</i> hereof, the Board may acquire or take more land than is required for such purpose, and may at any time afterwards sell any such land not required for such purpose on such terms and in such manner as the Board shall think fit.	45
