*Clause 3* relates to an area of about 1500 square metres of foreshore at Lynfield Cove on the Manukau Harbour. The area is separated from the Manukau Harbour by a reclamation and is tidal land on the edge of the Wairaki Stream. It is surrounded by the stream and the Mount Roskill Domain. The Auckland Harbour Board wishes to transfer the land to the Mount Roskill Borough Council, but cannot do so without the authority of an Act of Parliament because of sections 150 and 151 of the Harbours Act 1950.

This clause vests the land in the Mount Roskill Borough Council as a recreation reserve subject to the Reserves Act 1977.

*Clause 4* alters the membership of the Queen Elizabeth National Park Domain Board, increasing its membership from 12 to 14 members.

At present, the Porirua City Council and the Tawa Borough Council jointly may appoint one member of the Board. Under this clause, each of those Councils will have the right to appoint one member of the Board.

At present, the Hutt County Council, the Eastbourne Borough Council, and the Petone Borough Council jointly may appoint one member of the Board.

Under this clause, the Hutt County Council will have the right to appoint one member of the Board, and the Eastbourne Borough Council and the Petone Borough Council jointly will have the right to appoint one member of the Board.

*Clause 5* excludes an area of about 1.5 hectares from the Abel Tasman National Park. The land has been grazed for many years and does not meet the criteria established for national park status. The land is 9 kilometres east of Takaka and is on the north-east boundary of the Park. It is intended to dispose of the land to an adjoining owner and, by way of exchange, acquire that person's interest in 5.34 hectares of land that meets the criteria for national park status.

*Clause 6* relates to an area of about 1924 hectares that forms part of an endowment for harbour purposes conferred on the Wairau Harbour Board in 1910 and now held by the Marlborough Harbour Board. The endowment is held without power of sale, and the effect of this clause is to empower the Marlborough Harbour Board to sell or exchange the land under section 143c of the Harbours Act 1950.

The area extends along Cloudy Bay from Rarangi to the Vernon Lagoons. The area includes sites of historical, botanical, ecological, and wildlife value around the mouth of the Wairau River and the Big and Upper Lagoons, and it is intended that they be protected under the Reserves Act 1977 or other appropriate legislation.

It is intended that the land will be exchanged for Crown land in Blenheim which the Board will then sell to the Blenheim Borough Council.

*Clause 7* relates to a private burial ground on the east bank of the Tasman River near Mount Cook. At present, the only person who may be buried there is Thomas David Burnett, who was buried there in 1941. The effect of this amendment is to enable the eventual burial of his son, Donald Mount Cook Burnett, and his daughter, Caitriana Mackay Beatock Baker, in the burial ground.

*Clause 8* authorises and directs District Land Registrars to take such action as may be necessary to implement the provisions of the Bill.

*Clause 3* relates to an area of about 1500 square metres of foreshore at Lynfield Cove on the Manukau Harbour. The area is separated from the Manukau Harbour by a reclamation and is tidal land on the edge of the Wairaki Stream. It is surrounded by the stream and the Mount Roskill Domain. The Auckland Harbour Board wishes to transfer the land to the Mount Roskill Borough Council, but cannot do so without the authority of an Act of Parliament because of sections 150 and 151 of the Harbours Act 1950.

This clause vests the land in the Mount Roskill Borough Council as a recreation reserve subject to the Reserves Act 1977.

*Clause 4* alters the membership of the Queen Elizabeth National Park Domain Board, increasing its membership from 12 to 14 members.

At present, the Porirua City Council and the Tawa Borough Council jointly may appoint one member of the Board. Under this clause, each of those Councils will have the right to appoint one member of the Board.

At present, the Hutt County Council, the Eastbourne Borough Council, and the Petone Borough Council jointly may appoint one member of the Board.

Under this clause, the Hutt County Council will have the right to appoint one member of the Board, and the Eastbourne Borough Council and the Petone Borough Council jointly will have the right to appoint one member of the Board.

*Clause 5* excludes an area of about 1.5 hectares from the Abel Tasman National Park. The land has been grazed for many years and does not meet the criteria established for national park status. The land is 9 kilometres east of Takaka and is on the north-east boundary of the Park. It is intended to dispose of the land to an adjoining owner and, by way of exchange, acquire that person's interest in 5.34 hectares of land that meets the criteria for national park status.

*Clause 6* relates to an area of about 1924 hectares that forms part of an endowment for harbour purposes conferred on the Wairau Harbour Board in 1910 and now held by the Marlborough Harbour Board. The endowment is held without power of sale, and the effect of this clause is to empower the Marlborough Harbour Board to sell or exchange the land under section 143c of the Harbours Act 1950.

The area extends along Cloudy Bay from Rarangi to the Vernon Lagoons. The area includes sites of historical, botanical, ecological, and wildlife value around the mouth of the Wairau River and the Big and Upper Lagoons, and it is intended that they be protected under the Reserves Act 1977 or other appropriate legislation.

It is intended that the land will be exchanged for Crown land in Blenheim which the Board will then sell to the Blenheim Borough Council.

*Clause 7* relates to a private burial ground on the east bank of the Tasman River near Mount Cook. At present, the only person who may be buried there is Thomas David Burnett, who was buried there in 1941. The effect of this amendment is to enable the eventual burial of his son, Donald Mount Cook Burnett, and his daughter, Caitriana Mackay Beatock Baker, in the burial ground.

*Clause 8* authorises and directs District Land Registrars to take such action as may be necessary to implement the provisions of the Bill.
