

RESERVES AMENDMENT BILL

EXPLANATORY NOTE

Clause 1 relates to the Short Title and commencement. The Bill is deemed to have come into force on 1 April 1980.

Clause 2 substitutes a new paragraph (f) in section 48 (1) of the principal Act. The present paragraph (f) gives the Minister of Lands power to grant rights of way and other easements over any part of a reserve for the purpose of providing for the piping of petroleum, oil, or gas through the reserve. The terms petroleum, oil, and gas are not thought, in their ordinary meaning, to include alcohol in its various forms. The new paragraph (f) substitutes, for the references to petroleum and oil, references to oil within the meaning of Part II of the Petroleum Act 1937. That definition (as proposed to be amended by *clause 2* of the Petroleum Amendment Bill, presently before the House) includes any form of alcohol.
