

RESERVES AND OTHER LANDS DISPOSAL BILL

EXPLANATORY NOTE

Clause 1 relates to the Short Title.

Clause 2 amends the Hamilton Domain Endowment Act 1965 by adding to the Schedule the description of certain land which was inadvertently omitted when the Act was passed.

Clause 3 declares land which is subject to the Forest Act 1949 to be Crown land subject to the Land Act 1948.

The areas dealt with in this clause comprise various parcels of permanent State forest in the North Auckland, South Auckland, Gisborne, Taranaki, Wellington, Nelson, Westland, Otago, and Southland Land Districts.

The land firstly described is part of Riverhead State Forest No. 131. This land is not required for forest purposes and is to be sold to the owner of adjoining land.

The land secondly described is situated sixteen miles north-west of Whangarei. This land has been occupied and farmed by a farmer who owns adjoining land and will be sold to him.

The land thirdly described is part of Waipu Gorge State Forest situated six miles south-west of Waipu. This land has been farmed by owners of adjoining land in conjunction with their farms and is to be alienated to them.

The land fourthly described is situated in the Bay of Islands nine miles east of Okaihau. This land is not required for forestry and will be sold to the local authority for quarrying purposes.

The land fifthly described is part of the Mangonui State Forest situated about ten miles north-west of Kaeo. This land is more suitable for farming and will be sold to farmers who own adjoining land.

The land sixthly described is part of State Forest 123 situated seven miles east of Kawakawa. The area is surplus to forestry requirements and will be alienated to two farmers who own adjoining land.

The land seventhly described is situated four miles north-east of Te Aroha. This land has been occupied by the owner of adjoining property for many years. It is now to be sold to him.

The land eighthly described is on the North East Bank of the Moeraki River and near to Lake Moeraki on the Haast Pass Road and is approximately 150 miles from Hokitika. The land will be sold as a motel and camping ground site.

The land ninthly described is situated about ten miles west of Whangamata. This land constitutes a fire hazard and would be greatly improved by being farmed, and will probably be sold to a farmer who owns adjoining land.

The land tenthly described is situated eight miles north of Murupara. It was excluded from the development of Matahina Farm Settlement and reserved for forestry as it was the site of a Residential Fire Lookout Turret. The area is no longer used for a watch station and the land and house will be a valuable addition to the Farm Settlement.

The land eleventhly described is situated eight miles south-west of Pirongia. This land is not required for forestry and will be sold to a farmer of adjoining land.

The land twelfthly described is part of Mangatu Forest situated forty-two miles north-west of Gisborne. Further land for forestry purposes has been acquired from owners of adjoining land on condition that they are granted the first-mentioned land. Part of the land will be leased and part sold.

The land thirteenthly described is part of State Forest 56 situated fifteen miles north of Ohura. The land has been farmed with an adjoining property and will be sold to the owner of that property.

The land fourteenthly described is part of State Forest 57 situated twenty-five miles north-west of Taumarunui. This land is suitable for farming and will be alienated to a farmer of adjoining land.

The land fifteenthly described is part of State Forest 300 situated approximately forty miles east of New Plymouth. This land is suitable for farming and will be alienated to a nearby farmer.

The land sixteenthly described is part of Kikiwa-Kohatu State Forest situated 39 miles south of Nelson. This land has been grazed on a temporary tenancy and is to be released from forestry restriction so that it may be permanently leased.

The land seventeenthly described is situated twenty-three miles east of Murchison. This land is not required for forestry and is suitable for farming. It will be sold to an owner of adjoining land.

The land eighteenthly described is situated about two and a half miles south-west of Reefton. The land has been occupied by an owner of adjoining land under a long term lease and will now be sold to him.

The land nineteenthly described is situated about fifty miles south of Nelson. This land comprises a narrow strip of fair quality river flats and is to be alienated to a neighbouring farmer in accordance with an agreement entered into with the New Zealand Forest Service on the purchase of part of his land.

The land twentiethly described is situated about forty miles east of Greymouth. This land is surplus to forestry requirements and will be sold to an owner of adjoining land.

The land twenty-firstly described is part of the MacLennan and Tautuku State Forests. This land adjoins the Tahakopa Farm Settlement about ninety-six miles south-west of Dunedin. It is suitable for farming and will be developed with the Farm Settlement.

The land twenty-secondly described is situated on the outskirts of Naseby. This land is not suitable for forestry and will be sold to two nearby farmers.

The land twenty-thirdly described is part of the Waipati State Forest situated near Chaslands on the south-east coast of Otago. This area will be reserved for scenic purposes.

The land twenty-fourthly described is part of State Forest 20 situated at Motu Bush in Southland. This land is not required for forestry and will be alienated to a farmer of adjoining land.

Clause 4: The Auckland Hospital Board owns in fee simple land bounded by the Tamaki Estuary. As a result of extensive tipping of rubbish on the foreshore adjacent to the Board's land, portions of the Estuary have become very untidy. With a view to tidying the foreshore the Board has covered the rubbish with spoil from work done on the adjoining land. This has resulted in some reclamation of the foreshore. The Board wishes to continue the work of tidying the foreshore and this will involve some additional reclamation. The Board has requested that the reclamation already done should be validated and that it be authorised to carry out the additional reclamation.

The foreshore is owned by the Crown and the Board has requested the land be sold to it.

The clause validates the reclamation already carried out, authorises the additional reclamation, and provides for the granting of both parcels of land to the Board on payment of the unimproved value of the land and the completion of surveys and the approval of plans.

Clause 5 provides for the vesting in the Crown as a reserve for hospital purposes of a small portion (2.4 perches) of the Auckland Domain in exchange for a small portion of land (2.5 perches) at present vested in the Crown as a reserve for hospital purposes. The last-mentioned portion of land is to be vested in the Auckland City Corporation as part of the Auckland Domain subject to the provisions of the Auckland Domain Vesting Act 1893. The first-mentioned land is to be used in connection with certain building works that are taking place on the site of the Auckland Public Hospital.

Clause 6: The Takapuna Borough Foreshore Vesting Act 1914 authorised portions of the Takapuna foreshore to be vested in the Borough (now City) of Takapuna. Those portions were later vested in the Corporation of the Borough by warrant under the hand of the Governor of New Zealand. Part of the foreshore so vested has, pursuant to section 13 of the Reserves and Domains Act 1953, been declared to be a public reserve for recreation purposes with the result that the foreshore so declared is subject to the provisions of the Takapuna Borough Foreshore Vesting Act 1953, the Harbours Act 1950, and the Reserves and Domains Act 1953. The Corporation has been authorised to reclaim a portion of the land so declared, and further portions of the foreshore vested in it as aforesaid may be reclaimed in the future and declared public reserves. In order that the land so reclaimed and declared public reserve may be subject to only one Act, namely the Reserves and Domains Act 1953, the Minister of Lands is to be empowered, on his being satisfied that any part of the foreshore vested in the Corporation has been reclaimed under the appropriate authority and declared public reserve, to declare that part to be freed and discharged from all trusts, reservations, and restrictions contained in any Act except those imposed by the Reserves and Domains Act 1953. The clause also provides the necessary procedure for the appropriate memorials to be entered in the land register by the Auckland District Land Registrar.

Clause 7: The Marlborough Harbour Board has assumed control over Picton Harbour, and this clause enables the Picton Borough Corporation to sell to the Board any part of a certain parcel of land which was vested in the Corporation pursuant to section 46 of the Reserves and Other Lands Disposal and Public Bodies Empowering Act 1925 and on which wharves and other harbour works have been constructed. The clause also enables the Corporation to create any part of the above-mentioned land as street, access way, or service lane, to grant easements to the Board over any part of the land, and to declare any part of the land to be a public reserve.

Another parcel of land vested in the Corporation under the above-mentioned section is being declared to be held by the Corporation as a public reserve for recreation purposes.

Clause 8 declares a small parcel of land (three perches) which is part of the closed cemetery known as the Symonds Street Cemetery to be a public street. The land is vested in the Auckland City Corporation subject to the Auckland (Symonds Street) Cemeteries Act 1908 which does not authorise the Corporation to use it for street purposes. The land is to be used to widen the Symonds Street-Karangahape Road intersection and will enable a free left-hand turn to be provided there in order to assist the elimination of traffic congestion resulting from the use of the recently constructed Newton-Newmarket Motorway.

4. Validating the reclamation of certain land, authorising the reclamation of certain land, and granting certain land to the Auckland Hospital Board—Whereas the land firstly described in subsection (4) of this section (in this section

5 referred to as the first land) is Crown land which has been reclaimed without authority by the Auckland Hospital Board (in this section referred to as the Board): And whereas the land secondly described in the said subsection (4) (in this section referred to as the second land) is Crown
10 land which the Board wishes to reclaim: And whereas the Board has requested that the reclamation of the first land should be validated and the reclamation of the second land be authorised: And whereas the Board has requested the Crown to grant to it the fee simple of the first and second
15 land: And whereas the request has been agreed to subject to the payment of eight hundred dollars to the Receiver of Land Revenue at Auckland and the completion of surveys and approval of plans in respect of the first and second land: Be it therefore enacted as follows:

20 (1) Notwithstanding the provisions of subsections (2) and (3) of section 175 of the Harbours Act 1950 but subject to the provisions of sections 176 to 182 of that Act, the reclamation of the first land by the Board is hereby validated and the Board is hereby authorised to reclaim any portion of
25 the second land which is below ordinary spring tide high-water mark.

(2) This section shall be deemed to be a special Act within the meaning of the Harbours Act 1950.

30 (3) On completion of the reclamation of the second land and on completion of such surveys of the first and second land as may be necessary and the approval by the Chief Surveyor at Auckland of the plans thereof, and on payment of the said sum of eight hundred dollars to the Receiver of Land Revenue at Auckland, the fee simple of the first and
35 second land shall be granted to the Board.

(4) The land to which this section relates is described as follows:

40 Firstly, all those areas of land in the North Auckland Land District, containing together, one rood thirty-eight perches and one-tenth of a perch, more or less, being land reclaimed from the bed of the Tamaki Estuary adjoining Lot 6 on Deposited Plan numbered 15832, situated in Block VI, Otahuhu Survey District; as more particularly shown on S.O. Plan 45658 lodged in the Office of the Chief
45 Surveyor at Auckland, and thereon coloured red.

Secondly, all those areas of land in the North Auckland Land District, containing together, one rood eleven perches and four-tenths of a perch, more or less, being land below the ordinary spring tide high-water mark in the Tamaki Estuary adjoining Lot 6 on Deposited Plan numbered 15832, situated in Block VI, Otahuhu Survey District; as more particularly shown on S.O. Plan 45658 lodged in the office of the Chief Surveyor at Auckland, and thereon coloured yellow. 5

5. Providing for the vesting in the Crown for hospital purposes of a portion of the Auckland Domain in exchange for a certain parcel of land vested in the Crown for hospital purposes—Whereas by section 9 of the Reserves and Other Lands Disposal Act 1947 certain land subject to the provisions of the Auckland Domain Vesting Act 1893 was vested in the Crown as a reserve for hospital purposes: And whereas a portion of that land, being the land firstly described in subsection (3) of this section (in this section referred to as the first land), is not required for hospital purposes: And whereas the land secondly described in the said subsection (3) (in this section referred to as the second land) is vested in the Mayor, Councillors, and Citizens of the City of Auckland (in this section referred to as the Corporation) subject to the provisions of the Auckland Domain Vesting Act 1893 and is required by the Crown as a reserve for hospital purposes for use in connection with certain building works on the site of the Auckland Public Hospital, which site adjoins the land vested by the said section 9: And whereas the Auckland City Council has agreed to the vesting of the second land in the Crown as a reserve for hospital purposes on condition that the first land is revested in the Corporation as part of the Auckland Domain subject to the provisions of the Auckland Domain Vesting Act 1893: Be it therefore enacted as follows: 10 15 20 25 30

(1) Notwithstanding the provisions of section 9 of the Reserves and Other Lands Disposal Act 1947, the first land is hereby revested in the Corporation as part of the Auckland Domain subject to the provisions of the Auckland Domain Vesting Act 1893. 35

(2) The second land is hereby vested in the Crown as a reserve for hospital purposes. 40

(3) The land to which this section relates is described as follows:

5 Firstly, all that area of land in the North Auckland Land District, containing two and five-tenths perches, more or less, being part Auckland Domain situated in Block VIII, Rangitoto Survey District (City of Auckland); as more particularly shown on S.O. Plan 45451 lodged in the office of the Chief Surveyor at Auckland, and thereon coloured yellow.

10 Secondly, all that area of land in the North Auckland Land District, containing two and four-tenths perches, more or less, being part Auckland Domain situated in Block VIII, Rangitoto Survey District (City of Auckland); as more particularly shown on S.O. Plan 45451 lodged in the office of the Chief Surveyor at Auckland, and thereon coloured
15 blue.

6. Empowering the Minister of Lands to declare portions of the Takapuna foreshore to be no longer subject to the Takapuna Borough Foreshore Vesting Act 1914 and the Harbours Act 1950—Whereas the Takapuna Borough Foreshore Vesting Act 1914 authorised the land described in the Schedule to that Act to be vested in the Mayor, Councillors, and Citizens of the Borough (now City) of Takapuna (in this section referred to as the Corporation) subject to such powers, encumbrances, restrictions, and interests as are prescribed by that Act and by the Harbours Act 1908 (now the Harbours Act 1950): And whereas the land was vested in the Corporation pursuant to the first-mentioned Act by warrant signed by the Governor of New Zealand on the twenty-third day of August, nineteen hundred and fifteen:
20 And whereas a portion of the land has been declared by the Corporation to be public reserve and the declaration was published in the *Gazette* pursuant to section 13 of the Reserves and Domains Act 1953 on the fourteenth day of April, nineteen hundred and sixty-five, at page 526: And whereas
25 further portions of the land may, after the passing of this Act, be declared to be public reserve in like manner as aforesaid: And whereas the land so declared is or would be held by the Corporation subject to the provisions of the Takapuna Borough Foreshore Vesting Act 1914, the Harbours Act 1950,
30 and the Reserves and Domains Act 1953: And whereas portions of the land so declared have been or may, after the passing of this Act, be reclaimed pursuant to the Harbours
35
40

Act 1950: And whereas it is expedient to empower the Minister of Lands (in this section referred to as the Minister), on his being satisfied that any of the land so declared has (whether before or after the passing of this Act) been reclaimed in accordance with the Harbours Act 1950, to declare any part of that land to be held by the Corporation freed and discharged from all trusts, reservations, and restrictions contained in any Act except those imposed by the Reserves and Domains Act 1953: Be it therefore enacted as follows: 5

(1) Notwithstanding anything in the Takapuna Borough Foreshore Vesting Act 1914, the Harbours Act 1950, or any other Act, the Minister may from time to time, by notice in the *Gazette*, declare any part of the land described in the Schedule to the Takapuna Borough Foreshore Vesting Act 1914 (being land that is, either before or after the passing of this Act, declared to be and gazetted as a public reserve pursuant to section 13 of the Reserves and Domains Act 1953 and reclaimed pursuant to the Harbours Act 1950) to be held by the Corporation freed and discharged from all trusts, reservations, and restrictions contained in any Act except those imposed by the Reserves and Domains Act 1953. 10 15 20

(2) A copy of every notice given by the Minister under subsection (1) of this section shall be forwarded by the Commissioner of Crown Lands for the North Auckland Land District to the District Land Registrar for the North Auckland Land Registration District who shall, on receiving it, record it in the appropriate place in the register kept by him and on any instruments or other documents affected by it. Every such copy shall be accompanied, where necessary, by a plan of the area specified in the notice. 25 30

7. Empowering Picton Borough Corporation to sell, etc., certain land and declaring certain other land in Picton to be a recreation reserve—Whereas by section 46 of the Reserves and Other Lands Disposal and Public Bodies Empowering Act 1925 the land firstly described in subsection (4) of this section (in this section referred to as the first land) and the land secondly described in that subsection (in this section referred to as the second land) was vested in the Mayor, Councillors, and Citizens of the Borough of Picton (in this section referred to as the Corporation) freed and discharged from all reservations, but subject to the provisions of subsections (2) and (3) of the said section 46: And whereas the 35 40

Marlborough Harbour Board (in this section referred to as the Board) was constituted by the Marlborough Harbour Act 1958 to control the port and harbour of Picton together with other ports and harbours in its district: And whereas
5 the Corporation has agreed to sell to the Board part of the first land, but does not have any power to carry out the sale, and desires from time to time to be empowered to sell to the Board other parts of that land: And whereas the Corporation desires from time to time to declare any part of
10 the first land to be a public reserve subject to the Reserves and Domains Act 1953, to declare, lay out, make, or create pursuant to the appropriate authority any part of the first land as a street, an access way, or a service lane, or to grant to the Board easements in respect of any part of the first
15 land: And whereas it is expedient that the Corporation be empowered to do the foregoing acts: And whereas the second land has not been used for purposes connected with the wharves situated on the first land, but has been laid out by the Corporation as gardens for the benefit of the general
20 public: And whereas the Corporation desires that the second land be declared a public reserve for recreation purposes subject to the Reserves and Domains Act 1953 but has no power so to declare: And whereas it is expedient to declare the second land to be a public reserve as aforesaid: Be it
25 therefore enacted as follows:
