### A BILL INTITULED

AN ACT for promoting the Revision of the Statute Law, by repealing divers Acts and parts of Acts which have ceased to be in force or have become unnecessary. title.

WHEREAS, with a view to the revision of the Statute Law, and particularly to the preparation of an edition of the Public General Statutes comprising only enactments which are in force, it is expedient that divers Acts and parts of Acts (mentioned among others in the Schedule to this Act) which may be regarded as spent, or have ceased to be in force otherwise than by express and specific repeal by Parliament, or have, by lapse of time and change of circumstances, become unnecessary, should be expressly and specifically repealed: Preamble.

And whereas it would result in great public convenience if all enactments heretofore specifically repealed were included in the repeals in the same Schedule, in order to preclude henceforth the necessity of looking back to previous Acts:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. The Short Title of this Act shall be "The Repeals Act, 1878." Short Title.

3. The enactments of the Imperial Parliament, described in the first part of the Schedule to this Act, are hereby repealed as to this colony, subject to the exceptions and qualifications in the said Schedule mentioned, and shall cease to operate or be of any force in the said colony. 5

Ordinances and Acts  
of colony repealed.

The enactments of the Legislative Councils of New Zealand and of New Munster respectively, described in the second part of the Schedule to this Act, and the enactments of the General Assembly of New Zealand, described in the third part of the said Schedule, are hereby repealed, subject to the exceptions and qualifications in the said Schedule mentioned. 10

General saving  
clause.

4. Provided that where any enactment not comprised in the Schedule has been repealed, confirmed, revived, or perpetuated by any enactment hereby repealed, such repeal, confirmation, revivor, or perpetuation shall not be affected by the repeal effected by this Act : 15

And the repeal by this Act of any enactment shall not affect any enactment in which such enactment has been applied, incorporated, or referred to :

Nor shall such repeal of any enactment affect any right to any of Her Majesty's revenues of the Crown, or affect any charges thereupon, or prevent any such enactment from being put in force for the collection of any such revenues, or otherwise in relation thereto : 20

And this Act shall not affect the validity, invalidity, effect, or consequences of anything already done or suffered,—

Or any existing status or capacity ; 25

Or any right or title already acquired or accrued, or any remedy or proceeding in respect thereof ;

Or any release or discharge of or from any debt, penalty, claim, or demand ;

Or any indemnity ; 30

Or the proof of any past act or thing :

Nor shall this Act affect any principle or rule of law or equity, or established jurisdiction, form, or course of pleading, practice or procedure, or existing usage, liberty, custom, privilege, restriction, exemption, office, appointment, payment, allowance, or emolument, notwithstanding that the same respectively may have been in any manner affirmed, recognized, or derived by, in, or from any enactment hereby repealed : 35

Nor shall this Act revive or restore any jurisdiction, office, duty, drawback, fee, payment, liberty, custom, right, title, privilege, restriction, exemption, usage, practice, procedure, or other matter or thing not now existing or in force. 40

Matters in progress  
may be concluded  
under repealed Acts.

ments, &c., may be  
enforced under
