### A BILL INTITULED

AN ACT to further amend "The Water-supply Act, 1891."

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. The Short Title of this Act is "The Water-supply Act Amendment Act, 1904"; and it shall be read with "The Water-supply Act, 1891" (hereinafter called "the principal Act").
2. In addition to the powers vested in a Water-supply Board by the principal Act, every Water-supply Board within the County of Eden which has heretofore constructed or shall hereafter construct a water-race may make and levy water-rates within its water-supply district upon the principle and according to the scale prescribed by section one hundred and two of "The Municipal Corporations Act, 1900," and may make, alter, or revoke by-laws in that behalf. The words "annual rateable value" in that section shall, for the purposes of this Act, have the same meaning as "rateable value" as defined by paragraph (1) of the definition of "rateable value" contained in section two of "The Rating Act, 1884."
3. Any such water-rate shall be additional to any special rate levied by the Water-supply Board as security for any special loan.
4. Sections thirty-six and thirty-seven of the principal Act shall not apply to a water-supply district situate within the County of Eden.
