pp. 843, 943

15 Provided that the indemnity shall not extend to any case where the liability of the employer is not enforceable by action in any Court in New Zealand.

(2) For the purposes of the principal Act and of Part III of the Law Reform Act, 1936, the General Manager shall be deemed to be the insurer of each 20 employer under a policy of insurance indemnifying the employer against his liability to pay any compensation or damages or contribution as aforesaid, and the General Manager shall be entitled to the benefit of all indemnities and other rights given to the employer by any enactment mentioned in this section, or other- 25 wise, and to use the name of the employer in any action or proceeding in relation thereto.

(3) In consideration of the indemnity hereinbefore provided every employer shall pay premiums as hereinafter provided and shall otherwise comply with the 30 provisions of this Part of this Act and of any regulations made for the purposes thereof.

(4) A principal who pursuant to section thirteen of the principal Act may become liable jointly and severally with a contractor to pay compensation to any 35 worker shall be liable to pay premiums in respect of that worker to the same extent as if that worker were actually employed by him:

40 Provided that the contractor shall be primarily liable to pay the premium and if he has paid the premium the principal shall be under no further liability in respect thereof:

45 Provided also that if the principal pays the premium he shall be entitled to recover the amount thereof from the contractor or to deduct it from any moneys due by him to the contractor.

(5) It is hereby declared that for the purposes of the indemnity under subsection *one* of this section all moneys payable by an employer under the principal Act, whether by way of compensation or for medical expenses, travelling-expenses, cost of artificial limbs, or otherwise howsoever, shall be deemed to be compensation payable under the principal Act. 5

Rates of
premiums.

11. (1) The Governor-General may from time to time, by Order in Council, make regulations fixing, or providing for the fixing of, the rates of premiums and minimum premiums to be paid by employers for the purposes of this Act. 10

(2) Where in the opinion of the General Manager the business of an employer is designed, equipped, organized, or conducted in such a manner that the number or cost of accidents to workers in consequence thereof is likely to be considerably less than is usual in other businesses of that class, the General Manager may, in his discretion, grant a rebate in assessing the premium payable by that employer for any period. 15 20

(3) Where in the opinion of the General Manager the business of an employer is designed, equipped, organized, or conducted in such a manner that the number or cost of accidents to workers in consequence thereof is likely to be considerably more than is usual in other businesses of that class, the General Manager may, in his discretion, make an extra charge in assessing the premium payable by that employer for any period. 25

(4) If, during any period, the accident experience of an employer is, in the opinion of the General Manager, more favourable than the average accident experience of employers in his class of business, the General Manager may, in his discretion, grant a special rebate to that employer to be set off against the premium payable by him in respect of any subsequent period. 30 35

(5) If, during any period, the accident experience of an employer is, in the opinion of the General Manager, less favourable than the average accident experience of employers in his class of business, the General Manager may, in his discretion, make an extra charge in assessing the premium payable by that employer in respect of any subsequent period. 40

12. (1) This section shall apply to every employer who employs any worker or workers in any employment to which the principal Act applies.

Wage
statements to
be delivered
by employers.

5 (2) Every person who on the first day of June in any calendar year after the year nineteen hundred and forty-seven is an employer to whom this section applies shall within one month after that date deliver to the General Manager a statement in the prescribed form showing—

10 (a) The amount of wages paid during the year ending on the thirty-first day of May then last past to workers employed by him:

(b) An estimate of the wages which he expects to pay during the year commencing on the said
15 first day of June:

(c) Such other information as may be prescribed or as the General Manager may require from
him.

20 (3) Where a person who is not an employer to whom this section applies on the first day of June in any year becomes such an employer before the first day of June in the next succeeding year he shall within fourteen days after becoming such an employer deliver to the General Manager a statement in the form pre-
25 scribed for the purposes of the *last preceding* subsection except that the estimate referred to in paragraph (b) of that subsection shall refer to the wages he expects to pay to workers employed by him from the time he became such an employer until the last day of May
30 next thereafter.

(4) Notwithstanding anything in subsection *two* of this section, any employer who proposes to make a statement in the calendar year nineteen hundred and forty-eight may make the return before the first day
35 of June, nineteen hundred and forty-eight, and in that case the particulars of wages paid required under paragraph (a) of that subsection may relate to the wages paid during the year ending on the last day of March, nineteen hundred and forty-eight.

40 (5) Where an employer carries on business in more than one place or carries on more than one class of business the General Manager may require from him a separate statement in respect of each place or class.

(6) Every employer who between the first day of June in any year and the first day of June in the next succeeding year ceases to be an employer to whom this section applies shall within fourteen days after the date on which he ceased to be such an employer deliver to the General Manager a statement in the prescribed form showing the amount of wages paid by him between the last day of May preceding that date and that date. 5

(7) Any principal who pursuant to section thirteen of the principal Act may become liable jointly and severally with a contractor to pay compensation to any worker shall be liable to make a statement pursuant to the foregoing provisions of this section with reference to that worker unless he is able to satisfy himself by inspecting a certificate of insurance issued by the General Manager that the contractor has paid the premium in respect of the worker for the year current at the date of the contract by virtue whereof he may become liable as aforesaid. If he is unable to satisfy himself as aforesaid, he shall notify the General Manager of the circumstances within three days after the commencement of the work under the contract. The notification shall contain such particulars as may be prescribed by regulations made for the purposes of this Part of this Act. On giving such a notification to the General Manager, the principal shall be relieved from liability to make the statement pursuant to the foregoing provisions of this section. 15 20 25

(8) Where two or more persons are for the purposes of the principal Act the employers of the same worker or workers in any employment to which the principal Act applies, it shall be a sufficient compliance with the provisions of this section if one of them makes a statement on behalf of himself and the other or others or if they make a joint statement. 30 35

(9) Notwithstanding anything in the foregoing provisions of this section, the General Manager may in his discretion agree with any employer to accept from that employer statements in respect of wages for periods other than those prescribed in the foregoing provisions of this section. 40

13. (1) The General Manager shall as soon as practicable after receiving each statement under subsection *two* or subsection *three* of the *last preceding* section assess the amount payable by way of premium by the employer for the indemnity to which he is entitled under this Part of this Act for the period covered by the estimate of wages contained in the statement.

Assessment of premiums payable by employers.

(2) If in any statement the estimate of wages which the employer expects to pay is, in the opinion of the General Manager, too low the General Manager may himself estimate the wages for the purposes of the assessment.

(3) If the General Manager has reason to suppose that any person has failed to deliver a statement as required by the *last preceding* section in respect of any period, the General Manager may make an assessment of the premium which in his opinion that person should pay for that period based on such amount of wages as the General Manager believes to be adequate to cover the probable wage expenditure of that person.

(4) Assessments shall be made in the form and manner prescribed by regulations, and in default of such regulations or so far as they do not extend, then as the General Manager thinks fit.

(5) The General Manager may from time to time and at any time make a new assessment in substitution for an earlier assessment and containing such alterations and additions as he thinks necessary in order to ensure the correctness thereof, notwithstanding that the premium already assessed may have been paid.

14. (1) When the wages paid by an employer during any period have been ascertained, the assessment of the premium payable by him in respect of that period shall be adjusted and an adjusted assessment shall be made accordingly.

Adjustment of premiums when wages paid are actually ascertained.

(2) Where any person fails to make a statement as required by section *twelve* of this Act showing the amount of wages paid by him during any period, the General Manager may make an estimate of the amount which he considers likely to have been paid and make an adjusted assessment of premium payable by that person in respect of that period accordingly.

(3) If the premium assessed on an adjustment under this section is more than the amount of premium already paid by the employer in respect of the period, the employer shall pay the amount of the difference to the General Manager, and if the premium assessed on the adjustment is less than the amount of premium already paid by the employer in respect of the period, the General Manager shall refund the amount of the difference to the employer or credit him therewith in respect of any premium payable in respect of any subsequent period. 5 10

(4) After any adjustment has been made under this section the General Manager may make an assessment of further premium to be paid by the employer in any case where the wages taken into account for the period in respect of which the adjustment has been made are less than the amount of wages subsequently found to be payable in respect of that period. 15

Premiums to be paid by employers.

15. (1) The amount of any premium assessed by the General Manager under either of the *last two preceding* sections shall be paid by the employer to the General Manager within one month after the date of the assessment. 20

(2) If the amount of any premium is not paid by an employer at the time when it becomes payable, the employer shall be liable to pay forthwith, in addition to the premium, an amount equal to five per centum of the premium as a penalty for his default. 25

(3) On payment of the amount of premium assessed by the General Manager, the General Manager may issue a certificate of insurance setting out the period in respect of which the premium has been paid. 30

(4) No employer shall directly or indirectly take or receive any money from any worker in his employment, whether by way of deduction from wages or otherwise, in respect of any premiums paid or payable by the employer under this Part of this Act. 35

Validity and effect of assessments.

16. (1) The validity of any assessment shall not be affected by reason that any of the provisions of this Part of this Act have not been complied with. 40

(2) Except in proceedings on objection to an assessment in accordance with the provisions hereinafter contained, no assessment made by the General Manager shall be disputed in any Court or in any proceedings whatsoever either on the ground that the person so 45

assessed is not a person liable to pay premiums or on any other ground; and, except as aforesaid, every such assessment and all the particulars thereof shall be conclusively deemed and taken to be correct, and the liability of the person so assessed shall be determined accordingly.

17. (1) The production of any document under the hand of the General Manager or of the Manager of any branch of the State Fire Insurance Office purporting to be a copy of or extract from any statement or assessment shall in all Courts and in all proceedings be sufficient evidence of the original, and the production of the original shall not be necessary.

Evidence of statements and assessments.

(2) All Courts shall in all proceedings take judicial notice of the signature of the General Manager or of the Manager of any branch of the State Fire Insurance Office either to the original or to any such copy or extract as aforesaid. No proof shall be required of the handwriting or official position of any person purporting to sign any original or copy or extract as aforesaid as the General Manager or as the Manager of any branch of the State Fire Insurance Office.

18. (1) Any person who has been assessed for a premium under the foregoing provisions of this Part of this Act may object to that assessment by delivering to the General Manager a written notice of objection, stating shortly the grounds of his objection, within one month after the date of the assessment.

Objections to assessments.

(2) No notice of objection given after that time shall be of any force or effect unless the General Manager in his discretion accepts the same and gives notice to the objector accordingly.

(3) The General Manager shall consider all objections, and may alter the assessment pursuant thereto, but an objection which is not allowed by the General Manager shall, if the objector so desires, be heard and determined by a Magistrate.

(4) On the hearing and determination of objections the burden of proof shall be on the objector, and the Magistrate may receive such evidence as he thinks fit, whether receivable in accordance with law in other proceedings or not.

(5) In such proceedings the Magistrate may award such costs as he deems just either against the General Manager or against the objector.

(6) On the determination of any such objection the Magistrate may either confirm or cancel the assessment to which objection has been made, or increase or reduce the amount thereof, and the assessment shall be altered by the General Manager, if necessary, so as to conform to that determination. 5

(7) The determination of the Magistrate shall be subject to appeal to the Compensation Court on any question of law but shall be final and conclusive as to any question of fact. Any such appeal shall be made within the time and in the manner provided by regulations. 10 15

(8) The obligation to pay and the right to receive any premium shall not be suspended by any objection; but if the objector succeeds the amount (if any) of the premium received by the General Manager in excess of the amount which, according to the decision on the hearing of the objection, was properly payable shall forthwith be repaid by the General Manager to the objector. 20

(9) Nothing in this section as to objections shall have any application to an objection relating to any matter which by this Part of this Act is left to the discretion of the General Manager. 25

Insurance in
respect of
persons who
are not
workers.

19. (1) Any person (whether or not he is an employer to whom section *twelve* of this Act applies) who makes a statement of wages in accordance with subsection *two* or subsection *three* of that section may in the prescribed manner state— 30

(a) That he will in the period to which the estimate of wages relates be employing a member of his family named therein at the rate of remuneration therein referred to; or 35

(b) That he will in the period to which the estimate of wages relates be employing some person named or described therein who is not a worker with respect to whom this Part of this Act applies, or concerning whom there may be a doubt as to whether or not he is such a worker, at the rate of remuneration therein referred to; or 40

(c) That he will in the period to which the estimate of wages relates be receiving the benefit of the services of some person named or described therein who will be performing the services free of charge or at less than the normal rate of remuneration and for whom a normal rate of remuneration is stated in the estimate,—

and, in any such case, he may request that the provisions of this section shall apply with respect to the person so named or described.

(2) If the General Manager is of opinion that the provisions of this section should be applied in respect of the person so named or described, he may assess a premium to be paid by the person making the statement and request for the period to which the estimate relates, and on the payment of that premium the following provisions shall apply:—

(a) The person named or described in the statement and request as aforesaid (hereinafter in this section referred to as the worker) shall during the period for which the premium has been assessed and paid be deemed to be a worker within the meaning of the principal Act with respect to whom this Part of this Act applies employed by the person who made the statement and request as aforesaid (hereinafter in this section referred to as the employer) in an employment to which the principal Act applies at the rate of remuneration stated in the estimate:

(b) Subject to the provisions of this Part of this Act (including this section) and any regulations made for the purposes thereof, the General Manager shall indemnify the employer in respect of all sums which the employer becomes liable to pay under or by virtue of the principal Act (as modified by this section) in respect of the death of or personal injury to the worker caused by accident occurring, during the period for which the premium has been assessed and paid, to the worker and arising out of and in the course of his employment by the employer:

(c) Subject to the provisions of this Part of this Act (including this section) and any regulations made for the purposes thereof, the General Manager shall if the worker is not a member of the family of the employer indemnify the employer in respect of all sums which the employer becomes liable to pay under or by virtue of the Deaths by Accidents Compensation Act, 1908, the Coal-mines Act, 1925, the Mining Act, 1926, or Part I, Part II, Part V, or Part VI of the Law Reform Act, 1936, or at common law as and for damages or contribution for the death of or personal injury to the worker caused by accident occurring, during the period for which the premium has been assessed and paid, to the worker in the course of his employment by the employer:

Provided that the indemnity under this paragraph shall not extend to any case where the liability of the employer is not enforceable by action in any Court in New Zealand:

(d) The provisions of this Part of this Act (other than subsection *one* of section *ten* hereof) shall, so far as applicable and with the necessary modifications, apply as if the employer and the worker were an employer and a worker respectively within the meaning of those provisions.

20. If the happening of any event or the existence of any circumstances renders the employment of any workers more hazardous than it was theretofore, the employer shall forthwith give notice thereof to the General Manager and the General Manager may, in his discretion, whether or not he has received a notice as aforesaid, amend the assessment of the premium payable by the employer for the purposes of this Part of this Act in respect of those workers.

21. (1) Whenever any accident occurs which causes personal injury to or the death of any worker, the employer shall forthwith give notice thereof to the General Manager stating—

(a) The time, cause, and nature of the accident;

Employment
becoming
more
hazardous.

Notification
of accidents,
and of claims.

- (b) The name of the worker affected thereby, particulars of the injury, and the probable duration of any disablement resulting therefrom;
- (c) Whether the accident arose in the course of the worker's employment; and
- (d) Such other particulars as may be prescribed by regulations.

(2) If any employer receives notice of a claim, or of the intention of any person to make a claim, in respect of injury to or the death of a worker, the employer shall within three days thereafter give to the General Manager particulars of the notice or a copy thereof if it was in writing.

(3) The employer shall from time to time give such further information concerning any such accident or claim as aforesaid and the worker injured or killed thereby as the General Manager may require to enable him to determine whether compensation, damages, or contribution should be paid under the principal Act or under any of the other enactments referred to in section *ten* hereof or at common law and, if so, how much should be paid.

22. (1) The General Manager may undertake the settlement of any claim arising from injury to or the death of a worker, and may take over and have the conduct and control on behalf of the employer of any proceedings taken to enforce any such claim, or for the settlement of any question arising with reference thereto, and may defend or conduct such proceedings as aforesaid in the name of the employer and on his behalf, and shall indemnify the employer against all costs and expenses of and incidental to any such proceedings.

Settlement of claims and conduct of proceedings by General Manager.

(2) The employer shall sign all such warrants and authorities as the General Manager may require for the purpose of enabling the General Manager to have the conduct and control of any such proceedings as aforesaid.

(3) The employer shall render every assistance to the General Manager to enable the General Manager to conduct such proceedings as aforesaid and defend any claims which the General Manager determines to defend.
