A BILL INTITULED

Title. AN ACT to vest certain Lands in the Corporation of the Mayor, Councillors, and Citizens of the City of Wellington for Waterworks and Forestry Purposes for the Benefit of the Inhabitants of the City of Wellington, the Boroughs of Eastbourne, Lower Hutt, 5 Petone, and Upper Hutt, and of a certain Portion of the Hutt County, and to enable the City of Wellington to control such Lands for such Purposes; to enable the City Corporation to supply Water from the said Lands to the City and to the Local Authorities controlling the said Boroughs and the County, and to carry out 10 Forestry Works for and on behalf of the said Local Authorities.

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

Short Title. 1. This Act may be cited as the Wellington City and Suburban 15 Water-supply Act, 1927.

Definitions. 2. In this Act, if not inconsistent with the context,—

“Board” means the Wellington City and Suburban Water-supply Board;

“City” means the City of Wellington: 20

“City Corporation” means the Mayor, Councillors, and Citizens of the City of Wellington:

“City Council” means the Wellington City Council:

“Forest produce” means products of growing or dead trees, shrubs, timber, or other vegetable growth: 25

“Timber” includes trees when they have fallen or have been felled, and whether sawn, hewn, split, or otherwise fashioned:

“Trees” includes not only timber-trees, but also trees, shrubs, and bushes, saplings, and reshoots of every description: 30

“Working plan” means a detailed written scheme of the operations to be undertaken on a specified area of forest:

“Suburban area” means the Boroughs of Eastbourne, Lower Hutt, Petone, Upper Hutt, and that part of the Hutt County described in the *Second* Schedule hereto, and any 35 additional area included therein under the provisions of this Act:

“Waterworks” includes all streams and water and all rights appertaining thereto, and all lands, watersheds, catchment water areas, reservoirs, dams, tanks, pipes, and all 40 buildings, machinery, and appliances of every kind constructed by the City Council under the authority of this

Act for collecting or conveying water to any area under the jurisdiction of a local authority to be supplied under the provisions of this Act :

5 "Water-collection area" means and includes the land described in the *First* Schedule hereto and any adjacent or adjoining land acquired for the purposes of this Act :

"Prescribed" means prescribed by this Act or any by-law made thereunder :

10 "Financial year" means the year ending on the thirty-first day of March :

"Contributory local authority" includes the Wellington City Council and any Borough Council, County Council, or Town Board having jurisdiction in the suburban area :

15 "Director of Forestry" means the Director of Forestry appointed under the Forests Act, 1921-22.

PART I.

BOARD OF CONTROL.

3. (1) There shall be established a Board of Control to be known as the Wellington City and Suburban Water-supply Board. Board of Control established.

20 (2) The Board shall consist of ten members, namely,—

(a) The Mayor for the time being of the City of Wellington :

(b) Five members, one being a Councillor of and appointed by the Eastbourne Borough Council, one being a Councillor of and appointed by the Petone Borough Council, one being a Councillor of and appointed by the Lower Hutt Borough Council, one being a Councillor of and appointed by the Upper Hutt Borough Council, and one being a Councillor of and appointed by the Hutt County Council :

30 (c) Four Councillors of the Wellington City Council, appointed by the Wellington City Council.

(3) The first members to be appointed under subsection *two* of this section shall be appointed as soon as practicable after the passing of this Act, and shall continue in office until the first day of July, nineteen hundred and twenty-nine, or until their successors come into office, but shall be capable of being reappointed.

(4) In case of any failure to appoint any member under the provisions of paragraphs (b) and (c) of subsection *two* of this section for two months after the passing of this Act the Governor-General may, on the application of the Board or any contributory local authority, by writing under his hand make the necessary appointment.

(5) The Board shall come into existence on the date of the first appointment of a member under this section.

(6) In the month of May, nineteen hundred and twenty-nine, and in the same month in every second year thereafter, the Councils entitled to make the appointments under paragraphs (b) and (c) of subsection *two* of this section shall make such appointments, and the persons so appointed shall come into office on the first day of July following, and shall hold office until their successors come into office, but shall be capable of being reappointed.

(7) (a) If any member holding office under subsection *two* of this section ceases to hold the necessary office qualification as Mayor or Councillor, as the case may be, he shall also thereupon cease to be a member of the Board.

(b) Any member of the Board, except the Chairman, may resign his office by writing addressed to the Clerk of the Board, and shall thereupon cease to be a member of the Board. If any appointed member ceases to be a member of the Board the persons entitled to appoint such member shall appoint any qualified person in his stead, who shall hold office for the residue of the term of his predecessor in office.

(8) The validity or legality of acts done by the Board without knowledge that a member of the Board appointed under this section was not qualified to be appointed or to continue in office shall not be affected by reason of that fact, nor shall the validity or legality of any acts of the Board be affected by reason of the fact that after the coming into existence of the Board any member had vacated his seat and his successor had not come into office.

(9) The Mayor of Wellington shall be the Chairman of the Board, and shall have a deliberative vote, and in any case in which the votes are equal shall have a casting-vote also.

(10) The Town Clerk of the Wellington City Council shall be the Clerk of the Board.

(11) The Clerk may convene a meeting of the Board whenever necessary so to do, and shall convene a meeting whenever so required in writing by any member of the Board.

(12) At every meeting of the Board six members shall form a quorum.

(13) The proceedings of the Board shall be governed by such rules, not inconsistent with this Act, as the Board may from time to time make in that behalf.

(14) All expenses reasonably incurred by the Board in the exercise of its functions under this Act, including expenses of preparation of this Act and expenses incurred in obtaining legal or other expert advice as to matters governed by this Act, and also including all travelling-expenses actually incurred by members of the Board, with its authority, in connection with the business of the Board, shall be paid by the City Council out of the funds available under the provisions of this Act, and shall be deemed to be expenditure incurred by the City Council for the purposes of this Act.

(15) Besides dealing by resolution with any business before it the Board may, subject to the provisions of this Act, by resolution make rules—

(a) Regulating the proceedings of the Board and of the conducting of the meetings thereof :

(b) Prescribing the time and manner of holding meetings, and regulating the business that may be transacted thereat :

(c) Regulating the adjournment of meeting :

(d) Directing notices of meetings to be given, and prescribing the form, mode, and time of service thereof :

(e) Regulating debates :

(f) Prescribing the manner and conditions of revoking or altering resolutions :

(g) Prescribing the form and manner of keeping and authenticating minutes :

- (h) Prescribing forms in connection with any proceedings :
- (i) Concerning anything incidental to any of the matters in this subsection referred to.

PART II.

5

VESTING OF LANDS.

4. (1) The lands described in the *First* Schedule hereto are hereby vested in the City Corporation, and shall be held by the City Corporation, subject to the provisions of this Act, for the following purposes :—

Vesting of lands in the City Corporation.

10

- (a) Water-supply purposes for the suburban area and the city ;
- (b) Forestry purposes ;
- (c) For providing pleasure-grounds, parking-grounds, scenic high-ways, and generally for recreation purposes for the inhabitants of the City of Wellington and the surrounding districts ; and

15

(d) For any other purpose provided for by this Act :

Provided that no timber shall be felled on the land eighthly described in the *First* Schedule hereto.

20

(2) The Council shall, with the consent of the Board, from time to time define for which of the above purposes the lands vested in it pursuant to this Act or any part of such land is or are held.

25

5. (1) All land and property, including easements, vested in the City Corporation for the purposes of this Act shall be free and exempt from all rates and taxes imposed by the Crown or any local authority, or any other person whatsoever.

Exemption from rates and taxes of properties subject to this Act.

30

(2) The benefit of the exemptions provided by this section shall be limited to the City Corporation as owner in trust of the land and property referred to and shall not extend to any other person who is the owner of any estate or interest in the land (whether as purchaser, lessee, or otherwise howsoever).

PART III.

GENERAL POWERS IN RELATION TO WORKS.

6. The City Council shall have power to, and may with the consent of the Board,—

General powers in regard to works.

35

(a) Enter, by itself or its officers, agents, or servants, without being deemed to commit trespass, upon any unoccupied lands or buildings, or upon any occupied lands or buildings after giving to the occupier thereof twenty-four hours' previous notice of such intended entry, for the purpose of making any survey or doing anything which the City Council is empowered to do under the provisions of this Act :

40

45

(b) Make surveys or inspections in connection with any proposed public work under the provisions of this Act, or with a view to carrying out any of the purposes of this Act, and for any such purpose may exercise all or any of the powers given by Part V of the Public Works Act, 1908, for the purposes of that Act, all the provisions of which shall, subject to the *last preceding* paragraph, apply to any survey or inspection made hereunder, and to any survey, work, or other thing made, fixed, or set up in connection therewith :

50

- (c) Take, in the manner provided by the Public Works Act, 1908, to accept gifts of, and hold any land adjacent to or adjoining the land described in the *First* Schedule hereto, or any land situate in the suburban area, which may be necessary or convenient for the purposes of or in connection with any public work which the City Council is empowered to undertake, construct, or provide under the provisions of this Act, or which may be necessary or convenient for the carrying-out of any of the purposes of this Act: 5

Provided that nothing in this Act contained shall authorize the taking for the purposes of a water-catchment area, or forestry, or scenic purposes any land that is not situate in the watershed of the Wakatiki River, in the watershed of the Little Akatarawa River, or in the watershed of the Main Hutt River above its junction with the Pakuratahi River: 10 15

Provided also that compensation shall be paid in respect of every such taking only pursuant to the award of a Compensation Court.

- (d) For the purposes of this Act, enter into agreement with the Minister of Railways for the construction and maintenance by the Minister of any subways under or bridges over any Government railway within the suburban area or the County of Makara, and for the payment by the City Council of the whole or any part of the cost of such construction and maintenance. 20 25

Special powers of Board

7. (1) The Council shall consult the Board before undertaking any work or scheme involving large expenditure, and shall not proceed with any such work or scheme without the consent of the Board. The total amount that may be expended in any one year without such consent shall not exceed *one thousand* pounds. 30

(2) The Board shall have the right from time to time to decide to what extent works executed under the provisions of this Act shall be carried out under the direct-contract system, the co-operative-contract system, or the day-labour system, and every such resolution of the Board shall bind the operations of the City Council under this Act. 35

Land taken for public works under this Act to vest in the City Corporation.

8. All land taken, purchased, or acquired under section *six* hereof shall vest in the City Corporation in trust for the purposes of this Act.

PART IV.

WATERWORKS AND WATER-MAINS.

40

Power to lay mains under private property.

9. (1) The City Council may within the suburban area or the County of Makara cause to be constructed, of such dimensions and of such materials as it thinks fit, upon or under any private land, or under any buildings, such water-mains as the Council thinks needful for the purposes of this Act, subject to the conditions hereinafter stated. 45

(2) Before the City Council constructs any water-mains upon or under any private lands the following conditions shall be complied with:—

(a) A plan and description of each water-main, showing how it affects any such lands, shall be deposited for public inspection at some place within the city and at the office of the contributory local authority having jurisdiction over such land.

(b) The City Council shall give notice in writing to the occupier of such lands, and also to the owner, of the intention to construct such water-main, and shall refer in such notice to such plan and description and state where the same are on view.

(c) If within one month after such notice is given the said occupier or owner serves on the City Council a written objection to the proposed work the City Council shall appoint a day for hearing such objections and shall give *seven days'* notice of the same to the objector.

(d) The City Council shall hold a meeting on the day so appointed, and may, after hearing any person making such objection, if present determine to abandon the work proposed, or to proceed therewith with or without such alterations as the City Council thinks fit.

(3) In every case where the City Council exercises its rights pursuant to this section the City Council shall have in respect thereof a right by way of easement to convey water through the main so laid, and to relay, renew, and repair such main, and for any of these purposes to enter upon the land in which the main is situated.

10. (1) The City Council may, with the consent of the Board, on any of the lands described in the *First Schedule* hereto, or any adjacent or adjoining land taken, purchased, or acquired for the purposes of this Act, construct waterworks for the supply of pure water for the use of the inhabitants of the city and of the suburban area, or of the shipping in any harbour adjoining thereto, and may keep the same in good repair, and may from time to time do all things necessary thereto; and may, for the purpose of conveying water from the water-collection area to any portion of the suburban area or to the city, construct and lay all such mains, pipes, buildings, machinery, meters, plant, and appliances as may be necessary to carry such water from the water-collection area through the suburban area and the County of Makara to the points at which water is to be delivered for distribution by the local authorities affected by this Act, and therein especially may do the following things:—

(a) May, subject to the provisions of this Act and to any right granted under any prior Act, take the water from any river, stream, lake, or pool in the water-collection area:

(b) May break up or dig into the surface of any road, street, private street, or public place within the water-collection area or within the suburban area or the County of Makara:

(c) May, with the consent of the local authority or local authorities having control thereof, alter any drain, sewer, or gas-pipe on or under such street or road so far as is necessary for such construction or repair.

(2) The powers granted by this Act in respect of the construction of waterworks shall be deemed to include the power of extending or enlarging any such waterworks.

Council may
construct
waterworks.

Provision as to
constructing
waterworks in
roads or streets or
so as to interfere
with any public
works.

(3) All such waterworks shall, when constructed, vest in the City Corporation in trust for the purposes of this Act.

11. (1) Before interfering with any road or street or other public work for the purpose of constructing waterworks the City Council shall give not less than one month's notice in writing to the local authority having the control of such road, street, or work. 5

(2) If such local authority objects to such interference the matter shall be referred to the Minister of Public Works, whose decision shall be final.

(3) The City Council may at any time interfere with such road, street, or work so far as to effect all necessary repairs in such waterworks on giving to such local authority three days' previous notice in writing of intention so to do. 10

(4) In any sudden emergency or danger to the waterworks or property adjoining the City Council may without any previous notice proceed to effect the necessary repairs, but shall as soon as practicable thereafter inform the local authority. 15

Supply of water to
local authorities
in suburban area.

12. (1) The City Council shall, if and when water is available under the operation of this Act, supply water to each of the local authorities in the suburban area in bulk upon the following terms:— 20

(a) Every supply given under this section shall be delivered in bulk through a meter at a point or points to be agreed upon between the Board and the local authority to be supplied within the district of that local authority.

(b) The price to be charged for water so supplied shall be a uniform price at per thousand gallons or part thereof, and shall be fixed by the Board. 25

(2) The City Council may, if and when water is available under the operation of this Act, take and use water for its own water-supply subject to the following conditions:— 30

(a) The supply shall be delivered in bulk through a meter at a point to be fixed by the Board at or near the boundary of the city.

(b) The Council shall in respect of all water supplied pay into the special account hereinafter provided for in respect of such water-supply the same sum as would be paid if the City Council were a local authority supplied pursuant to subsection *one* of this section. 35

(3) Every local authority in the suburban area shall have the right to claim to be supplied with water in priority to the City Council; but if at any time there shall be a general shortage of water in the catchment areas subject to this Act and the catchment areas exclusively used by the city, or if there shall be a shortage of water in the last-mentioned catchment areas alone, then in such case the priority given by this subsection shall for any such period of shortage be suspended, and during such period the local authorities supplied under the provisions of this Act shall be entitled to share in the water-supply provided under this Act in the same respective proportions as they respectively received water during the period of one year immediately preceding any such shortage as aforesaid. 40 45 50

13. (1) The City Council may, with the consent of the Board, supply any local authority outside the suburban area with water, and for such purposes the provisions of this Act relating to waterworks, and all the powers given to the City Council thereby, shall apply
 5 equally to all places, persons, and things outside as to the same within the suburban area.

Supply of water to local authorities outside suburban area.

(2) The Council may supply such water to such local authorities at such rate or charges and for such time and on such terms and conditions as the City Council, with the consent of the Board, from
 10 time to time determines.

(3) The City Council may at any time, with the consent of the Board, on giving three months' notice in writing of intention so to do, discontinue such supply of water outside the suburban area without being liable to pay any compensation for such discontinuance or in anywise relating
 15 thereto.

14. (1) If any person does any act whereby the waters of any river or stream being a part of any waterworks under this Act are drawn off or diminished in quantity, and does not immediately on receiving notice in writing in that behalf from the Council restore such
 20 river or stream to the state in which it was in all respects before such act, he shall be liable to a fine not exceeding *one hundred* pounds for every day during which such act continues; and the City Council may, if it thinks fit, restore such river or stream to the said former state, and may recover from such person all the expenses incurred in
 25 so doing.

Drawing off water from streams supplying waterworks.

(2) (a) If any foul liquid or matter is thrown or poured, or suffered or allowed to fall or flow, into any water or watershed being a part of or taken or used for supplying water to any waterworks constructed under this Act, the person so offending is liable to a fine not exceeding
 30 *one hundred* pounds, and to a further fine not exceeding *ten* pounds for every day during which such offence is continued after such person has received notice in writing from the City Council to discontinue the same.

Protection of waterworks. Pollution of waterworks.

(b) The City Council may in time of flood or other emergency
 35 lead any surplus water from any waterworks vested in the City Corporation into any natural stream with a view to the protection of the waterworks.

Diversion of water from waterworks in case of flood.

(3) Every person commits an offence and is liable on summary conviction to a fine of *one hundred* pounds who directly or indirectly
 40 pollutes, so as to be dangerous to health or offensive, any portion of any water-supply that is subject to the provisions of this Act.

Pollution of water-supply so as to be dangerous to health

15. (1) Every person commits an offence who does any of the following things, namely:—

Offences.

(a) Wilfully injures or destroys any part of the waterworks; or
 45

(b) Unlawfully draws off or diverts any water belonging to the waterworks; or

(c) Not having agreed to be supplied with water from the waterworks, takes any such water from the supply furnished to another person; or

(d) Bathes or washes foul linen or other things in any water of
 50 the waterworks; or

(e) Throws any animal or dirt or rubbish of any sort into such water; or

- (f) Allows any gas or foul liquid or matter of any kind to flow or escape from any part of his premises, or any pipe or drain connected therewith, into any such water; or
- (g) Obstructs any person acting under the authority of the City Council in doing anything which the City Council is by this Part of this Act empowered to do; or
- (h) Connects any pipe with any pipe of the waterworks without the consent of the City Council.
- (2) Every person who commits an offence against this section shall be liable to a fine not exceeding *twenty* pounds for each such offence, and shall, if the Court so order, pay to the City Council a further sum equal to the cost incurred by the City Council in repairing the injury done to any part of the waterworks by any such act.

PART V.

FORESTRY.

15

Afforestation and plantations.

16. The City Council shall, subject to the provisions of this Act and the approval in all things of the Board, have the exclusive control and management of the land subject to the provisions of this Act in respect of the following matters:—

- (a) All matters of forest policy; 20
- (b) All forests;
- (c) The planting and thinning of forests, and the making, laying-out, and maintaining of plantations and nurseries, and the distribution of trees therefrom;
- (d) The granting of leases, permits, licenses, and other rights and authorities under this Part of this Act; 25
- (e) Enforcement of the conditions of leases, permits, licenses, and other rights and authorities granted under this Part of this Act;
- (f) The collection and recovery of all rents, fees, royalties, charges, and revenues under this Part of this Act; and 30
- (g) Generally the administration of this Part of this Act.

Officers, staff, servants, &c.

17. For the purposes of forestry under this Act the City Council may from time to time, in such manner and on such terms as it thinks fit, appoint managers, forest officers, engineers, agents, workmen, servants, and inspectors. 35

Appointment of honorary rangers.

18. The City Council may from time to time appoint such honorary rangers as it thinks fit for the purposes of this Act, and all persons so appointed shall be deemed to be forest officers within the meaning of this Act. 40

Forest officer may sell by auction without license as auctioneer.

19. Any forest officer may in the performance of his duties, and with the authority in writing of the Clerk of the Board, hold an auction of forest produce, and may submit permits, leases, or other rights to public auction, without being the holder of a license under the Auctioneers Act, 1908. 45

Council may carry on industries in relation to forest produce.

20. The City Council may for the purposes of this Act establish and carry on any operations or industry relative to the getting, extraction, removal, conversion, or distribution of timber and other forest produce, other than the milling of timber, and may construct,

purchase, or hire any buildings, machinery, or plant required in connection therewith.

21. (1) The City Council shall from time to time prepare working plans in respect of the whole or any part of the area which it has 5 appropriated to forestry purposes. Making plans.

(2) Every such working plan shall, subject to the rights existing at the date of the adoption thereof by the City Council, and subject to the provisions of this Act, regulate the management of the forest area affected by such plan for such period not exceeding ten years as may 10 be stated on the plan in that behalf.

(3) Every working plan shall specify—

(a) The maximum area of the land affected from which forest produce may be taken annually ;
(b) The maximum quantity of forest produce that may be disposed 15 of annually ;
(c) Silvicultural operations proposed to be carried out during the currency of the plan ; and

(d) Such other matters as the City Council thinks fit.

(4) Every working plan shall be subject to the approval of the 20 Commissioner of State Forests, and when so approved shall have effect according to its tenor, and may be altered by the City Council with the consent of the said Commissioner.

(5) The Director of Forestry may, whenever requested by the City Council or the Board so to do, advise the Council or the Board upon 25 any matters relating to forestry or water-conservation.

(6) The City Council shall, within one year of the date hereof or within such extended period as the Commissioner of State Forests may decide, prepare a general forest working-plan of future operations to cover a period of not less than five years. Such working plan shall fully 30 specify the silvicultural operations proposed to be carried on during the currency of the plan and all other matters necessarily connected with forestry operations.

(7) It shall not be lawful for the said Council to carry on such silvicultural operations unless and until such plan has been approved by 35 the Commissioner of State Forests, and all such operations shall be carried on according to such plan as approved by the said Commissioner and under the supervision of the Director of Forestry.

(8) Any officer of the State Forest Service shall have free access to the said land at all times for the purpose of inspecting, planting, or other 40 forestry operations, or for the purpose of reporting on proposed forest activities.

(9) The City Council shall, as soon as practicable after the date hereof, appoint some fit person to supervise and manage all tree-planting operations which may be undertaken by the City Council and generally 45 to advise the City Council on all matters pertaining to its forestry operations.

(10) The City Council may dispose of, by private sale, tender, or auction, any timber, trees, tree-seeds, firewood, or other forest produce on or from the said land.

(11) All revenues received from the lands vested in the City Council 50 by section *four* of this Act in respect of licenses and permits granted under Part V hereof and of licenses granted under Part VII hereof shall

be applied to the administration, management, and development of forestry operations on the said land, and shall not be diverted to any other purposes except with the consent of the Commissioner of State Forests, which consent shall not be withheld if the amount spent or proposed to be spent on the first-mentioned purposes is reasonably sufficient for the proper utilization of the land for forestry purposes. 5

(12) In April of each year the City Council shall furnish to the Commissioner of State Forests a report for the year ending on the preceding thirty-first day of March presenting in complete detail full particulars of the technical operations and of the administration of the land hereby vested in the City Council and of the financial operations relating thereto, and shall at the same time submit a plan of operations and management for the ensuing year, which shall be effective on approval by the Commissioner of State Forests. 10

Licenses and permits.

22. (1) The City Council may, subject to this Act, grant licenses and permits thereunder in respect of any land appropriated to forestry purposes. 15

Licenses to take forest produce.

(2) (a) A license under this Act to take forest produce may confer on the licensee, subject to this Act and the by-laws made thereunder (the conditions to be specified in the license), rights over the land therein defined for all purposes connected with the obtaining, conversion, and removal of such timber and other forest produce as may be specified therein. 20

(b) A license under this section may confer on the licensee exclusive rights with respect to the various products therein referred to, or may confer on the licensee rights with respect to such produce to be exercisable in common with any other licensee or licensees. 25

(c) Every license granted under this section shall be granted subject to the payment by the licensee of such royalties, rents, charges, or other fees as may be prescribed. 30

(d) All forest produce obtained under the authority of a license under this Act and not removed from the area subject to the license during the currency of the license or within thirty days after the expiry of such license or any renewal thereof shall be forfeited to the City Corporation, and may be disposed of by the City Council pursuant to the by-laws made in that behalf. 35

Permits for temporary occupation of forest lands.

23. A permit under this Act may confer on the holder the right to enter on any land appropriated for forestry purposes and to do all such things therein as may be specified in the permit, not being prejudicial to forestry or to water-supply, or the rights conferred on any other person by any lease or license under this Act. 40

Powers of forest officers.

24. Every forest officer appointed under this Act shall in respect of forests situate on the water-collection area, and the forest produce of such forests, have the same powers, authorities, and immunities as are vested in or conferred upon forest officers in respect of State forests or otherwise howsoever under the Forests Act, 1921-22. 45

PART VI.

SCENIC WAYS, PLEASURE-GROUNDS, ETC.

Council empowered to construct scenic ways and pleasure-grounds.

25. (1) The City Council may, with the approval in all things of the Board, on any of the lands vested in it for the purposes of this Act construct scenic ways. 50

(2) The Council may on any such lands vested in it under this Act, other than a catchment area or watershed or any waterworks, subject to the consent of the Board, construct pleasure-grounds, parking-places, and buildings for the amusement and convenience of the public, and may with the approval of the Board, in respect of the same make such charges as it in its absolute discretion thinks fit.

PART VII.

LICENSES.

26. (1) The City Council may in respect of the land subject to the provisions of this Act, with the consent in each case of the Board, grant licenses for the following purposes :—

Licenses for grazing and other purposes.

(a) For grazing and other purposes of a like nature :

(b) For sites for sawmills, timber-depots, tramways, and incidental purposes :

(c) For sites for tents, for buildings, or occupation for residential purposes :

(d) For any industrial purposes.

(2) No license under this section shall be granted for a term exceeding twenty-one years.

(3) No compensation shall be payable to a licensee on the expiration of a license under this Act for any improvements effected on the land comprised therein ; but the licensee shall be entitled at any time before or within three months after the expiry of his license to remove any buildings constructed or acquired by him, or to dispose of them to an incoming licensee :

Provided that the City Corporation shall have the right at any time within the last year of the license to notify the licensee that the City Corporation intends at the expiration of the license to purchase any such buildings at a price to be fixed in default of agreement by arbitration, and in any such case such buildings shall be the property of the City Corporation at the expiration of the license to be held in trust for the purposes of this Act, and shall not after such notice be removed from the land by the licensee.

27. Every license granted under this Act shall be granted subject to the payment by the licensee of such royalties, rents, charges, or other fees as may be prescribed.

Royalties and fees payable under licenses.

PART VIII.

FINANCE.

28. (1) The Council shall pay all moneys received by it under the provisions of this Act into a special banking account to be called "The Wellington City and Suburban Water-supply Act Account."

Special account.

(2) (i) Two separate accounts shall be kept for such moneys. These accounts shall be called :—

(a) The Wellington City and Suburban Water-supply General Account ; and

(b) The Wellington City and Suburban Water-supply Water Account.

(ii) All expenses exclusively connected with the construction or operation of the water-supply under this Act shall be charged to the Water Account as aforesaid, and shall be met by the charges made for the supply of water under this Act.

(iii) All other expenses shall be charged to the General Account as aforesaid, and shall be met by moneys other than those received for the supply of water. 5

(3) The provisions of sections seventy-four to seventy-six (inclusive) and sections one hundred and eleven and one hundred and twenty-five to one hundred and twenty-nine (inclusive) of the Municipal Corporations Act, 1920, shall apply to the funds and accounts of the City Council under the provisions of this Act. 10

Council to make estimates of receipts and expenditure.

29. (1) The City Council shall, with the approval of the Board, for each financial year make an estimate of the amount of its expenditure for all purposes of this Act and of its corresponding receipts for that year. Such estimates shall show the amount of expenditure exclusive of capital expenditure but inclusive of interest and sinking fund. Loan-moneys shall not be included in receipts. 15

(2) The estimate shall be submitted to the Board at a special meeting of the Board to be held on or before the thirty-first day of March in the year previous to that to which the estimate relates, and shall be settled at a special meeting of the Board to be held on a day to be fixed in April of the financial year to which the estimate relates. 20

(3) In this section the "receipts" shall include all moneys subject to the provisions of this Act in the hands of the City Council at the commencement of the financial year. 25

Deficiency in revenue for preceding year to be included as expenditure.

30. Every estimate under the *last preceding* section shall include the amount, if any, of the deficiency in the revenues of the City Council for the purposes of this Act during the preceding or any former financial year, and the amount of such deficiency shall form part of the expenditure of the City Council in the year to which the estimates relate. 30

Net estimated expenditure.

31. From the amount of expenditure estimated in accordance with the *two last preceding* sections of this Act there shall be deducted the estimated receipts of the City Council pursuant to this Act during the same year from all sources other than the contributions to be received from contributory local authorities, and the remainder, after making such deductions, is hereinafter referred to as the net estimated expenditure. 35

Apportionment of net estimated expenditure among contributory local authorities.

32. (1) The net estimated expenditure of the Board, which shall in no case exceed three thousand pounds, shall be apportioned among the contributory local authorities in proportion to the population in their respective districts on the first day of January preceding the financial year in respect of which the estimate is made, and the population in each such district shall be fixed by the Government Statistician, whose decision shall be final, conclusive, and binding on all parties. 40

(2) For the purposes of this Act the district of the Hutt County Council shall be the area defined in the *Second* Schedule hereto, or any greater area of such county hereafter included in the suburban area. 45

(3) On making such apportionment the City Council shall furnish to each contributory local authority—

(a) A statement setting forth the Council's receipts and expenditure under this Act for the preceding financial year; and 50

(b) The Council's estimated receipts and expenditure under this Act for the current financial year, and the amount apportioned to each of the contributory local authorities.

33. (1) The amount so apportioned by the City Council to any contributory local authority shall constitute a debt payable by that authority to the City Council, and may be recovered by the City Council in any Court of competent jurisdiction.

Recovery of contributions.

(2) The said amount shall be payable to the City Council by equal instalments, being not more than twelve nor less than four, as the Board may from time to time determine; and every such instalment shall be due on the day fixed by the Board for the payment thereof. The City Council shall give to the contributory local authority not less than fourteen days' notice in writing of the due date of each instalment.

(3) Interest at such rate as the City Council shall fix, being not more than the rate of interest paid by it in respect of overdraft, shall be paid by the contributory local authority to the City Council on the amount of any instalment or part thereof remaining unpaid after the expiration of fourteen days from the date when each such amount becomes due.

34. Every contributory local authority liable to pay any contribution under this Act may pay the same out of its ordinary funds, or may, if it thinks fit, in addition to its other powers, raise the required amount by a rate to be made and levied for that purpose.

Contributory local authority may pay contribution out of ordinary funds or may raise by a rate.

35. If at any time the moneys received under the provisions of this Act are insufficient for the carrying-out of the purposes of this Act the City Council may, with the consent of the Board, out of its District Fund, advance such sums as may be necessary for the purposes of this Act, and such sums shall, with interest fixed as aforesaid, be repayable out of the moneys received by the Council for the purposes of this Act to its District Fund. The City Council may if it thinks fit, with the consent of the Board, commence operations immediately on the passing of the Act, and in such case the first estimates of receipts and expenditure shall be made for a period commencing at such time as it thinks fit, and ending on the thirty-first day of March, nineteen hundred and twenty-eight, and all the foregoing provisions of this part of this Act shall, *mutatis mutandis*, apply.

Council may make advances out of District Fund for the purpose of the Act.

PART IX.

ADDITIONAL AREAS.

36. The Wellington City Council may, with the consent of the Board, from time to time, by resolution gazetted, extend the suburban area by including therein such parts of the Hutt and Makara Counties and the Johnsonville Town District as the local authority having jurisdiction in the area affected shall by resolution verified under its seal request the City Council to include in the suburban area; and every such resolution of the City Council shall take effect on the thirty-first day of March next ensuing after the passing of the resolution.

Additional areas.

PART X.

LOANS.

Borrowing-powers.

37. (1) For the purpose of constructing and carrying out the works and operations authorized by this Act, and for purchasing plant as aforesaid, the City Council is hereby authorized, with the consent of the Board, to raise special loans from time to time for such sums as may be necessary under the Local Bodies' Loans Act, 1926, for a public work, by special order. 5

(2) For the purposes of raising such loans the area included in the City of Wellington and suburban area as for the time being existing shall be deemed to be the district of the City Council within the meaning of the Local Bodies' Loans Act, 1926, except subsection three of section three, and such Council shall be the local authority of the district and shall be empowered to levy such rates over the district. 10

(3) The provisions of the Local Bodies' Loans Act, 1926, shall, except as otherwise specially provided herein, apply to the raising of every such loan, save that it shall not be necessary to take the steps prescribed in sections nine to thirteen of that Act. 15

(4) Every special rate pledged as security for a loan raised under the authority of this section shall be made and levied over the district on the basis of the system of rating for the time being in force in the City of Wellington. Such special rate may be made and levied, notwithstanding that the district may not be an area within continuous boundaries. 20

(5) If at any time it becomes necessary to collect any special rate levied as aforesaid the City Council may, as regards that part of the district comprised in the suburban area, either collect the rate itself or require each of the local authorities within the area to collect the rate from the ratepayers in the area under its control, and to pay the rate when and as collected to the City Council. 25 30

(6) If the system of rating in force in the district of any of the local authorities required to collect the rate as required by the *last preceding* subsection is different from the system under which the special rate was made and levied, the total amount of the rate to be collected from that district shall be separately calculated, and the amount shall be collected by the local authority by an even rate over the whole of its district according to the system of rating in force in such district. 35

(7) The valuation roll for the district shall be the combined rolls for the separate districts or parts thereof rateable under this Act of each of the local authorities comprised within the district. 40

(8) Debentures issued in respect of the said special loans shall have a currency of not more than fifty years.

(9) A sinking fund of not less than *one* per centum per annum shall be provided for the redemption of the said special loans.

PART XI.

BY-LAWS.

By-laws.

38. (1) For the purpose of carrying into effect the objects and provisions of this Act, the City Council may in respect of the water-collection area and works constructed under this Act, with the consent of the Board, make by-laws for any of the following purposes :— 45 50

- (a) Good rule and government of the water-collection area :
- (b) More effectually carrying out any of the objects of this Act :
- (c) Regulating any of the subject-matters of this Act :
- 5 (d) Protecting from damage or injury any property vested in the Corporation or controlled by the Council under the provisions of this Act :
- (e) Prescribing the terms and conditions of licenses and permits granted hereunder :
- 10 (f) Conserving public health, safety, and convenience, and preventing or abating nuisances :
- (g) Regulating, controlling, or prohibiting traffic within any area at any time vested in the City Corporation for the purposes of this Act :
- 15 (h) Regulating drainage and sanitation within the water-collection area :
- (i) Concerning scenic ways and the use thereof, and the construction of anything upon, over, or under such ways :
- (j) Regulating bathing within the water-collection area :
- 20 (k) Preventing danger from fire :
- (l) (i) Regulating the management of forests and the cutting, hewing, sawing, or other methods of conversion of timber or other forest produce :
- (ii) Prescribing the procedure for the sale by auction or by tender, or by other method, of forest produce, and
- 25 prescribing upset prices or minimum royalties or charges :
- (iii) Prescribing fees or deposits to be paid with any application or tender for license in respect of forestry land :
- (iv) Prescribing the mode in which any forest produce from the lands subject to this Act is to be branded or marked, and the mode in which all brands and marks may be
- 30 registered.
- (v) Requiring the holders of licenses or permits in respect of timber or forest produce to produce for inspection to any officer of the Council the books of account, returns, and other documents connected with such license or permit :
- 35 (vi) Regulating or prescribing the lighting of fires within any area vested in the City Corporation for the purposes of this Act, and prescribing the means for prevention or suppression of fires in such areas :
- 40 (vii) Authorizing officers appointed under this Act for afforestation purposes to detain or seize any produce produced within such area, and provide for the registration of sawmills and other factories or industrial plants dependent on supplies of forest produce from such area :
- 45 (m) Regulating, controlling, or prescribing access to any waterworks or watershed or catchment area situate on lands vested in the City Corporation under the provisions of this Act, and protecting any such waterworks, watershed, or catchment area from defilement.
- 50 (2) The provisions of section three hundred and fifty-seven, paragraphs (a), (b), (c), and (g); section three hundred and fifty-eight, paragraphs (a) and (e); sections three hundred and fifty-nine, three

hundred and sixty, three hundred and sixty-one, three hundred and sixty-two, three hundred and sixty-four, and three hundred and sixty-five of the Municipal Corporations Act, 1920, shall apply, *mutatis mutandis*, to all by-laws made under this Act.

(3) Any by-law may apply only to part of the area vested in the Corporation for the purposes of this Act. 5

(4) Except for the purpose of protecting any waterworks, watershed, or catchment area from defilement pursuant to paragraph (m) of subsection one hereof, no by-law shall be made which would in effect prohibit, either absolutely or except on payment of a fee, the exercise by the holder of any license issued under the Fisheries Act, 1908, of the rights of fishing in any of the rivers and streams within the water-collection area otherwise conferred by such license. No by-laws prohibiting access to any part of the water-collection area pursuant to the said paragraph (m) shall come into force until approved by the Minister of Health on the grounds that such by-laws are desirable in the interests of public health. 10 15

PART XII.

GENERAL.

Unlawful molestation of animals or occupation of land in water-collection area.

39. Every person commits an offence against this Act and shall be liable on summary conviction to a fine of *twenty* pounds who within the water-collection area, except pursuant to a license or permit under this Act or of other lawful authority,— 20

(a) Hunts, kills, shoots, destroys, or sets snares for the purpose of capturing any animals or birds;

(b) Liberates any animal or animals; or 25

(c) Occupies or clears or breaks up land for cultivation or any other purpose.

Forfeiture of licenses, &c.

40. Every license or permit under this Act shall be liable to forfeiture on default for a period to be specified in the license in payment of any royalties, rents, charges, or fees payable thereunder, or any breach or non-observance by the holder of any of the provisions of this Act or the bylaws thereunder, or of the conditions expressed in his license or permit as the case may be. 30

Certain provisions of Municipal Corporations Act, 1920, to apply to licenses.

41. The provisions of sections one hundred and fifty-five to one hundred and sixty-two (inclusive) of the Municipal Corporations Act, 1920, shall, subject to the provisions of this Act, apply, *mutatis mutandis* to licenses granted pursuant to the provisions of this Act. 35

Appointment of officers and servants.

42. (1) In addition to officers which the City Council is hereby authorized to appoint for forestry purposes, the City Council may appoint such officers and servants as it thinks necessary to assist in the execution of this Act. 40

(2) The provisions of sections sixty-eight and sixty-nine of the Municipal Corporations Act, 1920, shall apply, *mutatis mutandis*, to all officers and servants appointed under the provisions of this Act, including officers appointed for purposes of afforestation. 45

No works permitted on railway land without consent of Minister of Railways.

43. It shall not be lawful for the Board, the City Council, any local authority, or other person to execute any work upon any railway land except with the consent of the Minister of Railways first had and obtained.

44. The powers and duties conferred and imposed on the City Council, and the functions exercisable by the City Council, under this Act are conferred, imposed, and exercisable as powers, duties, and functions under the Municipal Corporations Act, 1920 ; and the relevant and applicable provisions of the Municipal Corporations Act, 1920, shall, so far as the same are applicable, and so far as the same do not conflict with the express provisions of this Act, and so far as the express provisions of this Act do not extend, be applicable to the exercise and performance by the City Council of such powers, duties, and functions.

Application of Municipal Corporations Act.

45. The Hutt River Board may pay to the City Council such amounts as it thinks fit to be expended for the purposes of forestry under the provisions of this Act.

Hutt River Board may contribute for afforestation purposes.

46. Every person having any estate or interest in any lands taken under the authority of this Act for any public works or injuriously affected thereby, or suffering any damage from the exercise of any of the powers hereby given, shall be entitled to full compensation for the same from the City Corporation. Such compensation may be claimed and shall be determined in the manner provided by the Public Works Act, 1908.

Compensation payable by City Council for lands taken or injuriously affected.

47. (1) Every order, notice, or other such document requiring authentication by the City Council may, unless otherwise provided, be signed by any two Councillors or by the Town Clerk, and need not be under seal.

Authentication of documents by Council and services of notices, &c.

(2) (a) In any case in which it is provided by this Act that an order may be made upon or notice given to any person requiring him to do or abstain from doing anything, or any notice is required by this Act to be given or sent to any person, such order or notice shall be delivered to such person and may be delivered to him either personally or by sending the same to the last-known place of abode or business of such person by messenger or by post.

(b) If such person is absent from New Zealand, the order or notice may be sent to his agent instead of to such person in any manner provided by the last preceding subsection.

(c) If such person is not known, or is absent from New Zealand and has no known agent in New Zealand, and the order or notice relates to any land or building, the order or notice addressed to the owner or occupier of such land or building, as the case may require, may be served on the occupier thereof, or left with some inmate of his abode, or, if there is no occupier, may be put on some conspicuous part of such land or building. It shall not be necessary in any such notice to name the occupier or owner of such land or building.

48. Section forty-three of the Finance Act, 1925, is hereby repealed.

Repeal.
