Any or all of the private streets and private ways mentioned in the Schedule hereto may, from time to time, by resolution of the Council, approved by the Governor in Council, be declared to be streets within the meaning of section one hundred and fifty-two of the Municipal Corporations Act, 1908, and any such resolution so approved as aforesaid shall take effect according to its tenor notwithstanding anything to the contrary in the said Act or in any other Act. City Council may, with approval of Governor in Council, declare certain private streets to be public streets.

(2.) The streets included in any such resolution are hereinafter referred to as the said streets.

Council empowered to form and construct streets, &c.

4. The Council shall, at such times and in such manner as it thinks fit, form and construct the said streets; and may in connection therewith provide such footpaths, channels, and kerbs as it thinks necessary. 5

Council may agree with owners as to payment of portion of estimated cost.

6. The Council may, prior to the commencement of any such work in any street, agree with all the owners of land fronting such street that such owners shall pay to the Council any part of the estimated cost of such work in the proportions set out in section *seven* hereof. 15

Town Clerk to recover share of cost from frontagers.

7. (1.) If the Council is unable to agree with all the owners of lands fronting any such street for payment of a share of the cost of such work as provided in section *six* hereof, the Town Clerk shall, after notice is given as hereinafter provided, recover from the owners of land fronting such streets not more than half the cost thereof as aforesaid, as set out in the said certificate according to the proportions hereinafter set forth. 20

(2.) The share of cost of the work to be paid by each owner of land fronting any street in which work is to be done pursuant to the provisions of this Act shall be a proportion of not more than the half-cost of such construction, equal to the proportion that the unimproved value of such owner's land bears to the total unimproved value of the land fronting both sides of the said street. Such notice shall demand that payment of such contribution be made within thirty days from the date thereof. 40

(4.) If any such owner fails within such period of thirty days to pay such contribution, the then Council may forthwith sue and recover judgment against such owner for such amount in any Court of competent jurisdiction. In any such action the demands of the Town Clerk shall be conclusive evidence of the fact that the amount stated therein is the amount due. 45
