5. Canterbury Education Reserves Sale and Leasing Bill—consideration of reasons of House of Representatives for disagreeing to the following amendments in clause 9:—

9. 10. It shall be lawful for and obligatory upon the said College to lease to every person or corporation, who was under the said Waste Lands Regulations at the time of making the reserve the holder of a depasturing license or licenses for any portion or portions of the said lands, the portion or portions comprised in such license or licenses, to hold the same at the same rent payable to the College and upon the same terms and conditions in all respects as the same lands were held under the provisions of the said Waste Lands Regulations immediately antecedent to the reserving thereof, and also hereafter further to lease the same to such persons, and at such rent and upon such terms and conditions as *are or* may by law be fixed as the terms upon which depasturing licenses over waste lands of the Crown in the Province of Canterbury shall be held *for the time being*.

Reasons of House of Representatives for disagreeing to the amendments made by the Legislative Council in the 9th clause.

That the clause, as amended, may give to pastoral licensees, who hold the lands set aside for college purposes, a different tenure to that which other pastoral licensees hold.

They recommend, therefore, that the words now erased, from the word "respects" to the word "conditions," inclusive, be reinstated in the Bill; and the words "are or" be struck out in the eleventh line of the same clause.
