Tuesday, the 8th Day of November, 1910.

LAND SETTLEMENT FINANCE AMENDMENT BILL.

Hon. Dr. FINDLAY, in Committee, to move the following amendments:—

Clause 4, subclause (1): To omit the words "the agreement mentioned in sections two and three" and substitute the words "every agreement under section five."

To add the following new clause:—

Reserves.

4A. (1.) An agreement under section five of the principal Act may provide that any area or areas of the land comprised in that agreement shall be reserved as a site for a school, church, cemetery, recreation-ground, or dairy factory, or for any other purpose of common utility to the members of the association.

(2.) The boundaries of the said reserves shall be determined by the agreement, and shall be set forth in the plan of subdivision referred to in section five of the principal Act.

(3.) All such reserves shall be excluded from the scheme of subdivision of the said land into allotments in accordance with the said section.

(4.) The association may deal with or dispose of (whether by sale, gift, lease, or otherwise howsoever) any such reserve in such manner as the association thinks fit for carrying into effect the purpose of the reservation thereof.

(5.) So long as any such reserve remains vested in the association, the Governor may from time to time, by Order in Council made at the request of the association, change the purpose of the reservation thereof.

(6.) So long as any such reserve remains vested in and occupied by the association, the association shall in respect thereof be exempt from land-tax and rates and from all liability under the Fencing Act, 1908, in respect of any boundary between the reserve and any allotment.
