(1.) Her Majesty the Queen may apply for, receive, and hold any license or other authority to take and use water in any mining district for the purposes of any water-race, sludge-channel, dam, reservoir, or for any other purpose and in any manner authorized under "The Gold-Mining Districts Act, 1873," or "The Mines Act, 1877" (which Acts and any regulations for the time being in force thereunder respectively are hereinafter included in the expression "the said Acts"):

(2.) Every such license or other authority shall confer upon the Queen all rights, powers, remedies, and authorities, and she shall be subject to the same liabilities in respect thereof as if such license or authority had been issued to her as a private person:

(3.) (a.) The Governor may from time to time appoint some person or persons in any mining district under the said Acts or either of them, on behalf of the Queen, to apply for and obtain the issue of any license or other authority to take and use water as aforesaid under the said Acts or either of them, or for the issue of any renewal of any such license or authority;

- (6.) Every warden, registrar, clerk, or other officer whose duty it may be to issue any license or other authority under the said Acts or either of them, shall, upon application made to him for that purpose, and upon proof that any license or authority in respect of a right within the terms of the last preceding subsection is held on behalf of the Queen, alter or amend, as the case may require, any existing license or other authority or any register or record kept by him, and may insert the name of the Queen therein, and such other particulars as may be necessary to give due effect to this enactment.
