CONTRACEPTION, STERILISATION, AND ABORTION AMENDMENT BILL

Proposed Amendment

Hon. Mr G. F. GAIR, in Committee, to move the following amendment:

Clause 3: To add to the proposed new section 32 on page 4 the following subsection:

“(9) In any case brought before him under this section, no registered medical practitioner shall act in any capacity on that case with another registered medical practitioner where:

- (a) They are in practice together; or
- (b) One is employed by the other; or
- (c) They are financially interested in the same licensed institution; or
- (d) Both are employed or engaged by the same licensed institution except where that licensed institution is under the control of a Hospital Board.”

EXPLANATORY NOTE

The proposed subclause (9) would prevent 2 doctors from acting together on a case where they could be accused of having a financial interest in common.
