

SUPPLEMENTARY ORDER PAPER.

HOUSE OF REPRESENTATIVES.

Thursday, the 14th day of September, 1876.

- I. Mr. BARFF to move, when in Committee on the Counties Bill, the insertion of the following new clause after clause 131 :—

The Council shall have power to levy tolls on main roads bridges and ferries, and to fix the amounts of tolls to be paid, and from time to time, as may be considered necessary, to revise such tolls; and if any Council considers that the existing system of collecting tolls is unsatisfactory, such Council shall have power to substitute for such system a rate to be levied upon animals and vehicles travelling over the roads bridges and ferries within the county boundaries, and to fix the amounts to be paid, and the manner of payment.
